**Dates apply to full-semester classes; short-term class dates will vary.

Regular days of instruction for Academic Year - 167 days (175 total days)

See the Schedule of Classes or contact the Registration Office at the campus/center where you wish to attend to obtain registration information and dates. Contact the Testing Office for Placement Examination information.
On behalf of the Board of Trustees, faculty, administration and staff, I welcome you to the exciting learning environment of the Yuba Community College District. We endeavor to meet the needs of students and the communities we serve by providing high quality educational programs and services by an outstanding faculty, student services staff, and administrative staff. Assisting you in meeting your educational goal is our highest priority.

The Yuba Community College District provides educational services via its main campus in Marysville, the Woodland Community College campus, the Clear Lake campus, and its outreach operations in Colusa County and on Beale Air Force Base. Our Distributive Education program also provides course work televised, on-line, and through interactive video and video-streaming technology among sites.

As a comprehensive community college, we offer a full array of certificates, two year associate degrees and the associate degree for transfer to the university. Programs in the liberal arts, sciences, and vocational/technical fields are provided for individuals seeking careers in business, education, health and human services, the sciences, industry, and the trades. Pre-collegiate course work, and course work for the English language learner or English as a Second Language (ESL) student are also provided. The College Success Center provides both computer-based and personal tutoring support for students in mathematics and language arts. New on-line access to the admissions process (including registration), counseling, transcripts, Student Educational Plans (SEP’s), and orientation to college are also available.

Additionally, the college offers continuing education for professionals; career advancement opportunities for employed adults; counseling and management course work for small business owners; vocational and technical advanced training; and contracted training for employers. For the homebound individual, or those with work and family responsibilities, the college offers many evening, television, and on-line courses.

Lifelong learning opportunities in language and fine arts are available. A wide array of civic and community development opportunities can be found, as well as art exhibits, music concerts, and theater arts productions.

The college faculty and staff strive to provide learning opportunities and support services that prepare students for the contemporary workplace, to be contributing members of society, and to pursue future educational goals. A computer technology network, and instructional computing labs support the college’s programs and services, providing a variety of up-to-date applications to students in their course work. A number of teaching and learning delivery methods are used to meet the diverse needs of students on site and at a distance, for workforce development, and for training and development among community partners.

We are pleased that you have chosen YCCD. This catalog provides you with an overview of the college’s programs and assists you with accessing learning support services for success in your educational pursuits.

Our Board of Trustees, faculty, administration, and staff welcome you to the college. I encourage you to participate in the exciting learning environment of the Yuba Community College District!

Dr. Nicki Harrington
Chancellor
Welcome to Woodland Community College!

Students are our highest priority at WCC. The faculty, staff and administration are committed to helping you achieve your educational goals. The college offers associates degrees, preparation for transfer to the university, career and technical education, and coursework to develop skills for employment or career advancement. Pre-collegiate coursework, and courses for the English language learner or English as a Second Language (ESL) student are also provided.

Courses are available in a variety of schedules and formats to suit the needs of busy lives. In addition to the traditional face to face courses, the college offers courses online, via cable television, and through interactive video or video-streaming among district sites. Schedule options include day, evening, and weekends.

We have a range of student services on campus to support your success, including Counseling, Tutoring Center, Math & Writing Center, Disabled Students Programs and Services (DSP&S), Veterans Services, Financial Aid Office, Open Media Lab, Library, as well as Career and Transfer assistance. I encourage you to use the resources available to support your success and enrich your educational experience at WCC. Remember, we are here to serve you!

For our students in Colusa County, we are committed to expanding services and program options through our Outreach Operations. A Student Support Specialist is available to serve you at the Colusa One-Stop, and courses are offered at several convenient locations in the county. Plans to build a WCC facility in Colusa County are underway, and we anticipate opening in 2010/2011.

This catalog is an excellent source of information to assist your progress at WCC. I encourage you to access the website at www.woodland.yccd.edu for a wide array of other helpful resources. This is an exciting time to be a student at WCC, because the college is growing! Enrollments are increasing, new faculty and staff are being hired, and new buildings and campus renovations are scheduled during the next five years. The college is on its way to the big time!

We appreciate you choosing Woodland Community College and we look forward to helping you realize your plans for academic growth and life-long learning.

District Information

Yuba Community College District

Yuba College, in its 80th year of community service, founded in 1927, is located on a campus outside of Marysville with twenty-three buildings on a 160-acre site. In December, 1965, the College District was reorganized to include Colusa, Sutter, and Yuba counties and in 1974-75 to include large portions of Glenn, Lake, and Yolo counties. The District now stretches across the broad central valley of California from high in the foothills of the Sierra Nevada to the Coast Range and covers 4,192 square miles.

Yuba College

The College opened on this site in September, 1962. For 80 years Yuba College has been providing quality education to the residents of the Yuba Community College District and has earned a reputation as an educational leader in northern California. Yuba College offers technical and occupational classes to help gain or improve job skills. The California State University (CSU) system reports that students who transfer from California Community Colleges, such as Yuba, consistently earn better grades than students who go directly to a CSU from high school. Yuba College offers classes that transfer to CSU, the University of California (UC) and many private universities.

An experienced and well-trained faculty offers instruction in over 90 departments totaling more than 1,000 courses.

Woodland Community College

Woodland Community College has provided educational opportunities for Woodland, Esparto, and adjacent areas of Yolo, Colusa and Sutter Counties for over 30 years. The campus is located at 2300 East Gibson Road in Woodland. Growing is the key description of Woodland Community College. With growth all around the college, in both Yolo and Colusa counties, WCC opened its new Learning Resource Center in May of 2007. The 72,000 Sq Ft. building doubled the blueprint of WCC, by adding 25 new lecture and classrooms, an expanded library and a new community room. The new LRC will add to other WCC facilities that include a bookstore, science building, childcare center, tutoring facilities and other laboratories on campus. The development of the facilities at WCC stands as a symbol of the commitment of the Yuba Community College District Board of Trustees to the educational needs of the communities it represents.

Clear Lake Campus

Courses have been offered in this area since the fall semester of 1972. The Campus is located on Highway 53 in the city of Clearlake. Lake County students can complete two years of pre-transfer work at the Campus or satisfy their own needs in General Education. The Campus is growing and offers a full range of community college courses. In addition to transfer programs, the Campus offers career education in Business, construction trades, Food Services Management, health fields, and Mass Communications, as well as courses in many other areas. The Campus also provides a wide range of student services and remedial courses, and a Child Development Center.

Beale AFB

Classes have been offered on this site since the fall semester of 1960. Classes are located in the Base Education/Library Building at 17849 16th Street, Beale Air Force Base. A variety of general education and transfer courses are offered in late afternoon and evening, as well as some noon-hour classes. Two program formats are provided: Semester-length schedules and two nine-week terms each semester.

Outreach Areas

Courses meet at off-campus sites in Colusa, Glenn, Lake, Sutter, Yolo, and Yuba counties, in addition to the colleges, centers, and campuses listed above.
District Goals, Mission & Philosophy

This catalog is published for informational purposes only. Each student must assume complete responsibility for compliance with the instructions and regulations set forth herein. However, the information in this catalog is not to be regarded as an irrevocable contract between the student and the District. The District reserves the right to change any provision or requirement at any time.

The District assumes no responsibility for misinterpretation by a student of policies and procedures as presented in this catalog. Counselors and administrators are available to advise and assist students in meeting necessary requirements.

This catalog provides important information to help students plan for college. It includes course information, resources, and services available; academic program descriptions; degree requirements; and information about College policies and procedures.

Students should use the catalog to help to be a successful college student. For example, knowing what a course is about and how it fits into the goals or program is one of the requirements for proper course selection. Course descriptions are available in the section entitled, “Programs and Courses.” If the goal is to complete an associate degree, it is important to become familiar with the General Education Degree Requirements described in “Graduation Requirements.” If the goal is to complete a degree or to select courses prior to transferring to a four-year college or university, then the information on “Transfer” is very helpful. Counselors are also available for assistance.

Use the catalog to learn where and how to get things done. It has information for locating resources and will assist in becoming familiar with College policies and procedures. Information is available about resources such as Advisement, Admissions and Records, Counseling, Disabled Student Programs and Services, Financial Aid, Student Success Center, Library, W.I.A, and Veterans. There is also information about adding a class, applying for graduation, or getting a transcript.

The Yuba Community College District employees feel a shared responsibility for the success of student and students also have a responsibility for their own success.

Accreditation

The Yuba Community College District (YCCD) is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges (10 Commercial Blvd.; Suite 204; Novato, CA 94949; 415-506-0234), an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education. The College is recognized as a two-year institution of collegiate grade by the University of California system. California State University system, California Community Colleges, the American Association of Collegiate Registrars and Admissions Officers, and the Veterans’ Administration. Reference may also be made to the “Accredited Higher Institutions” Bulletin of the Office of Education, U.S. Government Printing Office; to the “Junior College Directory” of the American Association of Junior Colleges; and to “American Junior Colleges” published by the American Council on Education, Washington, D.C.

Academic Freedom

Reference: Title V, Section 51023; Accreditation Standard IIA.7

Academic employees must be free to teach and the students free to learn. Both must have access to the full range of ideas, materials and options. It is the responsibility of academic employees to encourage students to study varying points of view and to respect the students’ right to form, hold, and express judgements, opinions, and beliefs, clearly identifying them as such.

The responsibility of protecting academic freedom rests with the Board of Trustees, administration, educational supervisors, and academic employees. Academic employees have a primary responsibility to develop the curriculum and select instructional materials and methods of presentation appropriate to meet the goals of that curriculum. Academic employees, educational supervisors, and administrators may recommend policies for Board consideration when there are criticisms of staff, methods, or materials. Academic employees, educational supervisors and administrators must develop procedures to implement those Board-adopted policies related to academic freedom.

When academic employees are performing their assigned responsibilities, they shall be free to express personal opinions and pursue scholarly, literary, and/or artistic endeavors.

Woodland Community College
Advantages of YCCD

The faculty are experienced instructors, skilled in discovering and developing the interests and capabilities of their students. The ability to communicate with faculty members minimizes the danger that a student may become confused and lost in the hurry and bustle of college life and emphasizes the importance of the individual. YCCD bridges the gap between high school and university, making adjustment easier.

The years of college education offered by YCCD are an important budgetary item, especially since there is an increasing tendency for professional preparation to require more than four years of college study. YCCD enables students and their families to conserve their resources for the long period of professional training.

YCCD provides students with such services and activities as individualized counseling, social and cultural activities, sports, and physical recreation of sufficient variety to meet the needs and patterns of all students.

Students will find the opportunity to adjust their studies to their individual needs; those in high school who did not meet university admission requirements may make up their deficiencies; those who want training for immediate entry into paying jobs will find the courses they need; those who wish to complete two years and transfer to a senior college or university may do so with junior (third-year) status.

WCC Mission and Goals

MISSION: The mission of Woodland Community College is to provide high quality, student-centered education and lifelong learning opportunities for the communities we serve.

At WCC, students pursue their educational goals in an environment that values diversity, individuality, mutual respect, civic responsibility, and the free exchange of ideas.

GOALS: The Yuba Community College District will provide:

- Lower division courses for students planning to transfer to a four-year college or university.
- Occupational, technical, and general education courses leading to an Associate degree, certificate, occupation enhancement, or the broadening of one’s educational background.
- Economic development, including business and industry focused training.
- Student services and programs to enhance students’ opportunity for success.
- Curricula that enhance awareness of social change and cultural diversity.
- Instruction that encourages communicating effectively and thinking critically.
- Instruction in basic skills.
- Community education classes designed for a particular audience or need.
- Community surveys to determine and respond to community needs.
- Professional development and inservice opportunities for all staff to keep them abreast of current developments in their fields so that they, in turn, may provide the best educational opportunities for the student and community.

Yuba Community College District Vision Statement

Yuba Community College District is an institution of higher education that prepares its students to meet the intellectual, occupational, and technological challenges of a complex world.

The Yuba Community College District is a steward to its communities’ educational and cultural well-being.

The Yuba Community College District values an education that encourages self-improvement and enables students to contribute to their families and the community.

The Yuba Community College District values intellectual and cultural diversity, open communication, collegiality, collaboration, mutual respect, personal integrity, and responsible citizenship.

The Yuba Community College District values all collegiate disciplines in relation to life, recognizing the importance of thinking clearly, creatively, critically, and objectively.

Nondiscrimination Statement

The Yuba Community College District does not discriminate on the basis of race, color, national origin, sex, disability, or age in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the Americans with Disabilities Act of 1991, Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Education Amendments of 1972 (pertaining to sex), Section 504 of the Rehabilitation Act of 1973 (pertaining to handicap), and Age Discrimination Act of 1975 (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College’s programs.
and activities, including vocational education.

Inquiries regarding the equal opportunity policies, the filing of complaints, or to request a copy of the complaint procedures covering discrimination complaints may be directed to: Human Resources, Title IX Coordinator (530-741-6975) or Director - District Disabled Students Program and Services, Section 504 Coordinator (530-741-6992). Both are located at Yuba College, 2088 North Beale Road, Marysville, CA 95901.

The lack of English language skills will not be a barrier to admission and participation in the College's vocational education programs.

The College recognizes its obligation to provide overall program accessibility throughout the College for handicapped persons. Contact the Section 504 Coordinator to obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

Admissions and Records:
Located in building 100. Contact the department directly at 530-661-5700. For information regarding the application process, residency status, fees, transcripts, parking fees, etc.

Assessment Center
The YCCD offers placement testing at Woodland Community College. Please contact a testing center for its testing schedule and hours of operation at one of the following locations: WCC - (530) 661-5700.

Individuals with disabilities or special testing needs should discuss options or accommodations with a WCC counselor and/or DSPS staff or contact a test center to arrange accommodations.

The District Assessment Center (Yuba College main campus in Marysville) is a member of the National College Testing Association (NCTA) Consortium of Test Centers and offers distance education testing for various colleges and universities from around the country. We also provide proctoring for makeup tests and course finals with prior arrangement with your instructor. The District Assessment Center is also an Authorized Prometric Testing Center for computer network, hardware and software certification. The center also offers “The College Board” Computer-Based College-Level Examination Program (CLEP).

For your privacy and safeguarding of your records, photo identification is required for all testing transactions.

A.S.W.C.C. - Student Government
The Associated Students of Woodland Community College controls student affairs, under the guidance of the Campus Life supervisor. The Student Council is the governing body of the ASWCC and provides services and social activities for students. They also represent students’ views to the administration and Board of Trustees through participation on the Governing Board and college committees.

Bookstore
The Bookstore is located in Building 200. In addition to making available for purchase the required books for each class, the bookstore also sells assorted supplies (binders, pens, paper, etc.) For dates and times, call (530) 661-5790. Toll-Free: (800) 434-1443 (Marysville)
Book order: www.efollett.com

CalWORKs
The CalWORKs program offers services for eligible students in the following areas: Counseling, Job Placement, and Child Care. Please contact the CalWORKs office at (530) 668-3681 for more information.
Cooperative Agencies Resources
For Education (C.A.R.E)

The Cooperative Agencies Resources for Education (C.A.R.E.) is a state-funded program which was developed to provide education opportunities for persons receiving TANF benefits. CARE is designed to provide support towards student retention and academic success and to assist eligible students in their academic and/or vocation objectives. The program provides academic, vocational, and personal counseling; financial assistance, book grants, supplies, access to the CARE library, child care, transportation, tutoring and peer counseling. (See also E.O.P.& S. section) For further qualification information, please call (530) 661-5728. The EOP&S Office is located in Building 700, Room 743.

Child Development Center

The Child Development Center is located at Woodland Community College in building 1000. Infants and toddlers (3-36 months), preschoolers (3-5 years), and school-age (5-7 years) are served at the Child Development Centers. State Preschool is available 9:00 a.m.-Noon at no charge to eligible student-parents. Early morning and Noon-10:00 p.m. child care is also available on a sliding scale fee rate. Facilities are available for outdoor and indoor play, learning activities, and naps.

The centers hours of operation are dictated by the semester class start dates and times. (Times may vary with each campus; check local campus hours.) Evening hours availability is dependent on enrollment numbers.

Community Education

Community Education is a program of noncredit fee-based classes and activities designed to serve individuals with educational goals that do not require college credit. Its goal is to fulfill a role which enables the community to improve the quality of their lives through continuing education. There are no transcripts, grades, or academic requirements. Many classes are offered in response to an expressed interest or need by a specific population or organization. Obtain a Community Education schedule of course offerings by telephoning the Community Education Office at 530-741-6825.

Cooperative Work Experience Education

Cooperative Work Experience Education (CWEE) is a class designed to recognize learning that occurs on-the-job. In order to qualify, a student must (1) be concurrently enrolled in a minimum of seven units which can include units earned in CWEE (enrollment in one other class during summer session) and (2) develop specific learning objectives approved by the employer and Yuba College. A complete description of Cooperative Work Experience Education is found in the “Programs and Courses” section of this catalog. Please call 530-668-3682 for more information.

Counseling

Community colleges are distinguished by the personal attention given to students and the quality of guidance and counseling services provided. Counseling is an essential part of WCC, designed to complement and facilitate the instructional program and to aid students in academic, career, and personal planning.

Counselors provide services for helping each student:

- Analyze aptitudes and interests and learn decision-making processes related to academic and career planning.
- Determine the best educational program for achieving a chosen career.
- Select courses and college activities to maximize the student’s opportunities and potential.
- Develop a student educational plan that encompasses both the course work and supplemental needs of the student.
- Plan a transfer program which leads to acceptance with junior standing at an upper division college or university, if such is the choice.
- Resolve personal problems which are of such a nature that a college counselor can be of professional assistance.

INDIVIDUAL COUNSELING. Every student is strongly encouraged to see a counselor at least twice each semester to confer on matters pertaining to satisfactory adjustment to college life and progress toward educational/career goals.

Since accurate information about program requirements and course prerequisites is essential for planning courses of study, counselors serve as valuable resource people in helping select appropriate courses. Pre-transfer students are urged to consult with counselors and with the catalogs of the institutions they wish to attend in order to be certain they fulfill all lower division general requirements and specific major requirements of the upper division colleges of their choice.
Counseling also offers a variety of services and resources designed to aid students in choosing, changing, or confirming career goals and taking appropriate steps to reach those goals. Students are advised to make their vocational plans or to select the school to which they wish to transfer as early as possible in their college career. Frequent changes of program or changes in vocational objectives may delay graduation or interfere with successful transfer to other collegiate institutions. Responsibility for meeting these requirements rests entirely on the student.

WCC has counselors available at WCC in Woodland and Colusa. Students are encouraged to use the counselors' expertise as they progress through their programs.

**GROUP COUNSELING/ORIENTATION.** WCC provides several types of orientation programs: registration briefing sessions, self-paced orientation courses, career and college planning courses (Counseling 10, 15R, 15AR, 15BR, 45, and 75).

WCC counselors provide essential information concerning college graduation and transfer requirements, rules and regulations, and registration procedures for Yuba College programs.

**Disabled Student Program & Services.**
The Academic Accommodations Center is located in Building 700, Room 755, was designed to equalize vocational and educational opportunities for students with a disability that impacts upon their educational progress, e.g., vision, hearing, psychological, specific learning disability, etc. Interested students should contact their Center staff for more information on eligibility and support services. Interested potential students should contact the program at (530) 661-5797 -- TTY (530) 661-5786. Eligible students should contact their Center early because preparation of academic accommodations takes extra time. Special parking is provided for those students who have a DMV placard or special DMV license plates. Special parking arrangements can be made, on a temporary basis, for some students who are not entitled to DMV plates/placards but have a short-term need. Contact the WCC police for additional information.

**Economic Development Mission**
The Yuba Community College District works with employers and community agencies to deliver customized training for employability and for upgrading work force skills. Call (530-741-6984) for information about these activities.

**Extended Day and Outreach Programs**
The Outreach Program, planned to serve the diverse needs of the adult population of the entire District, accomplishes its aim through several facets:
- The On-Campus Late Afternoon and Evening Program;
- The Off-Campus Program providing service at sites throughout the District wherever fifteen or more individuals identify an educational need the College may properly meet;
- Short Term Courses, as short as one day or a weekend, when appropriate to meet an identified need;
- State-approved Non-Credit Courses to meet needs of adults which are not properly met through credit courses; and
- The Public Events Program which sponsors cultural events, speakers, musical events, and other activities not appropriate as credit or noncredit courses.

**Extended Opportunity Programs and Services (E.O.P.&S.)**
E.O.P.&S. is a state-funded program that provides financial assistance and educational support services to eligible financially and educationally disadvantaged, non-traditional students. E.O.P.&S. includes intensive supportive services which enhance the potential for student retention, successful completion of academic and vocational programs, and transfer to other educational institutions. Some of the services offered include career planning, academic and transfer counseling, tutoring, peer support, and advising. For further qualification information, please call (530) 661-5728. The EOP&S Office is located in Building 700, Room 743.
Financial Aid

The Yuba Community College District has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. If you need help in bridging the gap between your own resources and the cost of attending college, stop by the Financial Aid Office in Building 700, Room 711 or 712. Fill out a student aid application and talk with a staff person, or call (530) 661-5725.

It is not too late to apply for a PELL grant for the school year. Students need to complete a Free Application for Federal Student Aid (FAFSA) which is available in the Financial Aid Office. Four weeks after mailing the FAFSA form to the processing center, students will receive a Student Aid Report (SAR). This report should be brought to the Financial Aid Office as soon as it is received. The Financial Aid staff will help you through the rest of the awarding process. Applications should be completed as soon as possible. FAFSA may be filed on line at www.fafsa.ed.gov.

Health Services/ Insurance

The Yuba Community College District does not provide routine treatment for illness or injury and does not pay for medical costs resulting from an on-campus injury. However, all students are covered by an accident policy as explained below.

Students are covered by an accident insurance policy up to a maximum of $20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District’s accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Small Business Development Center (SBDC)

WCC SBDC offers free, confidential, one-on-one counseling, low cost seminars and workshops and referrals for specialized business information and resources. These services are available to current or prospective small business owners. bi-lingual counseling, business planning, cash flow analysis, loan package facilitation, marketing/sales planning, cost projections, revenue projections, E-business planning, permit/license assistance, accounting, tax planning, government procurement, sources of financing, location/lease review, sale or ownership transitioning. The SBDC offers Pre-Business Workshops, an Introduction to Quick Books class and a 14-week entrepreneurial training class. These hands on intensive training classes cover a variety of topics of interest to small business owners such as, business plans, marketing plans, financing options, operations, loan application, time management, etc. Outside experts are invited to speak on specific subjects like income taxes and small business loans. Completion of this class entitles the student to be able to apply for special Micro-Enterprise funding through the County of Yuba. If you already have a business up and running you are immediately entitled to the free counseling and low cost training classes in key business skills. For further information, or to schedule an appointment, call the SBDC Woodland Office (530) 822-0140.

Library/Media

The Library offers a collection of books, magazines, newspapers, pamphlets, tutorial cassettes, videotapes, and internet access through our OML (Open Media Lab). The District is also a member of the Mountain Valley Library System. This system is a cooperative network designed to provide answers or materials not available in the Library. For library services, call (530) 661-5740; Media services (530) 661-5723. The Library hours are Monday-Thursday, 8am-7pm, and Friday 8am-5pm.

Transfer Center

The Transfer Center is a clearinghouse for transfer activities and programs. It links the Yuba Community College District with campuses of the University of California, the California State University system, independent, and out-of-state colleges and universities. The Transfer Center has a strong commitment to serving all students, with a key focus on under-represented students. The Transfer Center offers the following services: A resource library of college catalogs, transfer guides; Appointments with representatives from four-year institutions; workshops in a variety of areas. The Transfer Center is located in Building 700, Room 749. Call (530) 661-5730 for more information.
**Tutoring Center**

The Tutoring Center provides free help in most subjects and is available to all registered students. If you need tutoring or wish to be a tutor, come to the Tutoring Center. It is located in Building 800, Room 809. For more information, call (530) 661-5733.

**Veterans Affairs**

The Yuba Community College District is approved for the training of veterans and dependents under various laws of the United States and California. All veterans who plan to collect benefits must consult a counselor who will provide guidance in selecting programs which qualify the veteran for benefits. The student must also be approved through the Veterans Affairs Office of the Yuba Community College District. For more information on veteran’s benefits, call (530) 661-5736 -- TTY (530) 741-6994.

**Workforce Investment Act (WIA)**

The Workforce Investment Act (WIA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have unmet needs after applying for the tuition fee waiver and financial aid. Acquiring employment, retention, and self-sufficiency through training are priorities with WIA. The W.I.A. office on the Marysville Campus is part of the Yuba College One Stop Center. It is located in room 121. Office hours are Monday through Friday, from 8:00 AM to 5:00 PM. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Contact them to see if you qualify for on-the-job training, books, supplies, childcare, tools, fees, testing, transportation assistance, and other school related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOP&S, CARE, re-entry, unemployment, scholarships, and certain types of disability income and still qualify. For more information, please call (530) 741-6830 or email: jdech@yccd.edu.

**WCC Upward Bound**

As an academic preparation and enrichment project funded through the federal TRiO programs, Upward Bound provides services to its cohort of 50 participants who are economically and educationally disadvantaged in Colusa County. Participants vary from Maxwell High School, Pierce High School, and Williams High School. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll into higher education by providing academic advising, counseling and motivational support services. Strategies include meeting with academic advisors knowledgeable of the nations’ postsecondary institutions, receive academic advising in course selection for college/university admissions, test preparation in the SAT/ACT, supplemental tutoring/instruction in high school curriculum content, and participate in educational/cultural activities. During the vacation sessions from the high school, participants attend college visits, partake in summer residential academy, and attend social activities such as time-management, leadership, and communication.
Woodland Community College
Foundation

**History:** The WCC Foundation was established in 1972 to support programs, services and scholarships that would help to improve student life at the campuses and centers of the Yuba Community College District. Throughout the subsequent decades, numerous gifts and sound investing have built the corpus of foundation funds to a level approaching $5 million dollars, making the WCC foundation one of the larger community college foundations in the State of California.

**Donations:** As a registered 501 (c)(3), WCC Foundation, Inc., is able to assure that all gifts received by the foundation are fully tax deductible. The foundation has received direct support through gifts of cash, real estate, equities and art throughout it’s 30 years of operation. Additionally, planned gifts such as wills, charitable remainder trusts, and insurance policies have benefited the foundation’s programming capabilities. In-kind gifts, such as laboratory equipment, usable automobiles, and classroom supplies, if properly appraised, can also provide the donor with a tax deduction. The Foundation office can be reached at (530) 749-3868 to discuss options for giving.

**Programs:** The WCC Foundation has supported literally hundreds of projects, programs, services and scholarships throughout its thirty years of operation. In recent years, direct support from the foundation has provided networking equipment for Clear Lake Community College, laboratory support for the Administration of Justice Program in Marysville, marketing materials for student recruitment at Woodland Community College and hundreds of thousands of dollars in direct student support through scholarships or book grants. On the average, between 45-50 projects and scholarships per semester receive support through donations to the Woodland Community College Foundation.

**Governance:** WCC Foundation is overseen by a Board of Directors, with representatives from the WCC service area.
Admissions

The Yuba Community College District does not restrict admission to residents of the District, nor does it restrict the privilege of District residents to attend any other community college. Nonresident students are accepted on the same basis as California resident students, except that State law requires a tuition charge (see “Residency Requirements”).

OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, Veterinary Technology, ADN, LVN, Psychiatric Technician, etc.);
- Courses closed by maximum enrollment of students by the “priority registration” policies;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Applicants may apply for admission on-line by going to our website at www.yccd.edu. Select the campus you plan to attend. Use the “Quick Links” section. Select “Apply Now!” and follow the instructions. A paper Registration Application is also in the back section of this Catalog for students who do not want to access the on-line application.

Admission to Impacted Programs: Associate Degree Nursing (ADN), Psychiatric Technician, Veterinary Technology, Vocational Nursing, and Radiologic Technology require a special application. Contact Yuba College in Marysville, or call (530) 741-6786 for details, application, and deadlines.

Foreign students must obtain a special application which will be mailed upon request from the Foreign Student Admissions Office, located on the Yuba College campus in Marysville or call (530) 741-6705.

Age and/or High School Graduation Requirement: In general, all full-time students must have earned a high school diploma, a State Certificate of Proficiency, or the equivalent, or be 18 years of age as of the date of registration, as provided in Section 76000 of the Education Code, and meet Federal “Ability to Benefit” requirements.

Concurrent Enrollment of High School Students: A high school student who has completed the EIGHTH grade may be admitted on a part-time basis subject to the following requirements with the written recommendation of the high school administrator and the parent’s permission: no Physical Education courses may be taken; students must have met any course prerequisite requirements; students are required to fulfill the minimum day requirement at their high school, or, for charter/home-schooled students, the parent has to verify that the proposed college course work will not interfere with the student’s basic high school course work; charter or home-schooled students must present a grade equivalency certification documenting the grade level the student has achieved; charter or home-schooled students must present a copy of the affidavit submitted to the State or County Office of Education to document the student’s involvement in an educational process; concurrently enrolled students receive the lowest registration priority. Students must be certified to be eligible for advanced scholastic or vocational coursework. Contact the high school administrator for information concerning authorization to enroll. Students are subject to all rules, regulations, and fees of the College. The enrollment fee will be waived for eligible students, but the Student Services fee (and non-resident tuition if applicable) will be charged.

Application Process Steps to Apply for Priority Registration:

- File an application for admission.
- File high school and college transcripts; transcripts must be received by direct mail from the issuing institution or hand-carried in a sealed official envelope.
- Complete the District Placement Examination (CPT). The test should have been completed within the last three years or it is suggested that it be repeated. It may be taken twice in a two-year period.

YOU WILL THEN BE GIVEN A REGISTRATION APPOINTMENT TO:

- Participate in an orientation program to become acquainted with the District’s programs, services, academic expectations, procedures, and regulations.
- Meet with a counselor to develop an educational plan appropriate to the student’s goals and present learning skills. Counselors can suggest programs that will strengthen a student’s learning skills.
Residency Requirements

California state law mandates that each student who applies for admission to provide residency information and evidence as deemed necessary by the Admissions Office to determine the student’s residence classification. The following rules regarding residency determination are not a complete explanation. For further information, contact the Admissions Office. These rules are subject to change at any time in accordance with State law.

The residency determination date is the day prior to the first day of instruction for each semester.

General Rules for Residency:

1. Persons who are 19 years of age or older may establish residence in accordance with the criteria listed below. Year of residence must begin after the eighteenth birthday.

2. Persons who are under 19 years of age may establish residence in accordance with the criteria listed below and the following: (a) Married minors may establish their own residence, and (b) an unmarried minor derives residence from the parent with whom he or she is residing. If the student lives with neither parent, residency is derived from the parent with whom he or she last lived. (The residence of an unmarried minor who has a parent living cannot be changed by her or his own act, by appointment of a legal guardian, or by relinquishment of a parent’s right of control.)

3. Active duty military personnel stationed in California are entitled to resident classification.

4. A dependent child or spouse of an active duty military person stationed in California is entitled to residence classification.

5. A member of the armed forces of the United States stationed in California on active duty for more than one year immediately prior to being discharged will be granted a “one-year grace period” in order to establish California residency. Establishment of residency requires physical presence and acts of intent be demonstrated for one full year.

6. Persons who have had a “permanent residence visa” for one year may establish residence in accordance with the criteria listed below.

7. Non-resident and non-citizens (other than “nonimmigrant aliens” who are out of status with INS) who have attended a California high school for at least three years and who graduated from a California high school may be eligible for an exemption of the non-resident tuition. (Pick up an AB540 application form at the Registration Office.)

8. A student who was classified as nonresident and is seeking reclassification as a resident MUST show financial inde-
Foreign Student Admission

Under Federal law, Yuba College is authorized to enroll students on F-1 student visas for two-year vocational and transfer programs. Foreign students applying for admission must request application forms from the Foreign Student Admissions Office.

The deadlines to apply are May 15 for the fall semester and December 15 for the spring semester. Since applications will not be considered until all required documents are on file, students are encouraged to request applications early.

To be considered for admission, a foreign student must meet specific criteria and agree to:

• Pay Tuition and Enrollment Fees at the time of registration. (See current fees in Schedule of Classes.) The Enrollment Fees and Student Services Fee are also due at the time of registration each semester.
• Complete the required application packet which consists of:
  1. Application form, including a recent photograph
  2. Copies of high school and college transcripts
  3. A TOEFL examination with test scores sent from the testing service to Yuba College (minimum score of 475 is required.)
  4. A letter of English Proficiency
  5. A certified financial statement, showing evidence of support, in U.S. dollars, for duration of the time in the U.S. (should be able to provide approximately $10,000.00 annually without planning to work while in the U.S.)
  6. A letter of recommendation
  7. A certificate of health to include a special test for tuberculosis.
  8. A $25.00 Application Processing Fee.

• Purchase hospitalization policy (approximately $150.00 per year).
• Pursue a specific degree program.
• Register in required English courses each semester until graduation requirements are met.
• Complete a minimum of 12 units each semester with at least a “C” average.
• Complete academic program in a maximum of six semesters.
• Work with the Foreign Student Assistant to meet all requirements for foreign students.
• Provide own housing.

Only those students who agree to each of the above requirements and meet the above criteria will be considered for admission to Yuba College. Applicants who are accepted to Yuba College will be mailed the Immigration and Naturalization Form I-20.

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All new, transfer, and returning students (who have not attended a Yuba Community College District class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. The Yuba Community College District is committed to helping students achieve their educational goals through the matriculation process, which includes:

• Admission to the College
• Assessment of English, mathematics, and reading skill levels
• Orientation, which provides information about programs and services, academic expectations, and procedures
• Counseling to assist in defining goals and developing a plan to achieve those goals
• Registration for classes
• Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. (NOTE: These exemptions do NOT provide clearance for PRIORITY REGISTRATION or enrollment into specified English, mathematics, or reading courses.)

• Have completed an Associate or higher degree – provide verification of degree
• Concurrently enrolled in high school - need permission form signed by parents and high school official
• Enrolled only in classes for which they have approved previous training (i.e., firefighters taking a fire science class);
• Enrolled in fewer than 6 units;
• Do not plan to earn a degree or certificate;
• Completed at least 24 units at another college within the past three years and were in good standing – verification required;
• Enrolled in ONLY performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
• Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Performance Courses Eligible for Matriculation Exemption:

Performance Courses Eligible for Matriculation Exemption:

Note: Students wishing to take a course for general interest or for personal/professional improvement should contact the Registration Office for enrollment dates. Students will be expected to meet any academic prerequisites regardless of the purpose for taking the course.

Exemption from taking the PLACEMENT EXAM ONLY may apply to students who:

• Have completed previous course work in English, mathematics and reading.
• Have completed placement tests at another post-secondary institution - provide documentation.

Students seeking an exemption from the matriculation process must submit an exemption form. Forms are available at all registration sites.

Matriculation – Students’ Rights, Challenge, and Complaint process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Dean of Student Development, who is responsible for investigation and resolution. The Dean will maintain a file on all formal challenges and complaints.

Students who meet the criteria and receive an exemption from a Yuba Community College District counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

• For the purpose of registration status classification, such a student will be classified as a NON-MATRICULANT.
• For purpose of academic classification, the student’s statement on the registration form will be accepted without verification.

Students classified as NON-MATRICULANTS will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan.
Registration Procedures

Continuing students should schedule a counseling appointment for assistance in registration, advising, and completion of an educational plan.

All other applicants should file a Registration Application, complete the Placement Examination, and have high school and/or college transcripts sent to the Registration Office at the local YCCD campus. Applicants will complete orientation and meet with a counselor to discuss educational plans and select appropriate courses for registration.

OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, ADN, LVN, Psychiatric Technician, etc.);
- Courses closed by maximum enrollment of students by the “priority registration” process;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Student Responsibility Regarding Registration

Students should acquaint themselves with District policies and procedures, study this Catalog and the Schedule of Classes, consider the curricula carefully, and plan the courses needed for graduation and required for their majors as well as courses desired for electives before reporting to the Registration Office.

Students must assume complete responsibility for fulfilling all requirements to meet planned objectives. Students on probation should carefully consider the consequences of their status when planning for registration.

Assessment

Assessment services include counselor appraisal of previous college and/or high school work (transcripts should have been sent to the District), as well as, placement (CPT) examination scores, and other information such as number of hours working, etc., that may have an effect on student goals. Assessment is used to advise students about courses and services most appropriate to their skills, educational backgrounds and career goals. (See also “Placement Examination” section for other information.)

Change in Enrollment

Students wishing to change their course enrollment may add or drop classes using telephone registration, WebAdvisor registration, or by submitting the appropriate forms to the Registration Office. Full-term courses may be added during late Registration period (see “Schedule of Classes”), later only in special cases and with instructor approval.

ENROLLMENT FEES. Enrollment fees for classes that are dropped on or before the refund deadline (fourteenth calendar day for full-semester classes or ten percent of a short-term class) are credited to the student’s account. (See “Refund” section of this Catalog.)

If a class is dropped prior to the end of the fourth week of a regular semester (30% of term for short-term courses), no notation of the course will be entered on the academic record. If a class is dropped after that time but prior to the end of the thirteenth week of a regular semester (75% of term for short-term courses), a “W” will be entered on the academic record. If the drop is processed after that time, State law provides the grade must be other than a “W,” and usually it will be a failing grade.

It is the student’s responsibility (not the instructor’s) to process all Adds and Drops. This is not an automatic process. Students who discontinue attendance in any class without officially dropping the course are subject to a failing grade. If the student drops a class using telephone registration or WebAdvisor, it is the student’s responsibility to check that drops (or adds) were correctly processed.

Maximum Unit Load

The average student load is 16 units per semester. A counselor will allow a student to register in an excess of 16 units only when it is necessary. In any case, 19 units is the maximum load which may be approved (limited to 16 maximum for a student on probation). Units in excess of 19 are allowed only for the most urgent reasons and on the basis of counselor approval.

Eight units is the maximum in which a student may register during the summer session without counselor approval (signature).
Placement Examinations

The purpose of the Placement Examination is to assess each student’s skills in mathematics, reading, and writing, and determine the appropriate beginning courses in each discipline. The placement system is designed to place students into courses in which they may build on their current skills and advance through the curriculum at the pace best suited to their needs and abilities.

All students who plan to enroll in English, mathematics, or reading courses or courses with a heavy reading content or math content; those who plan to graduate or transfer units to another institution; and concurrently enrolled high school students are required to complete the Placement Examination prior to enrolling into classes. The examination generates a profile of each student’s reading, mathematics, and writing skills based on test scores and other information supplied by the student. Placement based on this multiple measures approach is mandatory. Students may challenge the placement by filing a prerequisite challenge form with the Dean of Student Development. The results of the challenge are final. Students should seek counselor assistance when filing a prerequisite challenge.

Students may take the Placement Exam no more than three times in a 2-year period and not more than twice in any semester. There is a 14-day waiting period for retests. The placement examination may not be used to supplant a failed prerequisite course or to skip a course in a sequence of courses. Placement scores may be valid for up to two years.

Students may transfer test scores from another institution for use at YCCD, provided the test used is approved by the Chancellor as a Second Party Assessment Instrument, and provided the scores can be translated to the YCCD Placement System. It is the student’s responsibility to have the other institution provide the score report to the Assessment Center. Placement will be made in accordance with current placement policies and procedures, and may differ from the placement at the previous college. Students have the option of taking the Placement Exam instead of transferring their scores.

Students who wish to transfer to a 4-year institution should consult a high school or college counselor about taking other tests. Some institutions require SAT or ACT test scores from transfer students. SAT and ACT are not approved for use in California Community Colleges, and Yuba College does not offer either test at college sites. Students should consult the SAT or ACT test guides available at the Assessment Center for test dates and locations, or visit the appropriate WEB site.

Students who wish to take the Yuba College Placement Examination should contact one of the Assessment Centers listed below, or contact any YCCD Counselor. The Placement Examination also is offered at selected high schools. Yuba College: 530-741-6864; Woodland Community College: 530-661-5700; Clear Lake Campus: 707-995-7900; Beale AFB Center: 530-788-0973.

Students with disabilities or special testing needs should discuss options and accommodations with a counselor and/or Disabled Students Programs and Services staff. YCCD Assessment Centers comply fully with the provisions of the Americans with Disabilities Act.

For your privacy and safeguarding of your records, photo identification is required for all testing transactions.

Placement Levels

Placement scores identify the course level appropriate for each student’s level of academic skill in English, mathematics, and reading. After successfully completing the placement-level course, students advance to the next level, and continue to progress until degree requirements are met. All students are encouraged to seek counselor advice in selecting courses appropriate for their educational goals.

ADVISORY PLACEMENT LEVELS FOR COURSES REQUIRING COLLEGE-LEVEL SKILLS.

Many “entry level courses” that are numbered 1-99 carry credit/units that apply toward the associate degree and require college-level language and/or computation skills for successful participation. It is recommended that students meet the following criteria if they plan to enroll in any course with a description that includes an “L” and/or “M.” “L” means college-level language skills are recommended and “M” means college-level computation skills are recommended. These requisites are advisory only.

Students may meet the recommended criteria for “L” courses by:

1. Achieving a Reading Placement Code of “3004” or higher; or achieving a grade of “C” or better in Reading 70; or concurrent enrollment in Reading 70; or
2. Achieving an English Placement Code of “1003” or higher; or achieving a grade of “C” or better in English 105/106; or concurrent enrollment in English 105/106.

Students may meet the recommended criteria for “M” courses by:

1. Achieving a Mathematics Placement Code of “2003” or higher; or completing Math 110. General Business 100, or Math 111 with a grade of “C” or better; or concurrent enrollment in Math 110, General Business 100, or Math 111.

Schedule of Classes

The Schedule of Classes is published each semester. The Schedule includes registration procedures, course information, critical deadline dates, the official Academic Calendar, and other important information for students.

Unit of Academic Credit

THE UNIT OF CREDIT IS THE SEMESTER HOUR. The value of a course is computed on the basis of one unit of credit for each hour of lecture or discussion and two-to-three hours of laboratory. Courses meeting less than a full semester will require an equivalent number of hours prorated on a per-week basis. Two hours of outside preparation are normally required for each semester hour of class lecture. In order to earn credit in a course, the student must complete the course; no partial units of credit are allowed. To serve the purposes of the students and the District, courses may on occasion be offered for less than the number of units indicated in the Course Outline.

Fees and Expenses

All fees quoted below are those known at the time this Catalog went to press.

STATE-MANDATED ENROLLMENT FEE. All students (unless at the time of registration they qualify for exemption* under State mandates) are subject to an Enrollment Fee. These fees are established by the State legislature and are determined at the time of enrollment by the student’s unit load. The current fee is $20.00 per unit.

*Exemptions: State regulations provide the following three programs to help eligible low income students with California residence status to have the Enrollment Fee waived.

• Board of Governor’s Waiver Program A. For any student who, at the time of registration, is a recipient of (1) TANF (Temporary Assistance for Needy Families); (2) SSI/SSP (Supplementary Security Income/State Supplementary Program); (3) General Assistance/General Relief Program; or (4) The California Department of Veteran Affairs or the National Guard Adjutant General’s Certification of Eligibility for a dependent’s fee waiver.

• Board of Governor’s Waiver Program B. For low income students who meet eligibility requirements.

• Board of Governor’s Waiver Program C. For low income students who qualify for Financial Aid.

Prior to registration, students in any of these categories should obtain the appropriate application materials from the Financial Aid Office for exemptions.

NONRESIDENT/NON-CITIZEN TUITION. Students who have not established California residency in accordance with state regulations (see Residency section), will be required to pay the Nonresident Tuition Fee of $178.00 per unit. Students who are both citizens and residents of a foreign country are required to pay $195.00 per unit.

STUDENT SERVICES FEE. ALL Students are required to pay a $6.00 Student Services Health Fee each semester/summer session. Students who depend exclusively upon prayer for healing in accordance with a bona fide religion, sect, or denomination (upon written verification from an authorized church official) are exempt from paying the Student Services Health Fee. This church documentation must be submitted to the Vice President’s Office for the exemption.

PARKING FEE. Students and staff who drive vehicles on campus will pay a Parking Fee and be issued a decal. The cost is $40.00 per semester; $20 for summer session.
As an option, students may purchase a $1 daily parking pass in lieu of a semester decal. The Parking Fee covers day and evening campus attendance. All non-student, seasonal, and short-term employees may park in the General Parking Lots and must display either a valid semester parking decal or a $1 parking pass.

**These fees are nonrefundable after the fourteenth calendar day of the full-semester or the first ten percent of classes for short-term classes.**

OTHER FEES. The Associated Students of Woodland Community College collect a voluntary annual A.S.Y.C Fee of $10.00 per year, $5.00 per semester for services and benefits.

All students should be prepared to purchase their own books, which are sold at the Bookstore. Direct school expenses for the entire year, including books, will probably average $600 to $700; book costs for pre-professional students (such as engineering and medicine) will run somewhat higher.

Students in some health-care courses and programs (such as Nursing, Psychiatric Technician, Radiologic Technology) are required to purchase drug testing, film badges, pay for a background check, and other related items for the program. The BOGW enrollment fee waiver does not cover these charges.

Estimated total expenses, including personal expenses and travel, for a California resident is $8,450.00. A sample budget for an average CALIFORNIA resident for one year is shown below:

**Refunds**

All Enrollment Fee refunds are subject to a $10.00 Processing Fee. This Fee will be charged only once per each semester of enrollment. Any refund processed for less than $10.00 will not be assessed an additional Fee.

**BOOK REFUNDS.** Full refunds will be made, at the College Bookstore, for books purchased for the current semester up to two weeks after the start of that semester; one week for summer session. Receipts are required for all refunds and new books must be unmarked and in new condition.

---

**ENROLLMENT/STUDENT SERVICES FEES/ NONRESIDENT TUITION.** Students are eligible for a refund of these Fees if the procedures below are followed.

- The student “officially” drops the class on or before the refund deadline (fourteenth calendar day of the semester or ten percent of a short-term class), AND
- The drop(s) reduces the student’s currently enrolled unit load, AND
- A refund request form is filed with the District Cashier.

When students request a fee refund, they should be aware of the following.

- Students must make a written request to receive a refund of fees.
- Refunds will NOT automatically be issued.
- All enrollment fee refunds are subject to a once-a-semester $10 Processing Fee.
- If fees were paid by check, there will be a waiting period until that check clears through the student’s bank before refunds can be processed.
- For refunds a student must complete a Request for Refund and a check will be mailed.

Official Drops -- may be submitted through WebAdvisor, telephone registration, or in person at the Registration Office. It is the student’s responsibility to ensure all drops are processed.

**PARKING FEES.** Students who withdraw from classes before the fourteenth day of the semester (dates vary for short-term classes) may apply for a refund of the Parking Fee. The parking sticker must be returned to qualify for the refund.

**PRO-RATA REFUNDS.** A financial aid student attending the Yuba Community College District for the first time who is a nonresident will be granted a pro-rata refund of those fees if he/she withdraws from all classes prior to the 10th week of the semester (in full-semester classes). Contact the Financial Aid Office for more information. An Administrative Fee of $100 or 5% of the total charges (whichever is less) will be collected for each pro-rata refund processed.
Financial Aid

Financial Aid Program

The role of the Financial Aid Office is to help eligible students pursue their educational goals. The objective is to equitably provide funds and services to eligible students and, to the extent that funds permit, not deny a student the opportunity for an education simply because of lack of money. The Financial Aid Office attempts to fill the financial gap that may exist between the cost of education and the money available to students from family, employment, savings, and other resources.

CRITERIA AND PROCEDURES FOR FINANCIAL AID.

In order to treat all students equitably, standardized budgets are established and are applied to all applicants. Typical expenses for an academic year for a California resident living with parents to attend YCCD are: State-mandated Enrollment Fee, $20 per unit; Parking Fee, $100; Student Services Fee, $10 per semester/$6 for Summer session; Room/Board, $3,240; Books/Supplies, $1,260; Personal expenses, $2,214; Transportation expenses, $864.

The application form to be used for most financial aid programs is the Free Application for Federal Student Aid Program (FAFSA). In order to determine “need” for financial aid funds, taxable and nontaxable income information is necessary. Award funds are made based on this need. Income, assets, debts, size of family, and number of family members in college are important factors considered in the calculation. This information is reported on the application form and forwarded to the central processor for further processing. Supporting documentation is required by the Financial Aid Office.

DEADLINE FOR FILING FINANCIAL AID APPLICATIONS. March 2nd is the deadline for students who want consideration for Cal Grants and Federal work-study. Students are encouraged to complete the FAFSA even if they have missed the March 2nd deadline. Students who complete the FAFSA after the March 2nd deadline may qualify for a Pell Grant or loan.

SATISFACTORY ACADEMIC PROGRESS. Students awarded financial aid funds are required, by Federal law and Yuba Community College District policy, to make satisfactory progress towards their educational goal. The specific requirements are outlined in the Financial Aid Handbook which is available at the Financial Aid Office. Academic Progress is necessary in order to continue receiving funds.

Programs Available to Yuba Community College District Students

- Scholarships. Many scholarships are available to help students to meet the cost of education. These scholarships become available through private support from individuals and organizations in the Yuba Community College District communities who have contributed to scholarship funds.

- Most scholarships are based on academic achievement; other are based on financial need. A complete listing of all scholarships offered, eligibility requirements, deadline dates, and application information is available in the scholarship handbook at the Financial Aid Office.

- Grants. Federal, State, and Institutional grant programs are available to eligible Yuba Community College District students. These funds are based on financial need criteria and paid two times per semester. Included are Federal Pell; Federal SEOG Supplemental Educational Opportunity Grant; BIA (Bureau of Indian Affairs) Grant; E.O.P.S. (Extended Opportunity Program & Services) Grant; CARE (Cooperative Agency Resources & Education) Grant; CAL GRANTS B and C, and Federal.

- Work-Study. The Federal Work Study Program provides jobs for eligible students awarded FWS funds as part of their financial aid package. An award offer is not a job guarantee. The Placement Office helps eligible students locate employment. College units may also be available for this job experience; contact a counselor for more information. This popular program provides invaluable work experience and a flexible work schedule for students attending Yuba College. The CalWORKs Work-Study Program coordinates with the Federal Work Study Program on a student-by-student basis.

- Federal Stafford Loan. Student loans are available to eligible students, including subsidized and un-subsidized. The interest rate of 8% is available through many participating banks, savings and loans, and credit unions. Eligibility information and application forms are available at the Financial Aid Office.

Hope Scholarship (Tax Relief)

The Hope Scholarship is actually a tax credit, not a scholarship. Tax credits are subtracted directly from the tax which is owed, rather than reducing taxable income like a tax deduction. A family must file a tax return and owe taxes in order to take advantage of it. The Hope Scholarship credit is not refundable for families who do not pay taxes. The federal government created the Hope Scholarship to allow families the opportunity to deduct the enrollment/tuition fees paid for attending college for income tax purposes. There are federal criteria and guidelines for deducting the fees for income tax purposes; consult a tax advisor if you have questions.

At the end of each calendar year, the Yuba Community College District will mail out a statement (Form 1098T) for students who meet the required criteria and who paid for the enrollment/ tuition fees (does not apply if fees were waived or paid by another agency).
If the student is a dependent (for income tax purposes), the student must contact the Business Office, indicating the parents’ name, social security number, and mailing address. The Internal Revenue Service requires this information be included with the student’s information or the parent will not be able to deduct the fees for tax purposes. It is the student’s responsibility to provide this information each calendar year since the District does not determine tax dependency.

**Lifetime Learning Credit**

The Lifetime Learning Credit is a tax credit. Tax credits are subtracted directly from the tax which is owed, rather than reducing taxable income like a tax deduction. A family must file a tax return and owe taxes in order to take advantage of it. The Lifetime Learning Credit is not refundable for families who do not pay taxes. The federal government created the Lifetime Learning Credit to allow families the opportunity to deduct enrollment/tuition fees for income tax purposes. There are federal criteria and guidelines for deducting the fees for income tax purposes; consult a tax advisor if you have questions.

At the end of each calendar year, Yuba Community College District will mail out a statement (Form 1098-T) for students who meet the required criteria and who paid for the enrollment/tuition fees (does not apply if fees were waived or paid by another agency).

If the student is a dependent (for income tax purposes), the student must contact the Business Office, indicating the parent’s name, social security number, and mailing address. The Internal Revenue Service requires this information be included with the student’s information or the parent will not be able to deduct the fees for tax purposes. It is the student’s responsibility to provide this information each calendar year since the District does not determine tax dependency.

**Clubs and Organizations**

Clubs and organizations cater to and meet the academic, social, and political needs of a wide variety of students; they provide participation in extracurricular activities both on- and off-campus. Information concerning clubs and organizations can be obtained from either the Student Council 530-741-6808 or Campus Life 530-741-6992. Certain clubs listed below may not be active during the 2007/08 Academic Year (depends largely on student participation).

- **Art Club**
- **International Student Association (I.S.A.)**
- **Associated Students of Movimiento Estudiantil Chicano de Aztlan (M.E.Ch.A)**
- **Woodland Community College (ASWCC)**

New Clubs for 2008-2009

- **Collegiate Agricultural Leaders** (the CAL Club – see Professor Brandi Asmus for more information)
- **Accounting/Business Club** (See Professor Sherry Spina for more information)

**Colors and Nickname**

The college colors are green, silver and black. The WCC mascot is the Eagle.

**Conduct and Discipline**

If a student’s conduct violates District rules or regulations, the Code of Conduct for Students, or public laws, the student will be subject to one of the forms of “sanctions” included in the Code, which are:

- **Admonition**. An oral statement to a student that he or she is violating or has violated District rules or legal statutes.
- **Warning**. Notice, orally or in writing, that continuation or repetition of conduct found wrongful, within a period of time stated in the Warning, may be cause for more severe disciplinary action.
- **Censure**. A written reprimand for violation of specified regulations, including the possibility of more severe disciplinary sanctions in the event of the finding in a violation of any District regulation or legal statute within a stated period of time.
- **Disciplinary Probation**. Exclusion from participation in the Financial Aid Program and/or in privileged or extracurricular District activities as set forth in the notice for a period of time not exceeding one school year; withholding of grades and/or transcripts, if on Disciplinary Probation due to refusal to meet financial obligation to the college, including a parking fine.
- **Restitution**. Reimbursement for damage to or misappropriation of property. This may take the form of requiring appropriate service or other compensation.
- **Suspension**. Exclusion from classes and other privileges or activities, including Financial Aid, as set forth in the notice for a definite period of time not to exceed two years; may include “Withdrawal of Consent for Student to Remain on Campus.”
• **Expulsion.** Termination of student status for an indefinite period. The conditions of readmission, if any, shall be stated in the *Order of Expulsion*. A copy of the Yuba College *Code of Conduct for Students* may be obtained from the Office of the Vice President of Students.

**Drama**

The Theatre Arts Department aims to provide its students with basic knowledge of the theater. Courses are integrated around the central idea of learning and producing. Work in acting technique, design, costing, makeup, lighting, technical production, and other crafts are all taught in theory and practice in the production of a variety of plays.

**Dress Regulations**

WCC students are expected to demonstrate maturity by exercising good judgment and taste in everyday attire. Whatever the student’s judgment, however, every individual is required to wear shoes or bona fide street sandals in all campus buildings. (Except when covered, the competition floors of the Gymnasium require gym shoes.) Instructors in charge of field trips and/or social events have authority to enforce additional dress regulations which they deem are required for the occasion.

**Drug Free School Policy**

The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated. **The Yuba District has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.**

It is the stated policy of the Yuba District to implement a comprehensive substance abuse strategy that will work more effectively in combating potential drug use and use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Adopted to implement this policy:

- The *Student Code of Conduct*, supported by *Education Code* Section 60041, prohibits the unlawful possession, use, or distribution of illicit drugs and/or alcohol by students on its property or as part of any of its activities.
- Information regarding applicable legal sanctions under local, State, and Federal law for the unlawful possession or distribution of illicit drugs and/or alcohol is available to all students through the WCC Campus Police Department, the WCC Campus Student Health Office, and the Dean or President’s office.
- Educational materials regarding health risks associated with the use of illicit drugs and the abuse of alcohol are made available to all students through the Student Health Office. More in depth information is available through the Chemical Dependency Program courses.
- Information regarding resources for drug or alcohol counseling and treatment are available through the Student Health Office.
- The Vice President of Student Services’ Office will keep records of all disciplinary actions and evaluate consistency of all enforcement.

**Selective Service Registration - MEN**

By law, virtually ALL MEN must register at age 18. The *Selective Service Registration Program* allows the government to keep an accurate list of names and addresses for young men, 18 through 25 years old. In a national emergency requiring expansion of our Armed Forces, the list would be used to call men for possible military service. By registering all young men, the *Selective Service System* makes sure a future draft will be fair. If you do not register, you could be prosecuted and fined up to $250,000 and/or be put in jail for up to five years. Registration is also required to qualify for Federal student financial aid, job training benefits, and most Federal employment. The *Selective Service Registration Form* may be obtained from the Yuba College Registration Office or from your local post office.

**Smoking Policy**

Smoking, or other use of tobacco, is prohibited within all Yuba Community College District buildings, including restrooms, dining areas, classrooms, laboratories, library, gymnasium, offices, and the theatre, along with any other interior building area, including quads. Smoking is only permitted on the Yuba College and Clear Lake Campus in outside open areas. Smokers are encouraged to deposit cigarettes, ashes, and matches in receptacles to maintain a refuse-free campus.

In the interest of public health, Woodland Community College became a tobacco-free campus effective August 18, 2003. Use of any form of tobacco is prohibited at all times in the following areas:

1. On all grounds and in all buildings of the Woodland Community College Campus.
2. In or on any space, building, or classroom leased or rented by the college.
3. In all vehicles owned or leased by the college.

This policy and these regulations apply to employees, students, visitors, and other persons who enter any Woodland Community College facility as described in paragraph one.
Student Activities

Believing that a variety of outside-of-class activities will give students an opportunity to develop their personalities and broaden their social lives under wholesome conditions, WCC conducts a carefully planned, faculty-sponsored activities program. Clubs, Associated Students of WCC, class and departmental organizations, publications, music and drama activities, and traditional events offer a wide and interesting field for student participation. Those opportunities for enjoyable participation in a program which stimulate social and individual development comprise one of the advantages of campus life at WCC. Every student is urged to engage in activities insofar as academic responsibilities permit.

Student Complaints Involving Faculty or other Staff Members

As a student who feels that he or she has been treated wrongly by faculty or other staff member (while performing his or her duties on or off-campus during an official college activity) and who seeks to remedy the situation, is advised to follow the procedures below. These procedures are to provide for due process and a remedy for the basis of the complaint:

1. Complaints Pertaining to Academic Matters
   • If the basis for the complaint is an academic matter, such as: grading standards, scores on assignments, laboratory procedures, skills performance, or other areas directly related to course content and requirements, the student SHOULD meet informally with staff member and attempt to resolve the complaint.
   • If the basis for the complaint is an academic matter as described above, and the student has met informally with the staff member in an attempt to resolve the complaint and the student is not satisfied with the results and wishes to pursue the complaint further, he or she then MUST meet with the immediate supervisor of the staff member (usually the Dean of Instruction) and advise this person of the complaint. The immediate supervisor will further pursue an informal remedy to the complaint.
   • In the event that informal attempts to resolve the complaint through the supervisor of the staff person are unsuccessful, the student may file a formal written complaint. The supervisor must respond to the formal complaint in writing within 30 working days.
   • If the remedy stated in the reply to the written formal complaint is objectionable to the student, he or she may send objections in written form to the President.

2. Complaints Pertaining to Alleged Mistreatment
   • If the basis for the complaint is mistreatment by a staff member, but is not "ALLEGED UNLAWFUL DISCRIMINATION OR SEXUAL HARASSMENT", the student SHOULD meet with the staff member and try to resolve the complaint informally. If the student has deep concerns and does not wish to meet informally with the staff member, he or she must meet with the supervisor of the staff member and pursue an informal remedy to the complaint.
   • If the complaint is not resolved informally through the supervisor, the student has the option to file a written complaint on Complaint Form A as described above. The written formal complaint will then be processed as described above.
   • If the complaint is an "ALLEGED UNLAWFUL DISCRIMINATION COMPLAINT" in relation to ethnic group identification, religion, age, sex (INCLUDING SEXUAL HARASSMENT), marital status, color, or physical or mental ability, the Discrimination Form is to be used. These forms are available in the offices of the President and the Deans and the procedures described on that form will be followed.

TAPE RECORDER USE

The use of tape recorders in classrooms requires the instructor’s permission. If a tape recorder is required as a result of a disability, the student should contact the Disabled Student Programs and Services for details.
Campus Police Department

The primary jurisdiction of the Yuba Community College District Police Department includes the Yuba College campus, Woodland Community College campus and Clear Lake campus. Jurisdiction also includes other grounds or properties owned, operated, controlled, or administered on behalf of the Yuba Community College District as outlined in the California Education Code Section 72330.

The Yuba Community College District Police Department is committed to the safety and security of all students, staff, and faculty attending or visiting Yuba Community College District. We pride ourselves on the development of a community-oriented relationship with those we are sworn to protect.

The Police Department thoroughly investigates all crime reports and encourages the YCCD community to report all crimes. The Department provides ongoing support and assistance to victims regardless of whether criminal prosecution is sought.

The Police Department is located in Building 100 on campus. The telephone number is 530-661-5722. An emergency telephone, which immediately summons an on-duty officer, is located at the front door of the Police Department Office (Marysville campus). The on-duty officer carries a cellular telephone which may be reached by dialing 530-870-1158.

Children in Class

Attendance in a class is limited to those students who are officially registered in accordance with State and District regulations. This includes high school students enrolled concurrently in the class. Children are prohibited from attending classes. Classes are limited in size, and no disruptions will be allowed in the classroom. In addition, the District assumes no liability for injuries that may occur to the child.
Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day Yuba Community College District (YCCD) receives a request for access.

If a student wishes to do so, he/she should see a counselor to start the process. The student folder contains copies of high school and college transcripts (if they were sent to YCCD by the student) and other data that may be important for student guidance. The District transcript includes summary information from other colleges attended when those transcripts have been sent to the District for evaluation. These records are available for review by the student with the counselor or Student Services administrator.

If this step does not cover the types of records requested, the student should submit to the Dean of Student Development, a written request that identifies the record(s) he/she wishes to inspect. The Dean will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Dean of Student Development, the Dean shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the District to amend a record that they believe is inaccurate or misleading. The student should write the District official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If Yuba College decides not to amend the record as requested by the student, the District official will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Services professional staff; a request to limit Directory Information must be made by a student within seven calendar days of registration. Directory information includes name, address, telephone listing, student class schedule, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height if a member of an athletic team, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended, and pictures for publicity purposes—such as this catalog and the regional newspapers. Other than directory Information, which may be released, no other data from a student’s records will be released without written authorization except to authorized college personnel upon the basis of need in relation to the student’s education or in response to a lawfully issued subpoena.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including law enforcement unit personnel and health or medical staff); a person or company with whom Yuba College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request,
the District discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.

Other than the permanent academic Yuba Community College District record, data is kept only as long as it is pertinent.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by WCC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   600 Independence Avenue, SW
   Washington, DC 20202-4605

**Academic Renewal without Course Repetition**

The Yuba College Governing Board, under Title V, Section 55765, permits the alleviation of substandard (“D” and “F”) academic performance, which is shown not to be reflective of the student’s recent performance. This policy is adopted for students who need a means of tempering their previous academic record so they may successfully accomplish an academic goal.

*Academic Renewal* is subject to the following conditions:

- The maximum amount of course work that may be alleviated is 30 semester units.
- Since the end of the semester to be alleviated, the student must have completed 12 semester units with a 3.0 Grade Point Average (GPA), 18 semester units with a 2.5 GPA, or 24 semester units with a 2.0 GPA. A “CR” grade will count as a “C” for computing the grade point average for academic renewal purposes.
- A minimum of two semesters must have elapsed since the course work to be alleviated was recorded.
- The student must have completed at least 12 units in residence at Woodland Community College.
- Under no circumstances may course work be discounted that has been used in fulfillment of requirements for a degree or certificate.
- If the student is otherwise eligible for graduation, *Academic Renewal* may not be used to raise the grade point average (GPA) in order to qualify for graduation with honors.
- No units that have been excluded by *Academic Renewal* can be reinstated.
- Course work granted *Academic Renewal* status may be counted, if appropriate, toward fulfillment of prerequisites.
- The student’s academic record will be annotated in such a way that all work remains legible, ensuring a true and complete academic history.

Students seeking *Academic Renewal* must petition the Office of the Dean of Student Development. The petition arises out of a consultation between the student and a counselor. Current educational objectives should be discussed with a counselor and the counselor’s recommendation should be included on the petition.

WCC will honor similar actions by other accredited colleges and universities in determining grade point averages and credits. However, students should be aware that all course work is subject to reevaluation by each subsequent college attended.

**Advanced Standing/Transfer of Credit**

A student who presents (via direct mail from the college previously attended or hand-carried in a sealed official envelope) a transcript of record showing satisfactory scholarship and honorable dismissal may be admitted to the College with *Advanced Standing*. No previous collegiate record may be disregarded.

Credit for lower division courses taken previously at another college or university will be allowed toward the *Associate in Arts* or *Associate in Science* degree only if the former institution was accredited by one of the regional accrediting associations. (Accredited institutions are those so designated by one of the regional accrediting associations: Western Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Colleges and Schools, and Southern Association of Colleges and Schools.)

All such college transcripts will be evaluated. Only lower division courses determined to be associate degree level will be accepted for transfer credit. Credit is also allowed for college-level USAFI courses (but not for USAFI GED tests). Credit will also be given for the College-Level Examination Program, General Examinations of the College Entrance Examination Board (CLEP).
Attendance

A student is expected to attend all sessions of each class in which enrolled. Attendance is the student’s responsibility. Any student who ceases to attend a class without officially dropping it through telephone registration, WebAdvisor, or at the Registration Office may receive a failing grade.

Auditing Class

The Governing Board of Yuba College has adopted the following guidelines authorizing the auditing of courses pursuant to Education Code Section 76370.

- Auditors must be eligible for admission to the College as regularly enrolled students.
- Auditing is authorized only when a student has exhausted the opportunities for course repetition.
- Students enrolling for credit will have priority in all credit classes. Auditing will be permitted only at the conclusion of the late registration period.
- Auditors will complete an Auditor Application Form, which must be signed by appropriate instructor. Faculty members instructing audit eligible courses have the right to refuse auditors.
- The completed Auditor Application Form must be filed with the Registration Office.
- A nonrefundable audit fee of $15 per unit will be payable at the time of enrollment by the auditor.
- Auditors will not be charged the regular Enrollment Fee which is paid for credit enrollment, and the Nonresident Tuition Fee will not apply.
- Course costs will be charged to auditors where appropriate.
- Auditors must purchase parking permits.
- Auditors must meet course prerequisites.
- No transcript of record will be maintained for audited classes.
- Auditors will not be counted in enrollment-based decisions about maintaining or canceling classes.
- No transfer from audit to credit status or the reverse will be permitted.
- Audited classes do not count toward units for any purpose, e.g., financial aid, veteran’s benefits, full-time student status.

Authority of Instructors

Every student is required to attend class regularly and satisfy the instructor, in such ways as the instructor may determine, that the course work is being performed in a systematic manner. Instructors may report to the counselors and to the Dean the names of students whose attendance or work is unsatisfactory. The instructor has the right to drop any student with excessive absences (as defined by instructor) which, in the instructor’s judgment, will prevent the student from meeting the objectives of the course.

Pursuant to the Code of Conduct for Students, an instructor may remove a student from her or his class for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the President. The President or designee shall initiate a review process to determine whether or not there are sufficient grounds to remove the student permanently from the class.

Basic Skills Pre-Collegiate Course Limitation

State regulations specify that students may take no more than 30 semester units in “Pre-collegiate Basic Skills” courses. This regulation applies to all courses numbered 100-199, except ESL (English as a Second Language) courses AND for students identified by the district as having a learning disability.

Students who are not eligible to move into collegiate-level courses upon completion of the maximum 30 semester units of basic skills courses will be referred to adult education for future skill development and will be dismissed from attending Yuba College in pre-collegiate courses. Consult with a counselor if you are approaching this limit.

Catalog Rights

Students maintaining attendance in at least one semester of a calendar year receive “catalog rights.” Summer session does not count for catalog rights. Catalog rights refer to the regulations determining graduation requirements. Students may elect the requirements in effect in the year they began their study or in the year they graduate from Yuba College. Once catalog rights are established, absence related to an approved educational leave or for attendance at another accredited institution is not to be considered an interruption, providing the above attendance criteria is met.

While catalog rights hold degree requirements, they do not apply to changes in prerequisites required in a given course. Prerequisite requirements are those stated in the “Course Descriptions” section of the current catalog.
CLEP Exam Credit Acceptance Policy

Yuba Community College District welcomes students from a wide variety of backgrounds and experiences. It is recognized that many students bring with them a depth of knowledge in certain subjects and honor that knowledge by accepting the College-Level Examination Program (CLEP) Examinations for credit in appropriate classes. Assuming that an acceptable score is achieved on a CLEP examination, Yuba College grants credit in the appropriate course(s) for each examination. The table below defines the credit offered and if required score is earned for each accepted CLEP examination.

### College Board Advanced Placement

Yuba Community College District grants college credit for successful completion of Advanced Placement Program Examinations of the College Board. Students who complete special advanced placement courses and who present scores of three or higher (3, 4, or 5) for the Advanced Placement Examinations to the College’s Records Office will receive credit (“CR” grade) for specific college courses. A student may not enroll in any course for which Advanced Placement Examination credit has been allowed. The following table indicates equivalencies and unit allowances at Yuba College. Other colleges or universities have different policies concerning advanced placement and may not honor this policy. It is also possible that other colleges and universities may not honor Yuba College transcript entries which award advanced placement credit for regularly offered credit courses.
All examinations require a score of 3, 4, or 5.

*Does not meet lab requirement for General Education
**Credit may not be awarded in both categories.

Credit By Examination

Advanced standing credit, with a “CR” grade, is allowed upon evidence of successful completion of: (1) College—Level Examination Program General Examinations of the College Entrance Board, scoring at or above the 25th percentile (Credit may not be awarded for CLEP if prior credit has been earned in a college course in the same subject matter;); (2) Proficiency Examination Program (PEP) administered by American College Testing Program; (3) California State University and College English Equivalency Examination administered by C.S.U., Chancellor’s Office. Credit is not awarded until applicant has become a student in the Yuba Community College District.

Credit By Examination (Challenge)

A currently, or formerly, enrolled student may take a special examination to earn credit or to meet a prerequisite. If the challenge is at a campus or center, it must be a course offered at that campus or center. If the course is successfully challenged for a credit, a “CR” grade will be awarded. To be eligible to challenge a course a student must:

1. Not be enrolled in the course;
2. Not have completed nor enrolled in a more advanced course;
3. Have completed at least 12 units from Yuba College with a GPA or 2.0 or higher.
4. Have approval from the appropriate division dean and recommendation from the instructor teaching the course to be challenged.

To request a challenge, a student must file a Petition for Credit by Examination to the appropriate dean. Credit by examination is not applicable to all courses. A course may be challenged only once unless the Dean or the President determines the existence of extenuating circumstances.

Credit For Military Experience

Upon application, the College will evaluate military records to determine if a student may be awarded elective credit for military service. The serviceperson must have spent at least four months in active service and have a discharge other than dishonorable. These units will satisfy the Health/Physical Education graduation requirement.

College credit may be allowed for the completion of college-level courses in formal service schools in accordance with recommendations found in the Guide published by the American Council on Education. Credit may also be allowed for college-level USAFI courses (but not for USAFI GED tests).
Credit/No Credit Grading

At the option of each Division and in accordance with Title 5 regulations, some courses are offered on the Credit-No Credit (satisfactory-fail) grading basis. In those cases where a single standard of performance for which unit credit is assigned, the “CR/NC” grading system shall be used to the exclusion of other grades. Credit shall be assigned for meeting that standard, no credit for failure to do so. The CR/NC grading is indicated in the course description section of this Catalog and Schedule of Classes.

In addition, a student in good standing may elect to take one regularly graded course, not in her or his major, each semester, on a Credit/No Credit basis. The student should consult a counselor to discuss transferability of courses placed on the credit/no credit option. The student must file the appropriate credit-no credit option form at the Registration Office no later than the end of the fifth week (30%) of the semester or the end of 30% of class for short-term courses. Students can change the grading mode in accordance with these procedures at any time until the 30% date in the course by submitting a new Credit-No Credit option form at the Registration Office. After this date, the grading mode will be final.

The “CR” grade symbol will be awarded for work completed at “C” (satisfactory) or better level. Units earned for satisfactory achievement shall be counted in the satisfaction of degree requirements. A grade of “D” or “F” work will result in an “NC” for the course. In neither case will units be counted in the determination of the student’s grade point average, but the “NC” will be counted in Progress Probation.

Examinations

Midterm and Final Examinations may be given in all courses. Final Examinations in full-semester courses are given as listed on the Final Examination Schedule. No student exception may be allowed to the Schedule except upon approval of an individual Student Petition by the College Standards Subcommittee. Such exceptions will be allowed only in the case of extreme emergency.

Exemption from Regulations

A student wishing to claim exemption from any regulation of the District must file a written Student Petition with the College Standards Subcommittee or Student Services Committee, as appropriate.

Financial Obligations

Student records will be withheld and all student/alumni privileges canceled in the case of a student failing to meet financial obligations to the District, including failure to pay Enrollment Fees, Tuition, Child Care charges; return library materials/pay library fines; return or pay for athletic equipment; meet loan or scholarship fund obligations; return/replace any District equipment for which responsible.

Computer and Network Usage Policy

The Board of Trustees, in granting access to District computers and networks, expects that employees and students, in their use of these systems, will adhere to legal and ethical standards consistent with the District’s mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of District computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of employees and students.

Grades

Semester grades are permanent and are not changed unless extenuating circumstances are involved. Students who believe there has been an error made concerning their grade should first contact the Records Office at (530) 741-6871. After verification that the correct grade has been posted to the students records, the student will be referred to the instructor. If the instructor agrees that an error in the grade has been made, the instructor will submit a “Change of Grade” card to the Records Office. If the instructor does not agree there is an error in the grade and the student wishes to pursue the matter further, the student should meet with the Division/Campus Dean concerning the appeal process.

Students can obtain their grades by using telephone registration (530-741-9822 local; 1-877-741-9822 toll free) or by using WebAdvisor – www.yccd.edu. Report cards are NOT mailed.
GRADING

The grading system is as follows:

<table>
<thead>
<tr>

<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
</tbody>
</table>

Other Symbols Definition

CR Credit: the “CR” is awarded for work completed at the “C” or better level. Students earn no grade points, but they do earn the unit(s). Courses with a “CR” grade are not computed in the GPA.

NC No Credit: The “NC” is awarded for work completed at the “D” or “F” level. No units are earned for work at this level. Courses with an “NC” grade are not computed in the GPA.

AU Audit: Students do not earn units, nor does the class appear on a student's permanent record.

W Withdrawal: A “W” is recorded for students who officially withdraw from a course after the end of the fourth week of the semester or 30% of term (whichever is less) or 30% deadline of the course for short-term classes.

MW Military Withdrawal: Special exemption—requires documentation. (See “Military Withdrawals” for documentation required.)

Temporary Symbols Definition

I Incomplete: At the end of a term, an “I” (incomplete) may be awarded by the instructor when a student has been unable to complete academic work for unforeseeable, emergency, and justifiable reasons. The incomplete signifies that the student was enrolled, has attended classes throughout the term, that only a minimal amount of course work has not been completed in the prescribed time, and there is still the possibility of earning credit.

A copy of the Incomplete Grade Report Form will be mailed to the student indicating work to be completed for removal of the “I” and alternate letter grade to replace the “I” in the event the student fails to meet the conditions for removal of the “I.”

An “I” must be made up during the semester following the awarding of the incomplete (excluding summer). A final grade will be assigned by the instructor when the work has been completed or the alternate grade will be awarded in the event the student fails to complete the work during the prescribed time period.

A student may not enroll in the same course in which an incomplete grade was awarded.

IP In Progress: This symbol indicates that a course is in progress and has not yet ended.

RD Report Delayed: This symbol indicates either the course has not yet ended, or the instructor has not yet submitted the final grade for the student in the course.

Note: “C” or higher grades are required for courses in a student’s major.

Grade Point Average - Computing

The GPA is computed by dividing the total grade points by the total units attempted in the following manner:

1. Grade points are computed by multiplying the number of units represented by an individual course by the grade point value assigned to the grade. For example, a 3-unit course with a grade of “B” is 9 grade points ("B" 3 grade points x 3 units attempted). See “Letter Grades” section for grade point values.

2. The total number of grade points earned in all courses is divided by the total number of units attempted. The result is the GPA.

Honors List

The Honors List, produced at the end of each semester (except Summer Session), recognizes students who have maintained at least a “B” (3.0) grade point average in 12 or more GRADED units during that semester (does not count classes with CR/NC grades). Students who are enrolled in at least 12 units and for whom the graded course work is at least a 3.00 GPA, may also be eligible for the Honors List if each Credit/No Credit course is required for the student’s major, and if the student achieves Credit with Distinction as indicated by the instructor in each of those Credit/No Credit courses. Honors achievement will be noted on the student’s academic record. This list is sent to the local newspapers and may be published in accordance with their policy and procedures. The names of students who have requested that no information about them be released will be excluded from this list.

Woodland Community College
Notification of Absence

In cases where a student may be absent for four or more days, a Notification of Emergency Absence can be requested by a student from the College (in cases of accident, sickness, bereavement, etc.). Further, it is the responsibility of the student to contact instructors upon returning to make up missed course work. Call the Counseling Office for the Yuba College campus and the Registration Office at the other sites to request the Notification of Emergency Absence.

Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

• Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, Veterinary Technology, ADN, LVN, Psychiatric Technician, etc.);
• Courses closed by maximum enrollment of students by the “priority registration” process;
• Courses with academic requisites that restrict enrollment of academically unqualified students; and
• Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Prerequisites/Corequisites

“Prerequisite” means the preparation or previous course work considered necessary for success in the course. Prerequisites are required only for courses where specific academic background is necessary in order to assure students a reasonable chance of success in the course. Prerequisites which are listed as “required” include:

• Courses for which specific prerequisites have been validated,
• Sequential course work in a degree or program, or
• Courses in which a prerequisite is necessary for transfer to a four-year college. Responsibility for having met the prerequisite rests with the student.

“Corequisites” for a course are those courses which must be taken concurrently with the course. Corequisites provide the necessary skill or supplementary body of knowledge or laboratory time during the course to help assure success in the course.

It is the student’s responsibility to be aware of and comply with the prerequisite regulations. Prerequisites are shown for each course in the College Catalog and Schedule of Classes. It is the student’s responsibility to check the prerequisites and NOT register for any class for which the student has not completed the prerequisite/corequisite.

Students may show they have met the prerequisite/corequisite requirements through one or more of the following:

• Successful completion of the prerequisite course.
• Appropriate placement score on the Yuba Community College District Placement Examination.
• Official grade report or transcript from another college/school showing successful completion of prerequisite.
• Prerequisite challenge form approved. (Challenge forms are available from the office of the Dean of Student Development at the Yuba College Campus; at the Woodland Community College, Clear Lake Campus, and Beale Center, the forms are available from the site administrator.)

Students may be dropped from a class for not having completed the prerequisite. Such action may also result in a student losing Financial Aid, Veteran’s Benefits, etc., since the drop may result in the student’s units falling below full-time/part-time status.

Policy for Petitioning or Waiving Course Prerequisites

Course placement is determined by a process in which the student and counselor review all assessment criteria available. Students who wish to petition their recommended placement or the waiver of a prerequisite should be prepared to give evidence or justification why the exemption should be granted. Reasons for seeking a prerequisite waiver may include one or more of the following:

• Prerequisite course is not available,
• Prerequisite has not been validated,
• Student has the knowledge or ability to succeed in the course without meeting the prerequisite, or
• Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Check with a counselor, your site administrator, or the Dean of Student Development to obtain the required forms.

Challenges to prerequisites/corequisites shall be on the approved form and filed at the location where the student registers for the majority of her/his classes. Challenges at the Yuba College campus in Marysville should be filed with the Dean of Student Development. Challenges at other locations should be filed with the executive dean or site administrator.
indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student’s academic record will be notated so that all work remains legible, insuring a true and complete academic history.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District. If successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from that other college.

Repetition of courses with a non-substandard grade:
A course in which a grade of “C” or better was earned may be repeated when extenuating circumstances exist which justify such a repetition. Students must petition the College Standards Subcommittee for approval. When the student completes the course, the course and grade will be listed on the academic record, but will be notated so the grade and units will not count. Reasons for justification of these repeats include: significant lapse in time (3 or more years), change in technology, recertification/training requirements, or other justifiable reasons.

Repeatable courses:
Some courses are progressive in nature and provide an expanded education experience when repeated. These courses are identified in the College Catalog and Schedule of Classes with the letter “R” following the course number and indicating the maximum allowable repetitions. A student may not register in any course in a single discipline beyond four times.

Legally mandated training:
Course repetition is allowed when the repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. Such courses may be repeated for credit, and the grade and units received each time shall be included for purposes of calculating the student’s grade point average. A student must petition the College Standards Subcommittee and present documentation that course repetition is necessary to complete legally mandated training. The district may claim apportionment each time the student repeats the course.

Disabled students:
Course repetition for disabled students is subject to the course repetition limitation; however, additional repeats may be authorized under the following circumstances:

---

Public Law 101-542 & 102-26—
Student Right To Know

In compliance with the Student-Right-to-Know and Campus Security Act of 1990, it is the policy of the Yuba Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1999, a cohort of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population, nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, 38.1 percent attained a certificate or degree or became “transfer prepared” during a three-year period, from Fall 1999 to Spring 2002. Students who are “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or higher. Based on the cohort defined above, 25.3 percent transferred to another postsecondary institution, prior to attaining a degree, certificate, or becoming “transfer-prepared” during a five-semester period, from Spring 1998 to Spring 2002.

YCCD Certificate and Degree Totals

The following are the numbers of degrees and certificates awarded District-wide for the last three years (counts Fall, Spring, and Summer). These totals do not consider the students’ status upon entering the District.

2002-03
- Associate in Arts: 319
- Associate in Science: 426
- Certificate of Completion: 136
- Certificate of Training: 279
  **Total**: 1,160

2003-04
- Associate in Arts: 283
- Associate in Science: 518
- Certificate of Completion: 108
- Certificate of Training: 184
  **Total**: 1,093

2004-05
- Associate in Arts: 306
- Associate in Science: 539
- Certificate of Completion: 140
- Certificate of Training: 174
  **Total**: 1,159

Repeated Courses

State law mandates the repeat regulations in the Yuba Community College District.

Repetition of courses with substandard grades:
Students may repeat a course for which they have earned a substandard grade one time. Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the academic record, but will be coded with a symbol

Woodland Community College
1. When continuing success of the student in other general and/or special class is dependent on additional repetitions of a specific class;
2. When additional repetitions of a specific special class are essential to completing a student’s preparation for enrollment into other regular or special classes; or;
3. When the student has a student educational contract which involves a goal other than completion of the special class in question and repetition of the course will further achievement of that goal.

Exceptions:
In special circumstances, the student may submit a petition to the College Standards Subcommittee for an additional repeat. No state funding (FTES) may be claimed for this additional repeat.

NOTE:
- A student who has been awarded an “I” (incomplete grade) may not enroll in the same course in which an incomplete grade was awarded.
- A student who has satisfactorily complete the equivalent or more advanced high school or college course work may NOT be awarded credits for completion of the lower level college course work.
- Courses from other colleges will be checked for repeats at the time of graduation. At that time, any credit awarded for repeated classes will be coded on the student's record. Therefore, students should consult a counselor for evaluation of credits/requirements/repeat check prior to petitioning for graduation.

No course repetition procedures established by the District will conflict with Education Code 76224 pertaining to the finality of grades assigned by instructors, or with Title V Section 59023, or District procedures relating to the retention and destruction of records.

Servicemembers’ Opportunity College

The Yuba Community College District is a designated Servicemembers’ Opportunity College (S.O.C.) involving an educational concept, jointly sponsored by educational agencies within the U.S. Department of Defense and the American Association of Community and Junior Colleges, recognizing that individuals serving in the Armed Forces often have unique educational needs. The District has committed its resources to aid in the quest of education. Admission, residency, course credit, and degree requirements are in accordance with the criteria for Servicemembers’ Opportunity Colleges.

Special academic assistance is provided and credit is granted for educational experience obtained in the Armed Services, College Examinations (CLEP), College Proficiency Examinations (CPEP), USAFI courses, and on-campus “challenge” examinations. Under a Contract for Degree agreement, developed with the College Servicemembers’ Counselor, a servicemember may plan to earn an associate degree from the District as a result of a variety of learning options with a minimum of only 12 units earned, in any time sequence, in the District. Information regarding these opportunities may be obtained from any District counselor or from the Dean of Student Development.

Standards for Probation/Dismissal

Students are subject to “Probation” and/or “Dismissal,” for reasons of deficient scholarship, in accordance with the provisions of Sections 55754 through 55756 of Title V California Administrative Code, and this Catalog. It is the policy of the Yuba Community College District Governing Board that no student be automatically dismissed, but that the individual case of each student subject to dismissal be reviewed by Student Personnel Services staff prior to invoking action.

ACADEMIC PROBATION. A student who has attempted at least 12 semester units of Yuba Community College District classes as shown on the official academic record shall be placed on Academic Probation when he/she has earned a cumulative grade point average of less than 2.0, including only grades earned in this District. Part-time students become subject to these Probation regulations after they have enrolled in an accumulated total of 12 semester units of Yuba Community College District classes.

PROGRESS PROBATION. A student who has enrolled, beginning fall 1981, in a total of at least 12 semester units of Yuba Community College District classes as shown on the official academic record shall be placed on Progress Probation when the percentage of all units in which a student has enrolled and for which entries of “W,” “I,” and “NC” are recorded reaches or exceeds fifty percent (50%).

REMOVAL FROM PROBATION. A student is removed from Academic Probation when the cumulative GPA (earned in Yuba Community College District classes only) reaches 2.0 or higher. A student is removed from Progress Probation when the units of “W,” “I,” and “NC” grades drop below 50% of the accumulated units of enrollment as shown on the official academic record.

PROCEDURES AND REGULATIONS. While on the first semester of Academic and/or Progress Probation, the maximum number of units for which a student may register is 16. The counselor may, and often will, reduce this maximum. The maximum is reduced to 12 units for a student who is on second semester of probation. If, after the end of the semester, it becomes necessary to place the student on Academic or Progress Probation, the student will be notified by the Dean of Student Development. An interview must then be scheduled by the student with a counselor. Regulations governing activities of students on Academic or Progress Probation are determined and enforced by the College Standards Subcommittee. For those on Disciplinary Probation, see the provisions of the Yuba Community College District Code of Conduct for Students.

DISMISSAL. A student who is on Academic Probation shall be subject to dismissal if the student earned a cumulative GPA of less than 1.75 in all units attempted in each of 3 consecutive semesters even though a lapse of college attendance may
occur between the semesters. A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of “W,” “I,” and “NC” are recorded in at least 3 consecutive semesters reaches or exceeds fifty percent (50%). Dismissal may be postponed by the College Standards Subcommittee when evidence of academic improvement or extenuating circumstances exist.

A student who feels there are extenuating circumstances with these regulations should see a counselor and file a petition with the College Standards Subcommittee. The Subcommittee may conditionally reinstate a student when the circumstances are justifiable. Justifiable circumstances include accidents, illnesses, changes in working conditions, and other reasons beyond the student’s control.

READMISSION. A dismissed student may petition for readmission (on probation) after consultation with a counselor. The counselor will help the student select appropriate classes, limit the number of units of enrollment, and set up a visitation schedule to check the student’s progress during the semester of attendance.

NOTE: Students receiving financial aid must refer to the current Financial Aid Brochure concerning Probation Status. Students receiving veterans benefits should contact the Veteran’s Affairs Office concerning consequences of probation. All students receiving aid/benefits should consult a counselor concerning consequences of probation. Students on probation may be prohibited from receiving aid/benefits.

Student Classification

I. REGISTRATION STATUS

FULL-TIME STUDENT - registered for 12 or more units of credit (4 units or more in summer session).

PART-TIME STUDENT - registered for fewer than 12 units of credit (fewer than 4 units in summer session).

SPECIAL PART-TIME STUDENT - concurrent enrollment in high school under Education Code Section 76001 or 76002.

II. ACADEMIC CLASS STATUS

FRESHMAN STUDENT - has earned to date fewer than 30 units of credit.

SOPHOMORE STUDENT - has earned to date 30 or more units of credit but has not completed all course and unit requirements for Associate in Arts or Associate in Science, or any higher degree.

Student Definitions

- Continuing Student. A student who was enrolled in the previous semester (excluding summer session).
- New Student. A student who has never attended any college.
- Returning Student. A student who attended WCC previously, but not during the previous semester (excluding summer session).
- Transfer Student. A student who attended another institution prior to applying to WCC.
- Returning Transfer Student. A student who attended WCC, then attended another institution, and plans to attend Yuba College again.

Transcripts

A student may apply for a transcript of college courses at the Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are charged for at the rate of three dollars each. Transcripts requested “over the counter” will require a $6.00 “Rush” fee.

Student’s may print out their own free “unofficial” transcript copy “on-line” by logging onto our website at www.yccd.edu. Select WebAdvisor and follow instructions.

Academic transcripts are not made for students who withdraw from the College during the first four weeks of a semester or during the first week of summer session or for students enrolled in noncredit or fee courses. The Records Office will accept a telephone request with identifying information for transcripts if the transcript is to be sent to another educational institution, the student must request the transcript in writing. The student should include social security/ID number, name, birth date, name attended under, address, and last year attended.

Transcripts will not be released for students who have holds placed on records for outstanding obligations to the College.

Veterans Standard of Progress

If a student receiving veterans benefits remains on Academic Probation beyond two semesters and has not achieved at least a 2.0 GPA for the most recent semester (excluding summer session), the District is required to report a termination of benefits directly to the Veteran’s Administration due to unsatisfactory progress. The Veteran’s Administration representative cannot certify a veteran for any class beyond that point.

Once the District Veteran’s Administration representative certifies or recertifies a student for re-enrollment after termination for unsatisfactory progress, the Veteran’s Administration presumes that the District has determined the student’s ability to maintain satisfactory progress in the future. Any student needing to be recertified will need to consult the Veterans Affairs Specialist for assurance that all procedures and requirements have been met. For more information, contact the Veteran’s Affairs Office.

Woodland Community College
Withdrawal Symbol

A student may officially drop (withdraw) from a course or courses during the first four weeks of full semester classes (30% of term for short-term classes). No notation will be entered on the student’s academic record to indicate enrollment.

Full semester courses officially dropped after the end of the fourth week (30% of term for short-term courses) but prior to the end of the thirteenth week (75% of term for short-term courses), will result in “W” on the student’s academic record. The “W” symbol indicates that the student was permitted to drop the course or was dropped by the instructor. A “W” symbol carries no connotation of quality of student’s performance and is not used in the calculation of grade point average.

Withdrawals for full semester classes after the thirteenth week of classes (end of 75% of term for short-term courses) must result in a grade other than a “W” (usually a failing grade). However, in cases of extenuating circumstances such as accident or serious illness, the student may file a petition and evidence (doctor’s excuse, hospital bill, etc.) at the Registration Office requesting permission to withdraw after the final withdrawal deadline. Although the “W” symbol is not used in computation of grade point averages, excessive “W,” “NC,” or “I” symbols are considered in determining Progress Probation (see “Standards for Probation”).

Students are responsible for processing appropriate official forms prior to the deadlines.

Withdrawal - Military

Military withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders (other than TDY) compelling a withdrawal from courses. A student must file a petition requesting this option and attach a copy of military orders. Upon verification of such orders, a withdrawal symbol of “MW” will be assigned. Military withdrawals will not be counted in progress probation and dismissal calculations.

The Yuba Community College District has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or Summer (July 1) terms. Students must APPLY to graduate prior to the deadline in order to be considered.

This catalog describes the District’s graduation and transfer requirements. Not all requirements can necessarily be met at all locations where classes are offered. Students should consult the Schedule of Classes at each location to determine the types of classes available and frequency of offerings.

All students, including transfers from other colleges, are encouraged to complete a placement examination (see “Placement Examination” information). A transfer student must have a 2.0 grade point average in associate degree level work completed in the Yuba Community College District as well as a 2.0 overall associate degree level course work GPA, as well as completing 12 units of associate-degree level course work in the District in order to graduate.

Students desiring to graduate may work toward the Associate in Arts or Associate in Science degree. Students who believe they may continue their education at a four-year college or university should also plan to complete the General Education requirements for transfer and consult a counselor.

Common to both the Associate in Arts and Associate in Science degrees is a strong general education program which fosters the following philosophy.

Graduation Requirements

General Education Philosophy Statement

“General Education in the Yuba Community College District is more than a set of required courses. It is a course of study designed to assist the student in beginning an effective lifelong learning process in which the interrelationships of human knowledge and experience are recognized. Embodied in this design is recognition of the student’s need to think and communicate effectively, both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; to develop the capacity for self-understanding; and to understand the issues related to and the ways in which health and well-being can be maintained.”

COURSE REQUIREMENTS FOR THE DEGREE: Only courses completed by deadlines may be counted toward the degree to be issued for the requested term. (See “Course Numbering System,” limitation of 100-299 courses for associate degree.)

Additional Associate Degrees

An Associate in Arts or Associate in Science degree will be awarded to those already possessing an associate degree, subject to the following conditions:

1. All requirements in a different major from that of previous associate degree(s) must be satisfied. Students may only earn one degree in a general education major. For these
degrees, the major will not be printed on the diploma. For majors in specific degrees (as defined in catalog degree section), the major will be printed on the degree.

2. All general education requirements in effect at the time of beginning the new degree program must be satisfied. After meeting the above conditions, a student may petition for any degree for which he/she has met the graduation requirements.

Associate in Arts/Associate in Science Degree

The Associate in Arts or Associate in Science degree may be awarded to a student who has completed the following requirements:

REQUIREMENT 1: All students must pass the reading, writing, and mathematics competency examinations or equivalents listed below.

COMPETENCY REQUIREMENTS:

Reading competency may be met by:
1. Passing English 1A with a “C” or better; OR
2. Passing Reading 70 with “C” or better; OR
3. Achieving a passing score on the Reading Placement Examination; OR
4. Possession of an A.A., A.S., or higher degree at the time of admission to the District.

Note: Students seeking an A.A./A.S. degree should complete the reading competency requirement within the first 30 units of credits earned in the YCCD district, or be enrolled in a prerequisite reading course.

Writing competency may be met by:
1. Passing English 1A with “C” or better.

Mathematics competency may be met by:
1. Any mathematics or statistics course that has Math 50 as a prerequisite; or
2. any higher level mathematics or statistics course.

REQUIREMENT 2: All students must complete 18 units of general education, selecting at least 3 units each from Areas A, B, C, D1, D2, and E below.

AREA A. NATURAL SCIENCE (Select 3 units)

- Agriculture 45
- Anthropology 1
- Astronomy 1
- Biology 1, 10, 10L, 11, 15, 25
- Chemistry 1A, 2A, 3A, 10
- Ecology 10, 12
- Geography 1
- Geology 10, 10L, 11L
- Physical Science 10A, 10B
- Physics 2A, 4A, 10, 10L, 15
- Plant Science 20, 20L, 22, 22L

AREA B. SOCIAL SCIENCE (Select 3 units)

- Afro-American Studies 16A, 16B
- Anthropology 2
- Asian-American Studies 14
- Early Childhood Education 3
- Economics 1A, 1B
- Geography 2
- History 4A, 4B, 7, 8, 11, 14, 15, 16A, 16B, 17A, 17B, 29
- La Raza Studies 1, 15
- Native American Studies 7
- Political Science 1
- Psychology 1A, 12, 31, 32, 33, 40
- Social Science 1, 4
- Sociology 1, 2, 10, 35
- Women’s Studies 29, 31, 35

AREA C. HUMANITIES (Select 3 units)

- Art 1A, 1B, 1C, 5, 26
- Asian-American Studies 31
- English 1B, 2, 23, 30A, 30B, 33, 34, 36, 37, 38, 42, 44A, 44B, 45, 46A, 46B
- French 1, 2
- German 1, 2, 3, 4
- Humanities 3, 5, 10, 11, 12, 15, 26A, 31, 33, 34
- Music 1, 1A, 3, 11, 12, 15
- Philosophy 1, 2, 3, 20
- Sign Language 1, 2, 3
- Spanish 1, 2, 3, 4, 10, 20A, 20B
- Speech 2
- Theatre Arts 10, 33, 34
- Women’s Studies 26A, 37

AREA D. LANGUAGE AND RATIONALITY

D1. ENGLISH COMPOSITION (Select 3 units)

- English 1A (met by writing competency)

D2. COMMUNICATION AND ANALYTICAL THINKING (Select 3 units)

- Business Computer Applications 15R
- Computer Science 2, 3, 4, 6, 9A, 9B, 10, 10L
- Electronics Technology 25
- English 1C
- General Business 56
- Mathematics 1A, 9, 10, 15, 21, 25, 52
- Philosophy 12
- Reading 10
- Speech 1, 3, 6, 7, 8, 9
- Statistics 1

Woodland Community College
AREA E. ELECTIVES (Select at least 3 additional units)

1. A second course from any Area above; OR
2. Documentation of active military service (may also be used to meet Requirement 4 (Health/P.E.); OR
3. Course(s) listed below:
   - Accounting 1, 1L, 10A
   - Administration of Justice 10,30
   - Applied Science 22
   - Automotive Technology 21, 22
   - Counseling 10
   - Electronics Technology 1,12
   - English 20LR
   - Environmental Horticulture 20
   - Family and Consumer Science 10,11, 16
   - General Business 10
   - Health 1, 13
   - Human Services 11
   - Mass Communications 20LR
   - Physical Education 1. courses

REQUIREMENT 3: All students must complete the designated degree major courses with a grade of “C” or better. Majors are listed in the section headed “Certificate/Degree Programs” and in the Course Descriptions section of the catalog.

REQUIREMENT 4: All students are required to successfully complete either: Health 1, Health 4, Health 13, or Family and Consumer Science 11 OR two Physical Education activity courses one of which must be selected from the following:

Note: Students who will be completing degrees in the Allied Health areas (Nursing, Psychiatric Technician, Radiologic Technology, or Veterinary Technology), and students who submit documentation of active military service are exempted from this requirement.

REQUIREMENT 5: All students are required to fulfill the Multicultural Graduation Requirement (MGR) by completing three or more units from the following courses or the programs listed below:
   - Anthropology 2; Art 1A, 3B, 5; Asian-American 14, 31; ECE 27; Education 1; English 30A, 30B, 36, 44B; History 5A, 5B, 7, 14; Human Services 11; Humanities 5, 16, 17, 26B, 31; Music 16, 17; Native American 7; Philosophy 1, 3, 20; Sociology 5; Spanish 20A, 20B, 36; Speech 8; Women 26B

Completion of the following programs also fulfills the requirement:
   - Associate Degree Nursing; Psychiatric Technician; Radiologic Technology; and Vocational Nursing.

REQUIREMENT 6: All students are required to complete a minimum of 60 semester units in lower division associate degree level courses with at least a 2.0 (“C”) grade point average. The grade point average that is calculated for associate degree purposes only counts units and grade points earned in associate degree level classes. Non-associate degree credit courses (numbered 100-199 and 200-299) completed fall 1989 and thereafter will not count toward the associate degree. For courses completed between July 1, 1983, and July 30, 1989, a maximum of 6 semester units of courses numbered 100-199 may be counted toward this requirement. All courses numbered 200-299 completed prior to fall 1989 may be counted toward this requirement.

REQUIREMENT 7: All students are required to complete a minimum of 12 semester units with at least a 2.0 (“C”) grade point average in associate degree level classes in the Yuba Community College District.

REQUIREMENT 8: All students wishing to graduate must file a petition card as a Candidate for Graduation. Deadline dates to apply are: Fall-November 15; Spring-April 15; Summer-July 1.

Courses from Other Colleges

Courses from other colleges will be checked for repeats when a student petitions for graduation. At that time, any credit awarded for repeated classes will be coded on the student’s academic record. Consult with a counselor for evaluation of credits/requirements/repeat checks prior to petitioning for graduation.

Servicemembers’ Opportunity College

Members of the Armed Forces interested in a Contract for Degree which allows transfer of graduation requirements from other institutions with as few as 12 units earned in residency with the Yuba Community College District in any time sequence should consult with a counselor.

WCC played host for a Chamber of Commerce gathering.
Transfer Preparation and Information

Do you wish to enter a profession or to continue your education beyond the first two college years?

- You should earn an associate degree from Woodland Community College.
- You will need to transfer to a four-year institution upon graduating from Yuba College.
- You will find some of the college or university preparatory curricula in the following pages.
- You will find the requirements for junior standing at the University of California and the California State University system on the following pages.
- You must see your counselor for specific requirements for other higher institutions.
- Unless specifically exempt by statute, all courses of study (programs), regardless of where offered, are open to members of the public who are otherwise eligible for admission to the College. Where prerequisites are necessary, they are academic in nature and may take the form of a course to complete, or a qualifying score to earn on an objective test.

ASSIST

A ASSIST (Articulation System Stimulating Interinstitutional Student Transfer) is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from Community Colleges to universities.

The ASSIST database includes all of the most current official articulation agreements that every CSU and UC campus has established with any of the 109 California Community Colleges. ASSIST also includes the following complete and historical information for all 109 California Community Colleges — CSU Transferable Courses; CSU GE-Breadth Certification Courses; IGETC Course Lists; UC Transferable Courses; UC Transfer Admission Eligibility Courses.

ASSIST operates as California’s official statewide source for course articulation and transfer information and is available to all students, faculty and staff via the Internet at www.assist.org.

Preparation for Transfer

The requirements listed in the following section are subject to change without notice. Check with your WCC counselor and the Transfer Center for periodically updated information.

PREPARATION FOR ADVANCED STANDING AT FOUR-YEAR UNIVERSITIES AND COLLEGES. WCC, offers courses similar to courses offered in the lower division, or the first two years, of four-year universities and colleges. Since course requirements for graduation vary between colleges, it is to the student’s advantage to choose the university or college to which he or she plans to transfer as early as possible, so as to complete the courses at WCC which best satisfy the lower division course requirements at that particular college or university to which the student ultimately transfers. Lower division course requirements typically include a set of “general education” courses as well as sequence of courses in the student’s chosen “major” field of study.

For more up-to-date, detailed, or extensive information regarding transfer requirements, students are encouraged to visit the Transfer Center, where there is a collection of college and university catalogs from across the country. The Transfer Center also maintains and provides articulation sheets which summarize current course and major requirements of various local colleges and universities. Students are encouraged to discuss their transfer strategy with a counselor or with a representative of the colleges or universities who periodically visit the Transfer Center.

Students interested in transferring should also be aware of critical application filing periods and procedures. This information, as well as applications to most four-year institutions in California, can be obtained from the Transfer Center and from the counselors.

STUDENT RESPONSIBILITY FOR MEETING TRANSFER REQUIREMENTS. Students are advised to obtain a copy of the catalog for their chosen transfer college. Counselors provide assistance, but it is up to each individual student to decide upon an educational goal, to take the responsibility for devising a long-range educational plan to achieve this goal, to read the college catalog of the transfer college or university of her or his choice, and then to choose the appropriate WCC courses to satisfy the requirements for transfer to that college or university.

TRANSFER TO A UNIVERSITY OF CALIFORNIA SYSTEM AND CALIFORNIA STATE UNIVERSITY SYSTEM. A program which community college transfer students may use to fulfill lower division general education requirements for almost all schools in either the California State University or University of California system is the Intersegmental General Education Transfer Curriculum (IGETC). Refer to the IGETC paragraphs in this Catalog.
LOWER-DIVISION TRANSFER PATTERNS (LDTP)

The Lower-Division Transfer Pattern (LDTP) project, sponsored by the California State University (CSU) and supported by the California Community Colleges, presents potential transfer students with the most direct path to a bachelor’s degree in the CSU system. The LDTP project provides a set of “road maps” for students to follow that will ensure appropriate academic preparation and that will decrease time to graduation once LDTP students enter the CSU. Students may enter into an LDTP agreement up to the time they have completed 45 transferable units. Students who elect to follow the LDTP option will receive the highest priority for admission to a CSU campus.

“Highest priority for admission” is defined as a written guarantee of admission to a particular CSU campus and major, and it goes into effect when both the student and the CSU campus ratify an LDTP agreement. The guarantee is subject both to satisfactory completion of the agreement requirements and to the campus’s ability to accommodate the student. Students will be asked to complete successfully a specified set of general education courses and major courses that will be common to all CSU campuses offering that major, and they will be asked to complete successfully an additional set of courses identified by the particular CSU campus named in the LDTP agreement. The coursework in the systemwide and campus-specific LDTP pattern will total at least 60 units, the number needed to transfer to CSU as an upper-division student.

Through CSU Mentor and ASSIST, students and counselors will be able to find road maps detailing course-work preparation by CSU campus and major.

IDENTIFICATION OF UC AND CSU COURSE TRANSFER STATUS. The status of a transfer course is indicated next to the course title in the “Course Descriptions” section of this Catalog. If the course is transferable, the designator “Transfer Status:” appears. “Transfer Status: CSU” indicates that the course credit transfers to all of the California State Universities (for at least elective credit). “Transfer Status: CSU; UC” indicates that the course credit transfers to all of the California State Universities and all of the University of California campuses (for at least elective credit). If the designator “unit limitation” appears (i.e., Transfer Status: CSU; UC unit limitation), the transferability of the units to the University of California are limited in some way when combined with other courses in the discipline. NOTE: Subject to change without notification, check with a counselor for current information.

TRANSFER TO INDEPENDENT COLLEGES AND UNIVERSITIES. Admission requirements to independent colleges and universities vary. Course transferability and course credit allowed at independent college and universities also vary. Students should consult the transfer school catalog for specific requirements and transferability, or make an appointment with their counselor to clarify admission standards.

UNIVERSITY OF CALIFORNIA SCHOLARSHIP REQUIREMENTS. Students who are eligible to enter the University directly from high school may enter as juniors after receiving the associate degree at WCC, or at any time previous, if they have maintained a “C” (2.0) grade point average. WCC requires a 2.0 grade point average for the associate degree. The University recommends completion of the associate degree requirements before transfer.

Students who were ineligible to attend the University directly from high school must complete all but two of the high school deficiencies, should obtain the Associate in Arts Degree, should complete the University’s breadth and major requirements, and must maintain at least a “C+” (2.40) grade point average. If students wish to transfer prior to earning a degree, they must have (1) earned at least 60 transferable units, if they had a high school GPA deficiency, with (2) a grade point average of 2.44 (out-of-state, 2.80), and (3) must complete all but two high school deficiencies. However, the high school requirements in English and Mathematics must be completed before transfer. Course requirements vary on the different campuses; students should consult the catalog of the particular campus of their choice.

The University requires the completion of 120 semester units or more for the bachelor’s degree, of which approximately 50 units must be earned in upper division courses; thus 70 semester (105 quarter) units is the maximum which may effectively be transferred from WCC. The University (except for UC, Berkeley) is on the Quarter System; to convert WCC semester units to the University quarter units, multiply the WCC units by one and one-half; e.g., six semester units equal nine quarter units. See a WCC counselor for a list of transferable courses to the University of California.

ADVANCED STANDING SELECTION CRITERIA TO THE UNIVERSITY OF CALIFORNIA. The University makes every effort to provide a place on one of its campuses for all California resident applicants who meet the minimum admission requirements and file an application during the appropriate filing period. In recent years, the number of applicants for some campuses and some majors has far exceeded the number of spaces available. When a campus cannot accept all eligible applicants, it uses standards that are more demanding than the minimum requirements to select students. These criteria are listed below.

**Academic Criteria:**

1. Completion of a specified pattern or number of courses that meet general education or breadth requirements.
2. Completion of a specified pattern or number of courses that provide continuity with upper division courses in the major.
3. GPA in all transferable courses.
4. Participation in academically selective honors courses or programs.
Supplemental Criteria:

1. Special talents, interests, or experiences — beyond those indicated by the academic criteria — that demonstrate unusual promise of leadership, achievement, and service in a particular field such as civic life or the arts.

2. Special circumstances that have adversely affected the applicant’s life experiences. These circumstances may include, for example, disabilities, personal difficulties, low family income, refugee status, or veteran status.

3. Ethnic identity, gender, and location of residence. These factors are considered to provide cultural, racial, geographic, and socioeconomic diversity in the student population.

CALIFORNIA STATE UNIVERSITY SYSTEM LOWER DIVISION REQUIREMENTS. California State University requirements vary slightly from campus to campus and from major to major. Requirements for some of the more popular majors are included on the following pages. For requirements of other colleges and majors than illustrated, students should consult both the catalog of the State University or campus of their choice and their counselor at WCC.

The California Administrative Code, Title V, Section 40409 provides that up to 70 semester (105 quarter) units of credit, exclusive of any credit granted for military service, may be transferred from a community college to any State University campus. Students must be certain, however, to select courses at Yuba College appropriate in the major and to the State University campus which they have selected. When otherwise appropriately selected, all WCC courses numbered 1 through 49 are designed for transfer.

State law compels all State University campuses to require a minimum of 48 units of General Education; 39 units are usually completed in lower division and the remaining 9 units in upper division. See also the following pages.

Many four-year institutions require Ethnic Studies classes for graduation. Consult a WCC counselor.

NOTICE: California State University transfer students must take the English Placement Test (EPT) and the Entry Level Mathematics Test (ELM) before or during their first semester to determine proper placement in English and mathematics courses. The consequences for not taking the tests on time are serious.

Students will be exempt and not have to take these tests if they have taken an approved college composition course with a grade of “C” or better, and an approved General Education mathematics course above the level of Intermediate Algebra with a grade of “C” or better. Consult with your counselor for further information.

ADMISSION REQUIREMENTS TO THE CALIFORNIA STATE UNIVERSITY. Community college students may be admitted to the CSU system as either upper division or lower division transfers depending on space availability. Upper division transfers (students with 56 or more CSU transferable units) will always be given priority consideration for admission and eligibility will be based upon academic performance at the college level. Lower division transfers will only be admitted if space permits and eligibility was established at the high school level.

Students who were eligible to enter the California State University system directly from high school may enter as juniors after receiving the Associate in Arts or the Associate in Science degree at WCC, or at any time previous, if they have maintained a “C” (2.0) grade point average. WCC requires the 2.0 grade point average for either the Associate in Arts or the Associate in Science degree.

Students who were ineligible to attend the State University System directly from high school should obtain the associate degree, complete a selected State University’s major and General Education requirements, and must also complete 56 transferable units with a “C” (2.0) grade point average before becoming eligible for transfer. Deficiencies in college preparatory high school subjects must also be made up. These students must complete 30 units from the CSU General Education Breadth Requirements which include A(1), A(2), A(3), and B(4). See a WCC counselor for details.

WCC transfers an impressive number of students to the California State University system. Admission representatives from local CSU campuses visit the Transfer Center on a regular basis. Check with the Center for more detailed information.

MAKING UP MISSING COLLEGE PREPARATORY COURSES. To be eligible for admission to the California State University as a freshman, the student who graduated from high school June, 1984, or later must have completed, with grades of “C” or better, four years of high school college preparatory English and two years of high school college preparatory mathematics in addition to meeting the eligibility index. Students who enter college fall, 1988, or later must have completed, with grades of “C” or better, four years of high school college preparatory English, four years of high school college preparatory mathematics, one year of United States History, one year of laboratory science, two years of foreign language, one year of visual or performing arts, and three years of electives, in addition to meeting the eligibility index.
California State University General Education Breadth Requirements (2006/07)**

These requirements are subject to change each year. Contact a YCCD counselor for updates verified after the Catalog publication date. A minimum of 48 semester units in General Education (G.E.) is required for a BA/BS degree, 9 semester units must be at the upper division level. This pattern is designed to satisfy the 39 units of lower division G.E. requirement to any of the CSU campuses. G.E. units in excess of 39 completed at YCCD may transfer as lower division major and/or elective (70 C.C.. units maximum). Minimum of 9 units in areas A,B, C, and D:

A. COMMUNICATION IN THE ENGLISH LANGUAGE AND CRITICAL THINKING - 9 units
(One course required from 1, 2, and 3)

(1) ORAL COMMUNICATION - Speech 1,3,6,7,9
(2) WRITTEN COMMUNICATION - English 1A
(3) CRITICAL THINKING - English 1B, 1C; (formerly Engl 41) Philosophy 12; Speech 3

B. PHYSICAL UNIVERSE AND ITS LIFE FORMS - 9 units
(One course required from 1 and 2 [including lab], and 4)

(1) PHYSICAL SCIENCE - Astronomy 1,10, 11*; Chemistry 1A*, 1B*, 2A*, 2B*, 3A, 3B, 8, 9*, 10; Ecology,11*, 12; Geography 1; Geology 10, 10L*, 11L*; Physical Science 10A, 10B, 10C*; Physics 2A, 2B, 3A*, 3B*, 4A*, 4B*,10L*, (* denotes labs)

(2) LIFE SCIENCE — Anthropology 1; Biology 1*, 2*, 3*, 4*, 5*, 6*, 10, 10L*, 11*, 15*, 25; Ecology 11*, 12; Plant Science 20, 20L*, 22, 22L* (* denotes labs)

(3) One course from (1) or (2) above must be a laboratory course (* denotes labs)

(4) MATHEMATICS/QUANTITATIVE REASONING - Mathematics 1A, 1B, 7,9,10, 15A, 15B, 21, 25; Statistics 1

C. ARTS, LITERATURE, PHILOSOPHY, AND FOREIGN LANGUAGE - 9 units
(Must include courses from 1 and 2; courses must be taken in at least two disciplines.)

(1) ARTS (Art, Dance, Music, Theatre) Art 1A, 1B, 1C, 3A, 3B, 5, 31R; Asian American Studies 31;

Early Childhood Education 21; English 2, 33, 34; Humanities 3,5,10,11,12,15, 16, 26A, 26B, 31,33,34; Mass Communications 11R; Music 1, 1A, 1B, 3, 8A, 8B, 12,15, 16; Speech 2; Theatre Arts 10,33,34; Women’s Studies 26A, 26B

(2) HUMANITIES (Literature, Philosophy, Foreign Language) -
Afro American Studies 12A, 12B, 16A, 16B; Asian American Studies 14, 31; Early Childhood Education 39; English 1B, 2, 30A, 30B, 31A, 31B,36,37,38,39 42, 44A, 44B, 46A, 46B; French 1,2
German 1,2,3,4
History 4A, 4B, 5A, 5B, 6, 7, 8, 11, 12A, 12B, 14, 15, 16A, 16B, 17A, 17B, 29; Humanities 10, 11, 12, 20, 31; La Raza Studies 15; Music 12; Native American Studies 7; Philosophy 1, 2, 3, 20; Spanish 1,2,3,4,10, 20A, 20B, 35, 36; Speech 2; Women’s Studies 29,37

D. SOCIAL, POLITICAL, AND ECONOMIC INSTITUTIONS AND BEHAVIOR, HISTORICAL BACKGROUND - 9 units
(Courses must be taken in at least two disciplines.) Administration of Justice 10; Afro American Studies 12A, 12B, 16A, 16B; Anthropology 2, 3; Asian American Studies 14; Early Childhood Education 3, 31; Economics 1A, 1B; English 4; Family and Consumer Science 31; Geography 2; History 4A, 4B, 5A, 5B, 7,8,11, 12A, 12B, 14,15, 16A, 16B, 17A, 17B, 29; La Raza Studies 1, 15; Mass Communications 2; Native American Studies 7; Political Science 1; Psychology 1A, 1B, 12, 22, 31, 32, 33, 40, 41, 46; Social Science 1,4;

Speech 8; Social Science 1, 4; Sociology 1, 2, 5, 10, 30, 35;
E. **LIFELONG UNDERSTANDING AND SELF-DEVELOPMENT** - 3 units
   Counseling 10, 25;
   Family and Consumer Science 10,
   General Business 25;
   Health Education 1;
   Approved Physical Education activities
   (1.5 units maximum);
   Psychology 1A, 1B, 12, 31, 32, 33, 41, 46;
   Sociology 30;
   Women’s Studies 31

**See a Yuba Community College District counselor for additional G.E. and major requirements for a specific CSU campus.**

**California State University U.S.**

**History, Constitutions and American Ideals Requirement**

All campuses of the California State University system require course work in American History and National and Local Constitutions. Some campuses double count units taken for these requirements in General Education Breadth Social Science area.

**Complete one course each from (1) and (2) Or two courses from (3) to meet this requirement.**

(1) History 15, 17A, 17B; LaRaza Studies 15;
(2) POLSCI 1;
(3) History 17A and History 17B

**Intersegmental General Education Transfer Curriculum (IGETC) (2006/07)**

*NOTE: Students should check with a counselor for updates verified after Catalog publication date.*

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which community college transfer students may use to fulfill lower division general education requirements in either the CSU or UC. Because of its generic nature, and agreements between the CSU, the UC, and the community college system, completion of the IGETC to fulfill lower division general education requirements has become a common path taken by community college students who transfer to the CSU or UC.

Completion of the IGETC, in itself, does not improve eligibility for admission to the CSU or UC, or admission to a specific campus or program.

The IGETC will permit a student to transfer from a community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower division, general education courses to satisfy campus General Education requirements.

Completion of the IGETC is not a requirement for transfer to a CSU or UC campus, nor is it the only way to fulfill the lower division, general education requirements of CSU or UC prior to transfer.

**See a counselor for segmental and campus-specific admission requirements and lower division major requirements.**

Some students may be better served by taking courses which fulfill the CSU General Education Breadth requirements or those of the UC campus or college to which they plan to transfer. Students pursuing majors that require extensive lower division major preparation may not find the IGETC option to be advantageous. The IGETC is most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus. Fifth and Revelle Colleges at UC, San Diego, the School of Business at U. C., Berkeley, and the School of Architecture at UC, Berkeley will not accept the IGETC. Schools of Engineering do not generally recommend the IGETC—see a counselor for assistance in planning your program.

All course work applicable to the IGETC must be completed and certified by the last California community college attended prior to transfer in order to be accepted by CSU and UC. Except under special circumstances, “certification” means that the last community college attended prior to transfer to the UC or CSU campus will verify that the student has completed the IGETC (see “IGETC After Transfer Policy”). In addition to the course requirements for each subject area, full certification for the CSU must include completion of the Oral Communication requirement. For the UC, Oral Communication is not required, but the certification must include satisfaction of the foreign language proficiency requirement. All courses must be completed with a grade of “C” or better.

**AREA 1. ENGLISH COMMUNICATION**

(CSU - 3 courses required, one from each group below; UC - 2 courses required, one each from Group A and B.)

Group A: English Composition; 1 course; 3 semester, 4-5 quarter units
   English 1A

Group B: Critical Thinking-English Composition; 1 course; 3 semester, 4-5 quarter units
   English 1C* (formerly English 41)

Group C: Oral Communication (CSU requirement only) - 1 course; 3 semester 4-5 quarter units
   Speech 1, 3, 6, 7, 9

**AREA 2. MATHEMATICAL CONCEPTS and QUANTITATIVE REASONING**

1 course; 3 semester, 4-5 quarter units
   Mathematics 1A+, 1B, 7, 9+, 25; Statistics 1
AREA 3. ARTS and HUMANITIES

At least 3 courses, with at least one course from the Arts and one course from the Humanities; 9 semester, 12-15 quarter units

Arts: Art 1A, 1B, 1C, 3A+, 3B+; English 33, 34; Humanities 3, 5, 12, 15, 16, 26A+, 26B+, 33*, 34; Music 3, 9A, 12, 15*; Theatre Arts 10, 33, 34; Women 26A+, 26B+

Humanities: AfroAmerican Studies 12A*, 12B*, 16A+, 16B++; Asian American Studies 14*, 31; English 1B, 30A, 30B, 33, 36, 37, 38, 42, 44A, 44B, 46A, 46B; German 3*, 4*; History 4A+, 4B+, 5A++, 5B++, 7*, 8, 11, 12A*, 12B*, 14*, 15, 16A++, 16B++, 17A*, 17B+, 29; Humanities 10, 15, 31, 33*; La Raza Studies 15*; Music 1A, 1B, 15; Native American Studies 7*; Philosophy 1, 2, 3, 20; Spanish 3++, 4*, 20A++, 20B+*, 35; Theatre Arts 33; Women's Studies 29, 37

AREA 4. SOCIAL AND BEHAVIORAL SCIENCES

At least 3 courses from at least 2 disciplines or an interdisciplinary sequence; 9 semester, 12-15 quarter units

AfroAmerican Studies 12A*, 12B*, 16A+, 16B++; Anthropology 2, 3; Asian American Studies 14*; Early Childhood Education 31; Economics 1A, 1B; Family and Consumer Science 31; Geography 2; History 5A++, 5B++, 7*, 12A*, 12B*, 14*, 15*, 16A++, 16B++; La Raza Studies 1, 15*; Native American Studies 7*; Political Science 1; Psychology 1A, 1B, 12, 22, 31*, 33, 40, 41, 46; Social Science 1, 4; Sociology 1, 2, 3, 10, 30, 35; Speech 8; Women's Studies 31, 35

AREA 5. PHYSICAL and BIOLOGICAL SCIENCES

At least 2 courses, one Physical Science course and one Biological Science course; at least one must include a laboratory (indicated by “L” in parentheses); 7-9 semester, 9-12 quarter units

Physical Sciences
Astronomy 1+; Chemistry 1A(L)+, 1B(L)+, 2A(L)+, 2B(L)+, 3A+, 3B, 8, 9(L), 10+; Geography 1; Geology 10+; 10L(L)+
Physical Science 10A+, 10B+, 10C(L); Physics 2A+, 2B+, 3A(L)+, 3B(L)+, 4A(L)+, 4B(L)+, 10L(L)+

Biological Sciences
Anthropology 1; Biology 1(L), 2(L), 3(L), 4(L), 5(L), 6(L), 10+, 10L(L)+, 11(L)+, 15(L)+, 25; Ecology 12; Plant Science 20+, 20L(L)+, 22(L)+, 22L(L)+

LANGUAGE OTHER THAN ENGLISH (UC requirement only):
Complete two years of the same foreign language of high school-level work with a grade of “C” or better,
OR earn a score of three or higher on the Foreign Language Advanced Placement Test,
OR complete 4-5 units from the courses listed below.
College course(s) that meet the proficiency level;
French 1, 2; German 1, 2, 3, 4; Sign Language 1, 2, 3;
Spanish 1+, 2, 3+, 4*, 20A++, 20B+*

*Courses designated with an asterisk may be counted in one area only.
+Indicates that transfer credit is limited by either UC or CSU or both. Consult with a counselor for additional information.
(L) Designates courses with a laboratory.
(#) Indicates both courses must be completed to meet area requirement.

IGETC AFTER TRANSFER POLICY. The IGETC After Transfer Policy provides students, under special circumstances, the opportunity to complete a maximum of two IGETC courses after transferring to UC or CSU for full certification, provided the two courses are not required for admission to either system. Eligibility for completion of IGETC After Transfer must be based on demonstrated need such as illness, unavailable or canceled courses, military service, or unexpected hardships, such as family or employment problems that took place in the final term prior to transfer. In those instances, a “Petition for Eligibility to Complete IGETC After Transfer” form must be completed. Students should consult a counselor to discuss options and limitations for completing IGETC requirements after transfer.

THE UNIVERSITY STUDIES MAJOR

The Associate in Arts Degree, University Studies is a transfer degree program designed for students who plan to transfer to a CSU or UC campus. Students are encouraged to consult a WCC counselor to ensure appropriate course selection.

To complete the University Studies major, students complete 18 units from the current California State University General Education list (see Transfer section) or the University of California/California State University Intersegmental General Education Transfer curriculum (see IGETC section). Courses must represent at least three different areas of the pattern selected. These courses must be in addition to those taken to fulfill the Yuba Community College District General Education requirements (see graduation information page).
Programs and Options

Do you wish to earn a college degree in a CAREER PROGRAM and prepare to take a job at the end of your college course?

- You will find some of the occupational curricula in the next section. Your counselor will help you make a wise choice.
- You should earn an associate degree from the Yuba Community College District.
- You will have an opportunity to secure advanced training in several occupational fields.

Do you wish to increase your skills without working toward a college degree?

- You will find some of the occupational curricula in the next section. A counselor can suggest others.
- You do not have to earn a degree.
- You may wish to earn a Certificate of Completion or Certificate of Training.
- You may attend for as long or as short a period as you desire.
- You may attend as a part-time or full-time student.
- You may register in either the day or evening programs, or both.
- You may select any course offered in the college subject to conditions set forth in this Catalog.

Unless specifically exempt by statute, all courses of study (programs), regardless of where offered, are open to members of the public who are otherwise eligible for admission to the District. Where prerequisites are necessary, they are academic in nature and may take the form of a course to complete, or a qualifying score to earn on an objective test.

Avenues to Better Jobs

The following information provides avenues to better jobs, including Articulation Agreements, Certificates of Training, Certificates of Completion, Associate in Science Degree and Associate in Arts Degree programs. These planned programs are a sample of the occupational-technical education available in the District.

Certificate programs cannot be completed at all locations. Consult each Schedule of Classes and a counselor before selecting a particular training program.

Tech Prep/2+2

The Tech Prep Program awards college credit to high school students who meet articulation requirements. An articulated course is one in which the high school instructor and college faculty formally agree that the high school’s course outline, syllabus, textbook, and final exam are comparable to those in a course at Woodland Community College. Tech Prep programs prepare students to earn a certificate, an associate’s degree, transfer to a 4-year university, and/or ultimately enter the workforce.

For more information about the Tech Prep Program, contact the Yuba Community College District Tech Prep Office at (530) 634-7785, visit the Woodland Community College Career Center, or see your counselor. Visit the Tech Prep website at www.yccd.edu/techprep for more information.

Programs Articulated with ROP and Secondary Institutions

Programs listed below have at least one class articulated with secondary institutions. Students should check with their counselor if they have questions about specific classes or to determine if they are eligible for advance placement and/or college credit for courses completed at the secondary level.

Accounting
Administration of Justice
Agriculture
- Animal Science
- Environmental Horticulture
Art-Applied Photography
Business
- Administrative Assistant
- Business Computer Applications
- Clerical
- Information Technology
- Medical Office Skills
- Word Processing
Drafting

Woodland Community College
Associate in Arts (A.A.) and Associate in Science (A.S.) Degree Programs

A student must file a Petition for Graduation. The District holds the graduation ceremony once a year (end of May/first part of June) and students who wish their name to appear in the graduation program must submit a Petition to the Records Office by May 1. However, the student may petition to graduate at the end of the Fall, Spring, or Summer terms. The deadlines to petition are: Fall - November 15; Spring - April 15; Summer - July 1.

A student who wishes to receive an Associate degree should consult a District counselor. The counselor will assist the student in planning the courses required to satisfy the major for the degree. Diplomas printed for a “general education” major will NOT have the major printed on the diploma.

In order to receive a degree in one of the specific majors for the Associate in Arts or Associate in Science Degrees, a student is required to complete the specific courses listed with a grade of “C” or better. After successful completion of the specific major (and all other graduation requirements), the specific major for the degree will be printed on the diploma.

No courses for the specific majors may be waived. Equivalent course work may be substituted only with approval. The student should submit a petition to the College Standards Subcommittee. Petitions will be forwarded to the (division) Associate Dean for division recommendation of action.

A student may petition for only one “general education” degree since the major will not be printed on the diploma. A student who is earning a degree in one of the specific majors may petition for any specific major in which he/she has met all graduation requirements.

Certificate of Completion

Courses taken to satisfy requirements for a Certificate of Training provide the core courses for students electing the goal of a Certificate of Completion in an occupational area. This goal requires more time and commitment, but better qualifies the student for employment by adding other required or elective courses. The Certificate of Completion requires 18-42 units and may be completed in one to two years.

Certificate of Training

Each department is authorized to recommend short-term training program options and students are encouraged to plan and pursue short-term occupational training goals. Certificates of Training are less than 18 units in length. Some certificates can be completed in as little time as one semester, others may require a longer period depending on the frequency of course offerings or the student’s time commitment.

Requirements for Training

In order to verify competency in training for performance by issuing a certificate: a “C” or better, or “CR” grade must be earned in each course; and all courses required for the certificate must be taken at a Yuba Community College District campus within the four years immediately preceding the granting of the certificate. However, students who are required to repeat a class for the “recency” requirement must realize they may NOT earn additional units for completion of the course. The student must file a Student Petition to repeat the class in which a “C” or better grade was earned. If granted, the course will be listed on the academic record, but will be noted so the units and grade are not counted in the cumulative totals.

Exceptions: A petition may be submitted to the Dean for consideration of outside work, not to exceed one half of the required units. Each petition will be considered individually, and final determination rests with the Associate Dean or Executive Dean in consultation with appropriate faculty. The four-year requirement may also be petitioned in the same manner. The petition may be obtained at the Registration Office. After completing the petition, the petition may be returned to the Registration Office—and will be forwarded to the appropriate Associate/Executive Dean for action.

Applying for Certificate of Completion or Training (for 12 Units or more)

1. AFTER completing all requirements for the certificate, the student obtains a “Petition for Certificate Card” from the Registration Office.
2. Student completes the Petition Card and files it with the Registration Office.
3. The Registration Office sends the Petition for Certificate Card and a copy of the student’s transcript to the appropriate Dean.
4. The Appropriate Dean verifies eligibility, completes the certificate, and mails it to the student.
5. The Appropriate Dean completes the Petition for Certificate Card and returns it to the Records Office.
6. The Records Office records the “approved” Petition for Certificate Card and records the certificate information on the student’s academic record.
Course Information

This Announcement of Courses provides the most complete listing of courses available. Courses are continuously modified and updated, and offered on an as-needed basis at each location.

Admission to Courses

OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, ADN, LVN, Psychiatric Technician, etc.);
- Courses closed by maximum enrollment of students by the “priority registration” or “first come, first served” registration policies;
- Courses with academic requisites (prerequisites and corequisites) that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

REQUISITES

“Prerequisite” means the preparation or previous course work considered necessary for success in the course. Prerequisites are required only for courses where specific academic background is necessary in order to assure students a reasonable chance of success in the course. Prerequisites which are listed as “required” include:

- Courses for which specific prerequisites have been validated,
- Sequential course work in a degree or program, or
- Courses in which a prerequisite is necessary for transfer to a four-year college.

Responsibility for having met the prerequisite rests with the student. A grade of “C” or better is required to meet a course prerequisite.

“Corequisites” for a course are those courses which must generally be taken concurrently with the course. Corequisites provide the necessary skill or supplementary body of knowledge or laboratory time during the course to help assure success in the course.

Concerns about requisites are best resolved with a college counselor or the course instructor prior to the first day of class.

POLICY FOR PETITIONING OR WAIVING COURSE PREREQUISITES

Course placement is determined by a process in which the student and counselor review all assessment criteria available. Students who wish to petition their recommended placement or the waiver of a prerequisite should be prepared to give evidence or justification why the exemption should be granted. Reasons for seeking a prerequisite waiver may include one or more of the following:

- Prerequisite course is not available,
- Prerequisite has not been validated,
- Student has the knowledge or ability to succeed in the course without meeting the prerequisite, or
- Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Check with a counselor, your site administrator, or the Dean of Student Development to obtain the required forms.

Challenges to prerequisites/corequisites shall be on the approved form and filed at the location where the student registers for the majority of her/his classes. Challenges at the Yuba College main campus in Marysville should be filed with the Dean of Student Development. Challenges at other locations should be filed with the executive dean or site administrator.

Yuba College strongly encourages that the language and mathematics skill levels of new students be assessed by the Placement Examination (CPT or equivalent) prior to enrollment in most courses. The placement scores provide students and counselors with information helpful to select appropriate courses that are taught at the skill levels of the student. These test scores serve as recommended guidelines in the selection of entry level courses for which the course content requires college level skill proficiency for successful participation. Other factors are also considered in a multiple measures approach.

Placement Examination scores, in combination with other factors, are used to help place students in one of the levels of reading, writing, and mathematics courses listed below. After satisfactorily completing the appropriate skills course, students may progress by enrolling in the course at the next higher level. Students should consult a counselor for an evaluation of placement scores and discussion of other factors that affect placement. Refer to “Placement Levels” in this Catalog.
Key to Numbers and Listings

Content and policies expressed in this Catalog are believed to be true and correct as of the date of publication. Courses are listed alphabetically by department and numerically within the listing of each department. Units of credit are shown in parentheses immediately following the course title.

Any course listed in this Catalog may be offered in the summer session, evening, or off-campus programs at any time there is a sufficient number of students available, generally fifteen, to justify offering the course.

Students should consult the printed Schedule of Classes to determine which courses will be offered during a given semester. Any course listed in the Schedule of Classes may be canceled when the enrollment is insufficient to justify offering the class, or an instructor is not available.

COURSE “10”

The number “10” in each department is generally reserved for the basic General Education course in the discipline.

COURSE “47”, “48”, “49”, “97”

Refer to “Course Descriptions”

COURSE NUMBERING/TRANSFER OF CREDITS

It is imperative that students planning to transfer to a university or four-year college plan their program with a District counselor as there may be variances in courses accepted at certain universities. The District’s courses are listed within a variety of numbering series as an aid in interpreting the nature of the course, as follows

PRIOR TO JULY 1, 1974: All courses numbered 1 through 99 were of collegiate grade and carried transfer credit to four-year colleges and universities. Courses numbered 100 and up were not intended for transfer to four-year colleges; however, all credit courses in the District were used toward requirements for degrees and certificates.

JULY 1, 1974 TO JUNE 30, 1989:

1-49 Designed as Admissions List courses intended to carry transfer credits to all baccalaureate degree-granting colleges and universities.

50-99 Not primarily designed for transfer purposes, but taught at the level and of such quality that acceptance is recommended at any college or university offering such course work or offering program in which such course would be appropriate.

100–199 Series: Developmental/Remedial.

200–299 Series: Primarily designed at the technical level; usually will be courses specifically designed as part of a program(s) leading directly to employment. Under special circumstances, a Baccalaureate degree-granting institution may wish to accept such courses for transfer credit.

JULY 1, 1983 TO JUNE 30, 1989:

A maximum of 6 semester units of courses numbered 100 to 199 can be counted toward the associate degree.

CURRENT COURSE NUMBERING DEFINITIONS:

1–49 Series: Designed as Admissions List courses intended to carry transfer credit to all baccalaureate degree granting colleges and universities.

50–99 Series: Not primarily designed for transfer purposes, but taught at the level and of such quality that acceptance is recommended at any college or university offering such course work or offering program in which such course work would be appropriate.

100–199 Series: Developmental/Remedial.

200–299 Series: Primarily designed at the technical level; usually will be courses specifically designed as part of a program(s) leading directly to employment. Under special circumstances, a Baccalaureate degree-granting institution may wish to accept such courses for transfer credit.

JULY 1, 1983 TO JUNE 30, 1989:

A maximum of 6 semester units of courses numbered 100 to 199 can be counted toward the associate degree.

CURRENT COURSE NUMBERING DEFINITIONS:

1–49 Series: Designed as Admissions List courses intended to carry transfer credit to all baccalaureate degree granting colleges and universities.

50–99 Series: Not primarily designed for transfer purposes, but taught at the level and of such quality that acceptance is recommended at any college or university offering such course work or offering program in which such course work would be appropriate.

100–199 Series: Non–associate degree credit basic skills remedial courses intended to prepare students to succeed in courses at the associate degree level.

200–299 Series: Non–associate degree credit courses that are either, (1) vocational courses intended to prepare students for postsecondary vocational education or for occupations not requiring associate degree level skills for entry or, (2) academic development courses, other than remedial basic skills, intended to prepare students to succeed in associate degree level course work.

500 Series: Noncredit courses sometimes referred to as “Adult Education Courses.”
Transfer Status Designation

As indicated previously, the course number system is a guide to course transferability. In addition, the status of a transfer course is indicated next to the course title. If the course is transferable, the designator “Transfer Status:” appears. “Transfer Status: CSU” indicates that the course credit transfers to all of the California State Universities. “Transfer Status: CSU; UC” indicates that the course credit transfers to all of the California State Universities and all of the University of California campuses. If the designator “unit limitation” appears (i.e., Transfer Status: CSU; UC unit limitation), the transferability of the units to the University of California are limited in some way when combined with other courses in the discipline. Questions concerning these courses should be directed to a counselor.

California Articulation Number System (CAN)

The California Articulation Number (CAN) System is a statewide numbering system independent from course numbers assigned by local colleges. A CAN number signals that participating California colleges and universities have determined that courses offered by other campuses are equivalent in content and scope to courses offered on their own campuses, regardless of their unique titles or local identifying numbers. Thus, if a schedule of classes or catalog lists a course bearing a CAN number, students on one campus can be assured that it will be accepted in lieu of the comparable CAN course noted in the catalog or schedule of classes at another campus. For example, CAN ECON 2 on one campus will be accepted as meeting the requirement of the designated CAN ECON 2 course on other participating community college or university campuses.

The CAN numbering system is obviously useful for students attending more than one community college and is applied to many of the transferable, lower division courses students need as preparation for their intended major.

Note: CAN approved courses will be honored until replaced by the Transfer CSU (TCSU) number or until Spring 2009. Please see a counselor for more information.

Repeatable Courses

Some courses are progressive in nature and provide an expanded educational experience when repeated. These courses are identified by the letter “R” following the course number. California State regulations prohibit enrolling in a repeatable course more than four times. Students who have exhausted the maximum number of repeats in a specific course, see “Audit Policy.”

Courses in the same “area” are all counted towards the repeat maximum (i.e., Beginning Tennis, Intermediate Tennis, and Advanced Tennis are all counted as “Tennis” and may only be taken for a total of four enrollments in any combination.

Cooperative Education Work Experience classes may only be repeated for a maximum of four times -- with no more than 16 units combined in any level of work experience/internship courses (with a maximum of six units in General Work Experience).

Unit of Credit

The Unit of Credit is the semester hour. One unit of credit is granted for each hour of lecture or discussion, two-to-three hours of laboratory, or two hours of activity per week, for a 17-week semester. For most courses, students will be expected to spend an average of two hours in preparation or study for each hour of lecture or recitation.

Credit is allowed only upon satisfactory completion of a course; no partial units of credit are allowed when the student must withdraw prior to completion of the course except in an open–entry, open–exit, individualized course.

Units of Credit are generally offered for the number of units indicated. To serve the purposes of the students and the District, however, courses may on occasion be offered for less than the number of units indicated in the Course Outline.
Administration of Justice offers degree programs designed for entry into law enforcement, corrections, and related fields, and for already employed persons to further themselves academically and vocationally.

Woodland Community College offers:

- An Associate in Science Degree Program for students planning to enter law enforcement, corrections, or a related area after two years of course work (see specific degree requirements).
- A Transfer Program intended for students wishing to pursue a bachelor’s degree.

**AJ 10—Introduction to Law Enforcement (3 units) CSU/UC**

History and philosophy of criminal justice; overview of criminal justice system identifying the various segments, their roles, and interrelationships. Required for all criminal justice majors. (L)

**AJ 11—Criminal Law (3 units) CSU/UC**

History, philosophy, and constitutional provisions of criminal law, including exploration of crimes against persons, property, and the State. (L)

**AJ 13—Evidence (3 units) CSU**

Origin, development, and philosophy of evidence; types, degrees, and rules governing admissibility; judicial decisions interpreting individual rights; arrest, and search and seizure. (L)

**AJ 14—Criminal Justice Process (3 units) CSU**

Legal processes from pre-arrest, arrest through trial, sentencing, and correction procedures; a review of the history of case and common law; conceptual interpretations of law as reflected in court decisions; a study of case law methodology and case research as the decisions impact upon the procedures of the justice system. (L)

**AJ 15—Criminal Investigation (3 units) CSU**

Fundamentals of investigation; techniques of crime scene search and recording; collection and preservation of physical evidence; modus operandi processes; sources of information; interview and interrogation; follow-up investigation. (L)

**AJ 16—Police Operations (3 units) CSU**

Philosophy, functions, organization, duties, and analysis of police operational functions, including public service responsibilities and special police problems. (L)

**AJ 19—Community Relations (3 units) CSU/UC**

Role of police service as perceived by various segments of the community and the officer: interrelationships between the criminal justice agencies, employees, and the public. (L)
Agriculture, Environmental Horticulture, and Plant Science

California Agriculture represents a model of food and fiber production for the rest of the world. Producing over 300 different crops, the agriculture economy generates over $20 billion on a continued decline of land acres. The program of courses offered in the Agriculture department will prepare students for a variety of occupations in Agriculture, and will prepare student for transfer to higher institutions.

Courses in agriculture, environmental horticulture, and plant sciences are designed for total student access. Many courses are available on campus and online. Students completing courses offered by the Agriculture department will gain an appreciation for the interrelationships between agriculture, the environment, world influences, and economic and political pressures.

The Agriculture Department offers A.S. Degrees in Agriculture, Agriculture Business, and Environmental Horticulture. Certificates of Achievement and/or completion are awarded to students in the areas of Environmental Horticulture, Landscape Design, and Landscape Installation/Maintenance. All of the programs offered by the Agriculture department are designed to focus on individuality of each student; allowing each student to select specific electives to represent their specific interests, career, and educational goals.

AG 11—Agricultural Accounting (3 units)   CSU
Basic principles of accounting as applied to agricultural business and farm operations; development of skills needed to create a general ledger and then develop and analyze a balance sheet and profit and loss statement; standard accounting procedures are covered with emphasis on both hand and computer applications. (LM)

AG 13—Marketing (3 units)   CSU
Principles and applications of marketing applied to entrepreneurial ventures including concepts, methods, tactics, and strategies. Traditional methods of marketing as well as marketing on the Internet will be included. Students will develop a marketing plan for a business of their choice. (L)

AG 14—Entrepreneurship (3 units)   CSU
Principles of establishing and managing a small business, including the preparation of a business plan; emphasis on goal-setting, types of business organizations, obtaining licenses and permits, financing options, accounting aspects, legal requirements, managing the enterprise, and other aspects in business entrepreneurship. (LM)

AG 32R—Internship (v1-4 units)   CSU
On-the-job training which coordinates individual career goals with placement at a job site. A maximum of 8 semester units may be earned with a 4-unit maximum per semester. Students enrolling in this class are not eligible for work experience or other internship classes during the same semester. Prerequisite: Demonstrated knowledge in agricultural/production work with particular emphasis on the health and safety issues; demonstrated ability to work safely. Grades are CR/NC. (Repeatable: May be taken two times only.)

AG 44—Horse Production (3 units)   CSU
Overview of the principles of horse production, including anatomy, physiology, reproduction, nutrition, health, breeds and breeding, as well as basic horse vaccination and disease prevention. (LM)

AG 45—Principles of Animal Science (3 units)   CSU/UC
Overview of the principles of animal science and the interrelationships of domestic animals and mankind; investigation of animal anatomy, physiology, reproduction, nutrition, health, products and by-products, as well as behavior and genetics from a scientific perspective. (LM)

AG-45L Principles of Animal Science (4 units)   CSU
Overview of the principles of animal science and the interrelationships of domestic animals and mankind; investigation of animal anatomy, physiology, reproduction, nutrition, health, products and by-products, as well as behavior and genetics from a scientific perspective. Current topics on influence of humans on genetic potential and productivity will be addressed. Experimental design and reporting, animal dissections, basic animal handling and husbandry practices, recognition of animal health, and use of biotechnology in animal science will also be addressed. Not open for credit to student with credit in AG 45. (LM)

AG 46—Animal Feeds and Nutrition (3 units)   CSU
An introduction of the feeds and nutrition of farm animals. This course will study digestive anatomy and physiology, composition and selective of feeds, characteristics of nutrients, principles of nutrition, nutrient requirements of ruminant and non-ruminant animals, and formulation of diets to meet these requirements. (L)

## ENVHR 20—Fund of Environmental Horticulture (3 units) CSU

Fundamentals of environmental horticulture, including garden practices, environment and plant growth, pruning, propagation, soils, fertilizers, and greenhouse techniques.

## ENVHR 21—Plant Propagation (3 units) CSU/UC

Principles and practices in propagating plants; cuttings, budding, grafting, layering, division, separation, and tissue culture; seed and asexual propagation will be covered, as will contemporary commercial techniques of propagation.

## ENVHR 22A—Landscape Plant Identification (3 units) CSU/UC UC-Unit Limit

Identification, habits of growth, cultural requirements, and use of specific ornamental woody and herbaceous plants used in Northern California landscapes; covers different plants than those in ENVHR 22B.

## ENVHR 22B—Landscape Plant Identification (3 units) CSU/UC UC-Unit Limit

Identification, habits of growth, cultural requirements, and use of specific ornamental woody and herbaceous plants used in Northern California landscapes. Covers different plants than those in ENVHR 22A.

## ENVHR 23A—Principles of Landscape Design (3 units) CSU/UC UC-Unit Limit

Techniques of drafting and their relationship to landscape design. Emphasis on the use of landscape drafting equipment, drafting skills, and construction details.

## ENVHR 23B—Advanced Landscape Design (3 units) CSU/UC UC-Unit Limit

Emphasis on landscape design, with projects on sun/shade analysis, conceptual design, site analysis, site planning, presentation drawings, and construction drawings. A set of landscape plans will be developed. Prerequisite: ENVHR 23A

## ENVHR 24—Greenhouse Management (3 units) CSU

Management of plant materials in the greenhouse including greenhouse operations, propagation, growth and development, cultural practices, record keeping, and marketing.

## ENVHR 26—Landscape Installation and Maintenance (3 units) CSU

Principles and practices of landscape installation and maintenance. Techniques for use in commercial, institutional, and home landscaping situations including: construction techniques, pruning, lawn maintenance, disease and pest control.

## ENVHR 50R—Workshop in Floral Design (1 unit)

Elements of design, color, care, and handling of floral materials; six selected arrangements vary from fall to spring semester; projects appropriate to the florist industry. Student must provide a floral knife, wire cutter, scissors, and hand towel. Grades are CR/NC. (Repeatable: May be taken four times only.)

## ENVHR 210—Landscape Pruning (v.5-1 unit)

Principles and practices involved in the proper pruning of ornamental shrubs, ornamental trees, fruit trees, and roses. Grades are CR/NC.

## ENVHR 211—Landscape Irrigation Systems (v.5-1 unit)

Introduces the basics of design, placement, installation, and maintenance of landscape irrigation systems. Grades are CR/NC.

## ENVHR 220A—Gardening: Designing the Yard (v.5 unit)

The basics of designing a yard with emphasis on planting areas, the hard and softscape as well as actually doing a design sketch of a yard. Grades are CR/NC.

## ENVHR 220B—Gardening: Selecting Trees & Shrubs (v.5 unit)

The basics of selecting trees and shrubs for home landscape will be covered with emphasis on trees and shrubs appropriate for the local area. Grades are CR/NC.

## ENVHR 220C—Gardening: Controlling Yard Pests (v.5 unit)

The basics of controlling pests of the home yard: insects, diseases and weeds. A variety of techniques will be discussed including organic techniques. Grades are CR/NC.

## ENVHR 220D—Gardening: Irrigation (v.5 unit)

The course will cover the basics of selecting and designing irrigation systems for the home yard including drip, sprinkler and flood irrigation will be covered. Grades are CR/NC.

## ENVHR 220E—Gardening: The Organic Way (v.5 unit)

The course will cover the basics of managing the home landscape using organic techniques. Organic techniques of fertilizing as well as insect, disease and weed control will be examined. Grades are CR/NC.

Woodland Community College
Plant Science

PLSCI 20—Principles of Plant Science (3 units)  
CSU/UC UC-Unit Limit  
Principles of plant growth including structure, growth processes, propagation, physiology, growth media, and biological competitors. Not open for students with credit in PLSCI 20L. (LM)

PLSCI 20L—Principles of Plant Science (4 units)  
CSU/UC UC-Unit Limit  
Principles of plant growth including structure, growth processes, propagation, physiology, growth media, and biological competitors. Laboratory topics include microscope use, plant structures internal and external, photosynthesis, respiration and other aspects of plant growth and development. Not open for credit to student with credit in PLSCI 20. (LM)

PLSCI 22—Introduction to Soils (3 units)  
CSU/UC UC-Unit Limit  
Physical, chemical, and biological properties of soils as related to plant growth and soil formation. Including the study of soil development, classification and characteristics; soil use and management including erosion, moisture retention, structure, cultivation, organic matter and microbiology. Not open for credit to student with credit in PLSCI 22L. (LM)

PLSCI 22L—Introduction to Soils (4 units)  
CSU/UC UC-Unit Limit  
Physical, chemical, and biological properties of soils as related to plant growth and soil formation. Including the study of soil development, classification and characteristics; soil use and management including erosion, moisture retention, structure, cultivation, organic matter and microbiology. Not open for credit to student with credit in PLSCI 22L. (LM)

PLSCI 31—Introduction to Sustainable Agriculture (3 units)  
CSU  
Introduction to the history, definitions, concepts, principles, and practices of sustainable agricultural systems. Sustainability topics to be discussed include: organic farming, integrated pest management, holistic resource management, non-organic sustainable agriculture, low-input sustainable agriculture, etc. Local examples of enterprises using sustainable agricultural systems will be discussed. (L)

Anthropology

ANTHR 1—Introduction to Physical Anthropology (3 units) (CAN ANTH 2)  
CSU/UC  
Study of human biology, genetics, theory of evolution, primatology, changes in humans through time, human fossil record, human variations today, significance of culture. (L)

ANTHR 2—Cultural Anthropology (3 units) (CAN ANTH 4)  
CSU/UC  
Diversity of cultures from aspects of universals of language, economics, kinship, art, religion, technology, etc.; functional aspects of culture and cultural change; varieties of customs and institutions of different peoples; significance of human culture. (L)

Art

MULTIMEDIA - WEBPAGE DESIGN  
(Certificate of Achievement)*  
*Pending California Community College Chancellor’s Office approval

Required Courses Units  
ART 6A-6B Basic Design.................................................................3  
ART 36A Digital Photography .........................................................3  
COMSC 20 Beginning Web Publishing with HTML .........................3  
IT 42BR Web Page Management and Design ...................................3  
MCOMM 2 Introduction to Mass Communications ..........................3  
Total units required .......................................................................15

ART 1A—History of Art (3 units) (CAN ART 2) CSU/UC  
Survey of art history; painting, sculpture, and architecture; primitive and pre-Columbian art from Paleolithic times through Early Christian World. (L)

ART 1B—History of Art (3 units) (CAN ART 4) CSU/UC  
Survey of art history; painting, sculpture, and architecture; the Middle Ages through the Baroque. (L)

ART 1C—History of Art (3 units) CSU/UC  
Survey of art history; painting, sculpture, photography, and architecture, including a survey of American art; the 19th through the 20th Century. Not open for credit to student with credit in ART 10. (L)

ART 4A—Drawing and Composition (1 or 2 or 3 units) (CAN ART 8) CSU/UC  
Drawing and composition using various materials; basic instruction in perspective, landscape, still life, and other subjects. (L)

ART 4B—Drawing and Composition (1 or 2 or 3 units) CSU/UC  
Drawing and composition using various materials; basic instruction in figure drawing and architectural studies. Prerequisite: ART 4A.

ART 5—Art Appreciation (3 units) CSU/UC  
Introduction to art appreciation with an emphasis on basic 2D, 3D, and film mediums and their relationships to humanities. Historical and contemporary work with a multicultural focus will be emphasized. Not open for credit to student with credit in HUMAN 5. (L)

ART 6A—Basic Design (3 units) CSU/UC  
Elements and principles of design as they relate to all forms of art, including two-dimensional problems.

ART 6B—Basic Design (3 units) CSU/UC  
Elements and principles of design as they relate to all forms of art, including two- and three-dimensional problems.

ART 7A—Creative Materials (3 units) CSU  
Creative activities for young children (2-8 years old), including planning and implementing painting, drawing, print-making, weaving, stitchery, batik, collage, sculpture, puppet-making, and modeling materials. Not open for credit to student with credit in ECE or ART 7 or ECE 7A. (L)
ART 7B—Worldwide Arts for Children (3 units) CSU
Multicultural/ethnic art activities for young children, including planning and integrating projects across the curriculum; construction of age-appropriate art objects representative of cultures and religions in West Africa, the Middle East, Europe, Asia, Mexico, Central America, South America, Caribbean Islands, the United States, and Canada. Not open for credit to student with credit in ECE 7B or ART 23. (L)

ART 9A—Painting (1 or 2 or 3 units) (CAN ART 10) CSU/UC
Basic instruction in painting and introduction to materials; emphasis on technique.

ART 9B—Painting (1 or 2 or 3 units) CSU/UC
Further exploration of painting media and techniques; emphasis on painting from life.

ART 11—Mural Painting (3 units) CSU/UC
Studio course focused on the actual creation of a large mural; design the composition, prepare the wall, and produce the mural. (M)

ART 12A—Ceramics (1 or 2 units) CSU/UC
Basic techniques and processes; artistic and creative expression through the use of clay.

ART 12B—Ceramics (1 or 2 units) CSU/UC
Advanced techniques and processes; artistic and creative expression through the use of clay and glazes. Prerequisite: ART 12A.

ART 14A—Sculpture (2 units) CSU/UC
Introductory course in sculpture; using and exploring the media of clay, wood, plaster, and armature building. (L)

ART 14B—Sculpture (2 units) CSU/UC
Further study of three-dimensional construction using clay, plaster, wood, and armature building. Prerequisite: ART 14A.

ART 15A—Printmaking (2 units) CSU/UC
Techniques and expression in printmaking; relief, stencil, intaglio processes; explore the visual and expressive potential of the fine print. (L)

ART 15B—Printmaking (2 units) CSU/UC
Practice of printmaking; relief, stencil, and intaglio processes; explore the visual and expressive potential of the fine print. Prerequisite: ART 15A.

ART-25R Multimedia Collaboration (3 units) CSU
Principles and practice of designing and writing multimedia projects including newsletters, booklets, academic documents, presentations, reports, flyers, press releases, posters, and web pages. Emphasis on applying art theory and writing techniques to individual and group projects.

ART 41R—Individual Problems in Painting (1 or 2 or 3 units) CSU/UC
Advanced painting in which student works on individual painting problems in consultation with instructor. Prerequisite: ART 9A and 9B. (Repeatable: May be taken two times only.)

ART 42R—Individual Problems in Ceramics (1 or 2 units) CSU/UC
Supervised work as a studio potter; development of advanced techniques and personal expression. Prerequisite: ART 12B. (R1) (Repeatable: May be taken two times only.)

ART 43R—Individual Problems in Printmaking (2 units) CSU/UC
Advanced exploration and in-depth approach to printmaking. Prerequisite: ART 15A and 15B. (Repeatable: May be taken two times only.)

ART 44R—Individual Problems in Drawing (2 or 3 units) CSU/UC
Development of a personal drawing style at an advanced level, working in series with the goal of producing a coherent group of works. Prerequisite: ART 4B. (Repeatable: May be taken two times only.)

ART 46R—Individual Problems in Sculpture (2 units) CSU/UC
Advanced techniques and processes; creative and personal expression in three-dimensional forms. Prerequisite: ART 14B. (Repeatable: May be taken two times only.)

ART-47C Basic Photography (3 units)
Introduction to digital photography. Camera use, types of cameras, and photo enhancement with Adobe programs. (L)

Biology

BIOL 1—Principles of Biology (5 units) (CAN BIOL 2) (CAN BIOL SEQ A=BIOL 1+2+3) CSU/UC
Introduction to biology for majors that emphasizes the molecular, cellular, and environmental processes that are common to most organisms, including respiration, photosynthesis, molecular genetics, heredity, and evolution. Background in high school biology or chemistry is recommended. Prerequisite: MATH 52. (L)

BIOL 2—General Zoology (4 units) (CAN BIOL 4) CSU/UC
Survey of the animal kingdom with emphasis on relationships, adaptation, development, morphology, physiology, and evolution of the major groups. Designed for biology majors and related fields but open to all qualified students. Prerequisite: BIOL 1 or BIOL 15 AND MATH 52. (L)

BIOL 3—General Botany (4 units) (CAN BIOL 6) CSU/UC
Survey of the plant kingdom with emphasis on morphology, physiology, and systematics of the higher plants. Designed primarily for biology majors and related fields, but open to all qualified students. Prerequisite: BIOL 1 or BIOL 15 AND MATH 52. (L)

BIOL 4—Human Anatomy (4 units) (CAN BIOL 10) (CAN BIOL SEQ B=BIOL 4+5) CSU/UC
Introduction to the gross and microscopic structure of the human body; emphasis placed on the structure and the role of the tissues, organs, and organ systems. Prerequisite: BIOL 1 or 15. (L)

BIOL 5—Human Physiology (4 units) (CAN BIOL 12) CSU/UC
Introduction to the physiological mechanisms of the human body that lead to homeostasis; emphasis on the interrelationship of the cells, tissues, organs, and systems. Prerequisite: BIOL 1 or 15. (L)

BIOL 6—Introductory Microbiology (4 units) CSU/UC
History, structure, metabolism, genetics, and ecology of microscopic life forms; their relationship to disease, immunology, agriculture, and industry. Laboratory emphasizes the development of techniques for the detection, isolation, and identification of both harmless and pathogenic species. Prerequisite: BIOL 1 or 15. (L)
BIOL 10—General Biology (3 units)
CSU/UC UC-Unit Limit
General course for non-science majors about the science of life; explores origin, characteristics, regulation, replication, and interrelationship of living organisms. Not open for credit with credit in BIOL 10L. (L)

BIOL 10L—General Biology (4 units)
CSU/UC UC-Unit Limit
The science of life for non-science majors; exploration of the origin, characteristics, regulation, replication, and interrelationships of living organisms. Labs and lectures. Not open for credit with credit in BIOL 10. (L)

BIOL 15—Bioscience (4 units)
CSU/UC-Unit Limit
Introduction to basic biological principles, including cellular and organismal structure, energetics, control, physiology, genetics, evolution, and environmental interaction. (L)

BIOL 25—Human Genetics (3 units)
CSU/UC
Designed for non-science majors to provide an understanding of basic principles of genetics, current developments in genetics, and the influence of genes and the environment in determining human characteristics. (L)

BCA 13R—Business Computer Laboratory (0) CSU Laboratory to accompany many BCA and Accounting full-semester courses, including BCA 15R, 17R, and ACCT 2L. Students use IBM-compatible computers to learn operating systems, spreadsheets, databases, and/or Accounting. Each student is required to have two computer diskettes to store files created. (LM) (Repeatable: May be taken twice only.)

BCA 15R—Business Computer Applications - Beginning (3 units) CSU Develop a beginning/intermediate level of skills using the Microsoft Office Professional Edition Program. Basic features of Word, Excel, Access and PowerPoint are covered along with how to create simple integrated office documents. No prior experience is required. (LM) (Repeatable: May be taken two times only.)

BCA 17R—Business Computer Applications - Advanced (3 units) CSU Develop an intermediate/advanced level of skills using the Microsoft Office Professional Edition Program. Advanced features of Word, Excel, Access and PowerPoint are covered along with how to use Object Linking and Embedding (OLE) to create integrated Office documents. Prior experience using Windows, Internet, and the Office Suite is assumed. Prerequisite: BCA 15R or equivalent. (LM) (Repeatable: May be taken two times only.)

BCA 22AR—Introduction to Microsoft Word (1 unit) CSU Overview of the basic features of Microsoft Word; learn to create, edit, and save documents; file management; basic text, paragraph, and page formatting; page numbering; printing options; tables and columns. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

BCA 22BR—Advanced Microsoft Word (1 unit) CSU Overview of advanced features of Microsoft Word, including advanced formatting, charts, forms, styles, graphics, borders, shading, drawing, macros, sort, and merging features. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

BCA 23R—Microsoft Outlook (1 unit) CSU Beginning and intermediate level features of the personal information manager; record contacts, create and manage e-mail communication in a network or Internet; improve personal efficiency using calendar, tasks, notes, and journal features. Preparation for Microsoft Office User Specialists Outlook Expert User Examinations. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

BCA 25R—Desktop Publishing (2 units) CSU Fundamentals of document design and layout with emphasis on the importance of visual communication in business documents such as newsletters, flyers, and brochures; use of advanced software; creation of portfolio with selected software applications; can be repeated for more advanced study; intermediate level knowledge of Word or WordPerfect recommended. (L) (Repeatable: May be taken four times only.)

BCA 26R—Microsoft PowerPoint (1 unit) CSU Learn the basics and more; create presentations, add text information, add visual elements, bring in data from other sources, modify a presentation, prepare for distribution, customize a presentation, and deliver presentations. Familiarity with keyboard recommended. Preparation for Microsoft Office User Specialists PowerPoint Expert User Examinations. Grades are CR/NC. (Repeatable: May be taken four times only.)

BCA 27—Introduction to Computers (0.5 unit) CSU Designed for the novice computer user or anyone thinking about purchasing a computer system; introduction to the basics of hardware, software, and operating systems and their use, as well as an overview of common software and the Internet. Grades are CR/NC. (L)

BCA 33AR—Introduction to Excel (1 unit) CSU Basic features of Microsoft Excel spreadsheet software; using toolbars; moving, copying, and formatting text; using spreadsheets for decision-making; creating graphs and charts; and list and data management. Hands-on course with business applications used. Grades are CR/NC. (LM) (Repeatable: May be taken four times only.)

BCA 34R—Advanced Excel (1 unit) CSU Learn advanced features of Microsoft Excel spreadsheet software, including advanced formatting options, graphs and charts, decision-making tools, and sorting and data management options. Hands-on course with business applications used. Grades are CR/NC. Prerequisite: BCA 33AR or equivalent. (LM) (Repeatable: May be taken four times only.)

BCA 37AR—Introduction to Access (1 unit) CSU Use of Microsoft Access to create simple to complex databases in a Windows environment, to sort the database records, and to create report formats for printed reports. Grades are CR/NC. (LM) (Repeatable: May be taken four times only.)

BCA 37BR—Advanced Access (1 unit) CSU Extends capabilities of Access and builds upon a student's knowledge of databases in general; includes creation of multiple databases, students will design and use forms and subforms to input data, use Query by Example (QBE) to extract data and create reports from multiple tables, and use macros to manipulate files. Prerequisite: BCA 37AR. Grades are CR/NC. (Repeatable: May be taken four times only.)
BCA 39—Exploring the Internet (1 unit)  CSU
Overview of the Internet and World Wide Web with emphasis on hands-on business uses, global communications, finding things on the World Wide Web, conversations on the Internet, legal and societal issues, as well as web publishing. Grades are CR/NC. (LM)

BCA 41BR—Windows  (1 unit)  CSU
Introduction to Windows environment and its capabilities; use of Windows and its graphical user interface to communicate with personal computers; apply Windows features, concepts, applications, and procedures. Grades are CR/NC. (LM) (Repeatable: May be taken four times only.)

BCA 42AR—Internet Literacy and Safety (3 units)  CSU
Exposes the student to a wide range of topics relating to the Internet. Students will learn how to perform basic searches, work with email, manage and tune the web browser, and make the Internet a practical and functional part of everyday life. Designed to ease the fears of the novice and enhance the ability of the intermediate user. (L) (Repeatable: May be taken four times only.)

**GNBUS 10—Introduction to Global Business (3 units)  CSU/UC**
Introduction to the diverse activities of business in a changing environment. Topics include ethics, e-commerce, diversity, motivation, management, organization, marketing, and human resources with an emphasis on global business. Focus on the exploration and understanding of race, culture, gender, and ethnicity in corporate America. Understand the development of a competitive advantage in global and international business. (L)

**Information Technology**

**IT 42AR—Internet Literacy and Safety (3 units) CSU**
Exposes the student to a wide range of topics relating to the Internet. Students will learn how to perform basic searches, work with email, manage and tune the web browser, and make the Internet a practical and functional part of everyday life. Designed to ease the fears of the novice and enhance the ability of the intermediate user. (L) (Repeatable: May be taken four times only.)

**IT 42BR—Web Page Management and Design (3 units) CSU**
Fundamentals of Web publishing using Adobe Systems Sponsored Curriculum and software from Cisco Academies world-wide program. The course will focus on HTML, design, writing, editing, and maintenance of web pages; emphasis on web page elements such as HTML, image editing, ADA design, and project management. Real-life informational and interactive presentations to include testing and maintenance of web sites on the World Wide Web. (L) (Repeatable: May be taken four times only.)

**IT 42CR—Maximizing Internet Resources (1.5 units) CSU**
Familiarizes students with techniques and tools to perform in-depth personal and/or academic research. Special attention will be paid to finding, organizing and managing online resources, email and other forms of electronic storage and transfer, different methods for determining credibility and citation of electronic resources. (L) (Repeatable: May be taken four times only.)

Woodland Community College
IT-45CR—Network Infrastructure Administration (3 units) CSU
Administration of a distributed networking services infrastructure. (LM) (Repeatable: May be taken four times only.)

Small Business Management

The Small Business Management Associate in Science Degree is primarily for students who plan to manage a small business or work in a small business environment. The Small Business curriculum provides students with the basic understanding of existing business practices. Students will be able to understand and apply the principles of business ethics, social responsibilities of a business, basic functions of management, and the qualifications required in business management and/or ownership.

**MGMT 5—Introduction to Supervision (3 units) CSU**
Introduction to role of the supervisor; understanding the basic fundamentals of supervision; designed for the potential working supervisor. (L)

**MGMT 10—Principles of Management (3 units) CSU**
Managerial and organizational theory and practice; planning, organizing, influencing, and controlling; focus on the role, functions, and responsibilities of management in a contemporary organization. (L)

**MGMT 15—Human Resource Management (3 units) CSU**
Foundations for the contemporary theory and practices relating to the management of people; managing human resources within an organization; basic personnel processes. (L)

**MGMT 35—Management Psychology (3 units) CSU**
Assists students in understanding and applying theories of management and psychology to human behavior in the workplace; increases awareness of individual and group behaviors, conflict resolution, and organizational dynamics. (L)

**MGMT 95AR—Managerial Accounting (1 unit)**
Role of the budget; essential elements of the budgeting process, control, and accountability. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95BR—Time Management and Planning (1 unit)**
Improvement of time management strategies; focus on dealing with multiple problems and the most effective use of time. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95CR—Legal Concerns for Employers (1 unit)**
Current developments in the field of personnel law and legal concerns of management who oversee employees; emphasis on personnel laws and policies related to equal opportunity, affirmative action, and sexual harassment. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95DR—Recruitment, Interviewing, Hiring (0.5 unit)**
Personnel recruitment, including affirmative action considerations, interviewing techniques, checking references, and orientation for new employees. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95ER—Evaluation and Performance Appraisal (0.5 unit)**
Exploration of the use of periodic interactive discussion centering on employees' contributions to organizational goals; introduction to evaluation tools such as job inventories and appraisal documents. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95FR—Disciplinary Actions (1 unit)**
Analysis of employee discipline systems, rights of management and employees, collective bargaining agreements, and general grievance procedures. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95GR—Training Employees (0.5 unit)**
Aspects of establishing an effective employee training program, including identification of training needs, preparation of training objectives, and psychological approaches to training. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95HR—Leadership (1 unit)**
Analysis of basic human behavior on the job, focusing on various leadership styles, motivational techniques, and improvement of employee productivity. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95JR—Stress Management (0.5 unit)**
Cause-and-effect factors of stress and the skills and strategies supervisors can use to help cope with stress; stress as both enemy and ally. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

**MGMT 95KR—Computer Concepts for Managers (1 unit)**
Introduction to basic concepts of computer application for managers in planning, organizing, directing, and controlling. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)
MGMT 95LR—Transition to Being a Supervisor (0.5 unit)
Exploration of management potential for emerging supervisors; focuses on role transition and organizational need in directing and controlling. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

MGMT 95MR—Safe Workplace (0.5 unit)
Responsibilities of the supervisor for development of safety attitudes and practices; emphasis on accident prevention procedures as well as components of report forms. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

MGMT 95NR—Written Communication Skills (1 unit)
Advanced verbal, nonverbal, written, and group communication skills; business meetings, public speaking, and other management communication skills covered. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

MGMT 95PR—Business Ethics (1 unit)
Provides a practical approach to business ethics useful in responding to business problems in a range of areas including accounting, finance, marketing, and management. Grades are CR/NC. (Repeatable: May be taken four times only.)

MGMT 95QR—Introduction to Quality Management (0.5 unit)
Introduction to the philosophy, tools, and techniques of quality improvement efforts in organizations. Emphasis on understanding the quality systems approach to customer focus, continuous improvement, and employee involvement. Focus on the relationship of customer satisfaction and organization success. This is the foundation for understanding many quality improvement initiatives in organization. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

MGMT 95WR—Customer Service (0.5 unit)
Focus on customer service improvement; development of customer service strategy and attitude, treating clients appropriately, phone etiquette, e-mail etiquette, and the do’s and don’ts of customer service. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

OA 13A—Office Administration Laboratory (0) CSU

OA 15A—Beginning Keyboarding (3 units) CSU

Laboratory to accompany BCA word processing courses and OA courses offered the first half of the semester including BCA 22AR and BCA 22BR. Students use IBM compatible computers to complete assignments for these classes. Each student required to have two diskettes to store files.

Acquire basic beginning level of keyboarding and basic document formatting. Not open for credit to student with 3 units of credit in S&O or OA 15R. (L)
OA 15B—Intermediate Keyboarding (3 units) CSU
Refinement of basic keyboarding skills and to complete more advanced level of document formatting to the intermediate level of competency. Not open for credit to student with 6 units of credit in S&O or OA 15R. (L)

OA 15C—Advanced Keyboarding (3 units) CSU
Keyboarding skill development to the advanced professional level of competency. Not open for credit to student with 9 units of credit in S&O or OA 15R. (L)

OA 17AR—Word Processing I (3 units) CSU
Introduction to basic word processing operations such as document formatting, editing, saving and retrieving, printing, and merging. (L) (Repeatable: May be taken four times only.)

OA 17BR—Word Processing II (3 units) CSU
Advanced word processing operations involving long and multiple-part documents, macros, and tables; document presentation. Prerequisite: None; OA 17AR or equivalent recommended. (Repeatable: May be taken four times only.)

OA 21—Business Communications (3 units) CSU
Development and refinement of written and oral business communication skills, including composing, editing, proofreading, and document preparation to mailable standards. Prerequisite: None; OA 52 or GNBUS 52 with a grade of "C" or better recommended; ability to type and use word processing (OA 15A or equivalent) as all work must be typed/printed from disk. (L)

OA 22—Machine Calculation (1 unit) CSU
Skill development in the operation of the electronic display and printing calculator, including addition, subtraction, multiplication, division, memory, percentages, and interest calculations to solve typical business problems. Speed and accuracy by touch method emphasized. (LM)

OA 52—Business English (3 units) CSU
Review of English grammar with applications for written and oral business communications. Not open for credit to student with credit in GNBUS 52. (L)

OA 53—Filing (1 unit) CSU
Introduction to the methods in coding and filing business correspondence for manual storage and retrieval; filing systems covered include alphabetic, serial numeric, terminal digit numeric, subject, and geographic. (L)

OA 55—Medical Word Processing (3 units) CSU
Medical document editing utilizing partial speech recognition documentation/voice processing and transcription from physician dictation. Course work will encompass general medical/surgical and specialties such as OB-GYN, pediatrics, orthopedics, and cardiovascular medicine. Prerequisite: OA 17BR, OA 52/GNBUS 52, and NURS 51. Experience or course work equivalent to the preceding is acceptable. (L)

OA 59—General Transcription (2 units) CSU
Method and practice in editing and transcribing dictated business correspondence. Material simulates correspondence in various areas of business. (L)

OA 60—General Office Procedures (4 units) CSU
Skills and procedures necessary in an automated office; office information systems, technology, and procedures; telecommunications; information processing; mail and telephone systems; time management; public relations; and human relations skills. (L)

OA 61—Advanced Office Procedures (4 units) CSU
Develop and apply advanced level of principles, knowledge, and skills necessary for the proper operation of the automated office; emphasis is on higher level administrative assistant skills such as analysis, communication, decision-making, and supervision principles. Prerequisite: OA 15B. (LM)

Chemistry

CHEM 1A—General Chemistry (5 units) (CAN CHEM 2) CSU/UC UC-Unit Limit
Fundamental principles of inorganic chemistry; nomenclature of inorganic compounds, chemical formulas, equations, and reactions; stoichiometry; structure of atoms, ions, and molecules and periodic table; oxidation-reduction and acid-base reactions; equilibrium; and gas laws. Not open for credit with credit in CHEM 3A and 3B. Prerequisite: MATH 52 or equivalent with a “C” or better, and one year of high school chemistry with a grade of “B” or better, or CHEM 2A or 50 or equivalent with a grade of “C” or better. (LM)

CHEM 1B—General Chemistry (5 units) (CAN CHEM 4) CSU/UC UC-Unit Limit
Principles of inorganic chemistry, including kinetics, thermodynamics, equilibrium, electrochemistry, and acid-base chemistry; descriptive chemistry and qualitative analysis. Prerequisite: CHEM 1A or 3B with a grade of “C” or better. (LM)

(Note: CAN CHEM SEQ A = CHEM 1A + 1B)

CHEM 2A—Introductory Chemistry (5 units) (CAN CHEM 6) CSU/UC UC-Unit Limit
Introduction to fundamental principles of inorganic chemistry; structure and bonding, nomenclature, chemical equations and reactions, stoichiometry, acids, bases, and chemical equilibrium, redox, gases, solutions, and nuclear chemistry. Not open for credit to student with credit in CHEM 1A or equivalent. MATH 50 with a “C” or better strongly recommended. (LM)

CHEM 2B—Introductory Chemistry (4 units) (CAN CHEM 8) CSU/UC UC-Unit Limit
Introduction to fundamental organic chemistry and biochemistry; structure and nomenclature; reactions, stereochemistry; bioenergetics and metabolism. Prerequisite: CHEM 1A or 2A. (LM)

(Note: CAN CHEM SEQ B = CHEM 2A + 2B)

CHEM 8—Organic Chemistry (3 units) CSU/UC
Study of carbon compounds including nomenclature and structures involving physical properties, chemical reactions, representative preparation, and reaction mechanisms. Prerequisite: CHEM 1A with a grade of “C” or better. (LM)

CHEM 9—Organic Chemistry Laboratory (2 units)
Laboratory course to accompany CHEM 8. Prerequisite: CHEM 1A with grade of "C" or better. Corequisite: CHEM 8 which may be taken concurrently. (LM)

CHEM 10—Concepts of Chemistry (3 units)
CSU/UC UC-Unit Limit
Survey of basic concepts and practices of chemistry; designed for non-science majors desiring an introduction to fundamental chemistry concepts and skills. Not intended for students who will enroll in subsequent chemistry coursework. (L)

CHEM 18A—Organic Chemistry for Health and Life Sciences (4 units) CSU
Designed for students planning professional school studies in health and life sciences. A rigorous, in-depth presentation of basic principles with emphasis on stereochemistry and spectroscopy and preparations and reactions of aromatic and nonaromatic hydrocarbons, haloalkanes, alcohols and ethers. Reactions include Sn1, Sn2, E1 and E2. (M)

Computer Science

COMSC 10L—Computer Literacy (3 units) CSU/UC
Introduction to the computer and its applications; survey of the history of computers, hardware, software, social aspects, and problem-solving techniques; hands-on microcomputer programs in the language QBASIC will be examined. Not open for credit to student with credit in COMSC 10. (LM)

COMSC 13—Computer Lab (0) CSU
Laboratory required for enrollment in computer language courses. Corequisite: COMSC 10L or 20.

COMSC 20—Beginning Web Publishing with HTML (3 units) CSU
Fundamentals of Web publishing using HTML, including design, writing, editing, and maintenance of web pages; emphasis on real-life informational and interactive presentations to include testing, revising, and maintenance of web presentations on the World Wide Web. Corequisite: COMSC 13. (L)

Cooperative Work Experience Education

CWEE 44R—General Work Experience (v1-3 units) CSU
Coordination of on-the-job learning with college experience to develop desirable work habits, attitudes, and career awareness through supervised employment. Maximum of 6 units can be earned in General Work Experience during enrollment with a 3-unit maximum in any one semester. Maximum of 4 enrollments or 16 units can be earned in any combination of Work Experience (Occupational/General) and Internship enrollment. Those enrolling in this class are not eligible for other work experience/internship classes during the same semester. Corequisite: Must have a job; Fall/Spring: Must maintain enrollment in and complete 7 units, including W.E. units, through the Yuba Community College District; Summer: Must be enrolled in and complete one other class through the Yuba Community College District. Grades are CR/NC. (L)

CWEE 45R—Occupational Work Experience (v1-4 units) CSU
Coordination of on-the-job learning with college major to improve employment skills and career goals through supervised employment. Maximum of 16 units can be earned in Occupation W.E. during enrollment at the college, with a 4-unit maximum in any one semester. Maximum of 4 enrollments or 16 units can be earned in any combination of Work Experience (Occupational/General) and Internship enrollment. Those enrolling in this class are not eligible for other work experience/internship classes during the same semester. Corequisite: Must have a job; Fall/Spring: must maintain enrollment in and complete minimum of 7 units, including Work Experience units, through the Yuba Community College District; Summer: must be enrolled in and complete one other class through the Yuba Community College District. Grades are CR/NC. (L)

CORRECTIONS (see Administration of Justice)
Counseling

COUNS 10—College Success (3 units) CSU/UC
Study skills and knowledge necessary to college success, including time management, memory techniques, note taking, reading skills, test-taking skills, critical thinking, writing, learning styles, diversity, communication skills, career planning, assessment, and other resources. (L)

COUNS 15AR—Orientation to College (0.5 unit) CSU
Designed to provide information and facilitate transition to college; familiarization with college community, rules, regulations, and policies; introduce the use of student and campus services; develop a thorough understanding of program requirements and the knowledge necessary for sound educational planning (L) (Repeatable: May be taken four times only in any combination of Couns 15AR, 15BR, or 15R.)

COUNS 22—Peer Advising Seminar (2 or 3 units) CSU
Designed for peer advisors; methods of working with students from a wide variety of backgrounds, with the emphasis on individualized assistance to help in all areas of counseling; orientation to materials and resources; development of interpersonal skills. Grades are CR/NC. (L)

COUNS 25—Career Planning and Development (3 units) CSU
Survey of techniques of career exploration and selection. In the context of a study of the changes that occur during a typical life span, construct a personal profile of current and projected interests, aptitudes, skills, values, personality, and life and personal circumstances. Not open for credit to student with credit in GNBUS 25 or PSYCH 25. (L)

COUNS 30—Transfer Preparation (2 units) CSU
Preparation for a successful transfer experience to a university; emphasis on understanding the public and private university systems in California. (L)

COUNS 45R—Career - College Planning (1 unit) CSU
Designed to assist student in the decision-making process as it relates to maximizing potential in career, education, and personal development. Contact Counseling Department to schedule an appointment within one week after adding class. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

COUNS 56R—Effective Parenting (1 unit) CSU
Development of effective parent-child relationships, including behavior, emotions, encouragement, and communications. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

Course “47” or “97” or “197” or “297”

47 OR 97 OR 197 OR 297--SPECIAL TOPICS (.5 to 3 units) CSU
Exploration of selected areas or topics in a subject area. Procedures for implementing the course involve cooperative planning by instructor, Division Dean or Executive Dean, and Vice President of Instruction. Course “47” is intended for transfer and meets the definition of a baccalaureate-level course. Course “97” is not intended for transfer but is of the associate degree level. Course “197” non-associate degree credit basic skills remedial courses intended to prepare students to succeed in courses at the associate degree level. Course “297” non-associate degree credit courses that are either vocational courses intended to prepare students for postsecondary vocational education or for occupations not requiring associate degree level skills for entry; or academic development courses, other than remedial basic skills, intended to prepare students to succeed in associate degree level course work. On the transcript, the course will be shown with a regular department prefix, viz Art 47, followed by a title.

Course “48”

48A-B-C-D--INDEPENDENT STUDIES (1 to 3 units) CSU/UC unit limitation
The granting of transfer credit at any University of California campus for any “Course 48” is contingent upon an evaluation of the course outline by the individual U.C. campus. These courses are used whenever circumstances warrant offering courses not yet part of an established curriculum. For example, media courses which are offered as Independent Studies requiring prior approval by the Chancellor’s Office. Other Independent Studies courses may originate from the needs and curiosities of groups of students and faculty to study areas of mutual interest and concern. Media courses will be developed by the Instructional Services Division/or the Northern California Telecommunications Consortium. Students and faculty may identify areas of interest not taught in other courses to: (1 unit) Describe problems within identifiable areas of interest; (2 units) use procedures likely to develop further knowledge; (3 units) develop ways of acting on basis of new knowledge; and (4 units) use integrated approach to solution of problems. These courses are intended for transfer and meet the requirements of a baccalaureate-level course.
Course “49”

49R–SPECIAL PROJECTS (1 unit)

CSU/UC unit limitation

When special circumstances warrant offering a special course to the individual student outstanding in a particular area, an instructor, with approval, may register a student in an individual Special Projects course which will be identified by the name of the department, the course number of “49”, and the title “Special Projects.” Registration in the course involves signing a contract under which the student and instructor agree upon the accomplishment which must be demonstrated by the student in order to receive credit, and which is approved by the cognizant Division Dean or Executive Dean and Vice President of Instruction. These courses are intended for transfer and meet the requirements of a baccalaureate-level course. Grades are CR/NC. (Repeatable: May be taken four times in the area only.)

Total units required ........................................... 12

Director of Private Day Care Center/Preschool Options

Requires 15 postsecondary units, the same 12 units as listed in above, plus ECE 2A Administration of Children’s Center. Other requirements for the director include:

a. High school graduation or GED, and at least four years of teaching in a licensed child care or comparable group child care program; or
b. Associate degree with a major or emphasis in early childhood education or child development and at least two years of teaching experience in a licensed child care center; or
c. A bachelor’s degree with a major or emphasis in early childhood education or child development and at least one year of teaching experience in a licensed child care center.

To apply for a license to operate private day care center, write to State of California Health/Welfare Agency, Department of Social Services, Community Care Licensing.
CHILD DEVELOPMENT TEACHER  
(Certificate of Achievement)  

These programs are required to possess the California Child Development (Teacher) Permit issued by Commission on Teacher Credentialing. After completing required course work of 40 total units and 175 days of experience, apply for the permit at local county schools office.

Total units required .............................................................................. 24

ECE 1—Introduction to ECE Curriculum (1 unit)  CSU
Introduction to the early childhood center environment and playgrounds and appropriate curriculum activities for young children. Developmentally appropriate practices and activities in all areas of learning will be introduced and explored. Examples of planning for short-term and long-term projects, with appropriate evaluation and documentation will be given. Grades are CR/NC. (L)

ECE 1A—Preschool Teaching Practices (Programs)  (3 units)  CSU
Overview of early childhood education, including goals and philosophies of child development programs, exploration of various types of programs, and job potential for students; developmentally appropriate practices in early childhood education will be stressed. Corequisite: ECE 3, or concurrent enrollment. (L)

ECE 1B—Preschool Teaching Practices (Curriculum)  (3 units)  CSU
Curriculum, methods, and materials used in early childhood education; planning, implementing, and evaluating curriculum with appropriate content for preschool children; special focus on children’s language skills, cognitive development, and creative expression. Prerequisite: ECE 1A. (L)

ECE 1C—Positive Social Development in Young Children (Guidance)  (3 units)  CSU
Designed to help teachers and caregivers of young children to establish relationships with children and apply principles of behavior management; basic principles include helping young children develop positive self-esteem, enter into group play, form friendships, and learn pro-social behavior. (L)

ECE 2A—Administration of Children’s Centers  (3 units)  CSU
Administrative skills, knowledge, and techniques needed to organize and operate a child development center; emphasis on budget, program management, regulatory laws, and development of policies and procedures. (L)

ECE 2B—Administration of Children’s Center (3 units)  CSU
Role of the program director; staff development and staff relations; techniques for effective supervision; management theory; personnel policies and procedures; professional ethics and growth. Prerequisite: ECE 2A. (L)

ECE 3—Child Growth and Development (3 units)  CSU/UC UC-Unit Limit
The study of the physical, cognitive, psychosocial and emotional changes in the development of the child from conception through adolescence. Practical application of developmental principles and patterns of growth. Exposure to critical thinking as it relates to child development in a professional setting. It is designed as a foundation course for careers in education, human services, health and related fields. (L)

ECE 5—Physical Activities for Young Children  (1 unit)  CSU
Designed to give adults working with preschool and school-age children a variety of hands-on activities useful in creating stimulating outdoor environments; practice using equipment like bean bags and hula hoops, as well as become familiar with games from diverse ethnic groups. Not open for credit to student with credit in PE 5. (L)

ECE 6—Early Childhood Language Development (3 units)  CSU
Language development and influences in early childhood including theories of language acquisition, inter-relatedness of growth, stages of development, and appropriate curriculum for enhancing speaking, listening, pre-reading, and pre-writing skills. (L)

ECE 7A—Creative Materials (3 units)  CSU
Creative activities for young children (2-8 years), including planning and implementation of painting, drawing, printmaking, weaving, stitchery, batik, collage, sculpture, puppet-making, and modeling materials. Not open for credit to student with credit in ECE or ART 7 or ART 7A. (L)

ECE 7B—Worldwide Arts for Children (3 units)  CSU
Multicultural/ethnic art activities for young children, including planning and integrating projects across the curriculum; construction of age-appropriate art objects representative of cultures and regions in West Africa, the Middle East, Europe, Asia, Mexico, Central America, South America, Caribbean Islands, the United States, and Canada. Not open for credit to student with credit in Art 23 or 7B. (L)

ECE 9—Children’s Cooking Activities (1 unit)  CSU
Process of cooking as it relates to the developmentally oriented early childhood curriculum; cooking activities that promote language acquisition, cognitive development, psycho-motor skills, and social and emotional growth; includes the importance of good nutrition education and how to prepare nutritious snacks and simple meals. Grades are CR/NC. (L)

ECE 10—Health, Safety, and Nutrition (3 units)  CSU
Concepts of health, safety, and nutritional needs of children from prenatal period through early childhood; emphasis on providing safe and healthy environments; understanding the effects of foods and nutrition on behavioral patterns, learning abilities, physical stamina, and growth; and presenting appropriate health, safety, and nutrition curriculum for children. (L)

ECE 11—Techniques of Observing Children  (1 unit)  CSU
Objective versus subjective observation; exploration and application of a variety of techniques in relation to observing children’s developmental stages and interest areas; portfolio assessment. (L)
ECE 12—Science for Young Children (1 unit) CSU
Designed to provide teachers and caregivers of young children with principles of appropriate science curriculum; emphasis on informal science experiences and the cognitive connections made by young children as they observe, manipulate, process, and communicate. Classroom organization and management, readily-found materials, and connections with other curriculum areas are also included. (L)

ECE 14—The School Age Child (3 units) CSU
Developmental characteristics and needs of the 6-12 year old child at home or in a group care setting; includes developmental stages; program environment; developmentally appropriate curriculum, activities, and materials; meeting the needs of families; classroom management; communication techniques; administrative requirements, skills, and characteristics of caregivers. (L)

ECE 16—Preschool Music Activities (1 unit) CSU
Storytelling, movement, and games to involve children in music; development of music programs that integrate instruments into daily activities for children; basic instruction in the autoharp will be provided. Grades are CR/NC. (L)

ECE 17—The Exceptional Child (3 units) CSU
Focus on identification of children with special needs; resource and referral, full inclusion, activities, and teaching strategies within the preschool setting; normal and exceptional development, family partnerships, the Individual Education Plan (IEP) and Individual Family Service Plan (IFSP); approaches to environment, behavior, and planning are topics for individual and group study. (L)

ECE 22—Developing Number Concepts (1 unit) CSU
Focuses on ways adults can help make mathematical concepts meaningful to preschool and kindergarten children rather than emphasizing counting and number recognition. Grades are CR/NC. (L)

ECE 23—Cultural Diversity in ECE Classrooms (0.5 unit) CSU
Strategies for working with children and families of culturally diverse backgrounds; emphasis on self-awareness; guidelines for classroom materials, curriculum, and resources. Grades are CR/NC. (L)

ECE 25—Group Experience in Outdoor Environments (3 units) CSU
Developing creative outdoor learning environments, including playgrounds, activities and cooperative games. Circle time, or daily planned group experiences will also be explored and developed through integrated, thematic instruction. (L)

ECE 27—Early Childhood Multicultural Curriculum and Issues (3 units) CSU
A comparison of strategies for working with children and families of culturally diverse backgrounds; emphasis on self-awareness; guidelines for classroom materials, curriculum, and resources, as well as a comparison of at least three cultural groupings represented in the local population. (L)

ECE 31—Child, Family, and Community (3 units) CSU/UC
Study of the environmental influences on growth and development of the child in the family, including social class, ethnicity, disability or risk conditions, education, interaction of family members, and awareness of community resources. Not open for credit to student with credit in FCS 31. (L)

ECE 32—Parenting (3 units) CSU
Techniques and advise for encouraging a positive parenting style and effective child-rearing procedures; interaction patterns and levels of communication between family members. Not open for credit to student with credit in FCS 32. (L)

ECE 33—Infants and Toddlers (3 units) CSU
Introduction to infants and toddlers; development, curriculum, and program planning; intervention, observation, and assessment; children with special needs; and infant/adult relationships. (L)

ECE 37—Mentor Teacher (2 units) CSU
Methods and principles of supervising student teachers in Early Childhood classrooms. Emphasis is on the role of experienced classroom teachers who function as Mentors to new teachers while simultaneously addressing the needs of children, parents, and other staff. Satisfies adult supervision requirement for State Department of Social Services. (L)

ECE 39—Children’s Literature (3 units) CSU
Introduction to children’s literature: history, elements, and types of books of interest to children from birth through eight years old. Students will read, share, and plan activities around classical, cultural, and award-winning books. Methods of selecting and evaluating books will be applied. Not open for credit to student with credit in ENGL 39. (L)

ECE 41—Child Guidance and Discipline (1 unit) CSU
Introduces the major theories of social, emotional, and moral development with particular emphasis placed on the implications of the utilization of a developmental approach to child guidance and discipline in the preschool setting. Grades are CR/NC. (L)

ECE 46R—Field Experience - Preschool (3 units) CSU
Provide practical experience for the student teacher in an early childhood program for ages 2-6, under qualified supervision. Tuberculosis check required for admission. (L) (Repeatable: May be taken four times only.)

ECE 48G Child Development: SteppingStones (2 units) CSU
Video lessons covering child growth and development from conception through adolescence, including basic concepts and the interrelationships to the physical, motor, cognitive, social, and emotional development of human beings. This is an independent study course. Grades are CR/NC. (L)

ECE 51R—Special Topics in ECE (1 to 2.5 units) CSU
Contemporary issues and practices for teachers and caregivers in the early childhood area, including curriculum, health and safety, legislation and advocacy, licensing regulations, and other related subjects. Students will apply the principles to their own work setting and age groups. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

ECE 56R—Effective Parenting (1 unit) CSU
Development of effective parent-child relationships, including behavior, emotions, encouragement, and communication. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

ECE 59—Child Abuse: Causes, Effects, Remedies (0.5 unit)
Overview of the nature and types of child abuse and its effects; procedures for reporting child abuse and crisis counseling. Grades are CR/NC. (L)

ECE 83—Techniques of Story Telling (1 unit) CSU
Methods of effective storytelling, including classroom use and ways to develop stories. Students will produce at least one story. Grades are CR/NC. (L)

ECE 210R—California Child Care Health Safety Course (0.5 unit)
Designed to meet requirements of Assembly Bill 962; relates to child day care and is appropriate for anyone dealing with children on a regular basis who knowledge of CPR, Pediatric First Aid, and Health and Safety Training may be needed. Satisfies all requirements of the American Red Cross California Childcare Course. Grades are CR/NC. (Repeatable: May be taken four times only.)
Ecology

ECOL 10—Environment-Concepts and Issues (3 units) CSU/UC
Ecology studies the interaction and interdependence among living organisms in their environment. The course presents fundamental scientific principles in examining how natural ecosystems function and how human actions affect natural ecosystems. Emphasis is placed on the role of science in determining causes and in contributing solutions to local and global environmental problems. (L)

ECOL 12—Marine Ecology (3 units) CSU/UC
Introduction to the physical marine environment, marine life, and the interactions between the two, including human interaction in the marine environment. (L)

Economics

Economic wisdom is nearly proverbial, but in a negative sort of way. Despite this prevailing prejudice, economics does have useful lessons for understanding the world. The purpose of the economics program is to contribute to this understanding. The courses are aimed at providing a basic level of sophistication in economic matters that will help to explain both the U.S. and global economies. Thus the program is divided into the traditional categories of macro-economics: How governments act to constrain or release economic forces (ECON 1A); and micro-economics: How individuals and businesses operate in the context of supply and demand (ECON 1B).

Course topics and terms that are frequently encountered in newspapers, both on the front page and in the business section, will be explained: Supply and demand, interest rates, wages, financial markets, public goals versus private interests, regulation and deregulation, unemployment, the poverty level, inflation, trade balances, budget and deficits, taxation, exchange rates, and the new "global economy."

ECON 1A—Elementary Economics-Macro (3 units) (CAN ECON 2) CSU/UC
Economic principles, problems, and policies; theories related to various economic problems and policies, i.e., inflation, recession, taxation, poverty, agriculture, economic development, and the environment; includes possible solutions to these problems; emphasizes macro economics. (L)

ECON 1B—Elementary Economics-Micro (3 units) (CAN ECON 4) CSU/UC
Economic principles, problems, and policies, including price theory or theory of the firm, labor economics, foreign trade, and comparative economic systems; emphasizes micro economics. (L)

Education

EDUC 1—Introduction to Teaching (3 units) CSU/UC
Survey of American educational institutions and teaching principles, including student participation as a teacher's aide in an elementary or secondary classroom. (L)

Emergency Medical Technician

The Emergency Medical Technician class prepares students to take the certification examination as an EMT-1 and meet State EMT-1 training standards. In addition, the class provides for review and updating of information and skills necessary for recognition and pre-hospital care of medical emergencies, satisfying State EMT-1 Refresher requirements.

EMT-1 (Certificate of Training)

Required Courses Units
EMT 61 Emergency Medical Technician 1.................................................................4.5

EMT 61—Emergency Medical Technician I (4.5 units)
Preparation for taking the certification examination as an EMT I. Meets State EMT I training standards. Prerequisite: Current CPR certification for the health care provider or for the professional rescuer. (LM)

EMT-1 REFRESHER (Certificate of Training)

Required Courses Units
EMT 252R EMT-I Refresher ...............................................................................1

EMT 252R—EMT-I Refresher (1 unit)
Review and update of information and skills necessary for pre-hospital care of medical and traumatic emergencies. Satisfies State EMT-I refresher requirements. Prerequisite: EMT 53 or EMT 51 or EMT 61 or FIRSC 53 and EMT 54, or current certification as EMT IFS and EMT 63. Grades are CR/NC. (Repeatable: May be taken four times only.)

**Total units required for degree major**                  | 18    |

### ENGL 1A—College Composition and Reading (4 units) CSU/UC

- Development of analytical reading and the writing of college-level essays, including critical analysis, rhetorical forms, and collegiate research. Prerequisite: Satisfactory score on Placement Examination and appropriate skills and knowledge or a grade of "C" or better in ENGL 51 or 51L. (L)

### ENGL 1B—Critical Thinking/Writing About Literature (3 units) (CAN ENGL 4) CSU/UC

- Critical thinking and writing about literature; develops critical thinking, reading, and writing skills applicable to the analysis of prose, poetry, drama, and criticism from diverse cultural sources and perspectives; emphasis on the techniques and principles of effective written argument; some research required. Prerequisite: ENGL 1A with a grade of "C" or better.

**(NOTE: CAN ENGL SEQ A = ENGL 1A + 1B; CAN ENGL SEQ B = ENGL 46A + 46B)**

### ENGL 1C—Critical Thinking/Advanced Composition (3 units) CSU/UC

- Principles of critical thinking, reading, and writing beyond freshman composition; focuses on the principles of, and the development of, logical and analytical reasoning, argumentative writing, and on the principles of rhetoric (invention, arrangement, style, memory, delivery, modes of discourse, audience). Prerequisite: ENGL 1A with a grade of "C" or better. (L)

### ENGL 1LR—English Writing Lab (.5 or v.5-1 unit) CSU

- Improvement of the writing of essays for college level composition and literature courses; includes familiarity with basic word processing commands for the purpose of revising, editing, and printing essays. Corequisite: ENGL 1A, 1B, 41, or English literature course. (Repeatable: May be taken four times only.)

### ENGL 2—Oral Interpretation of Literature (3 units) CSU/UC

- Introduction to analysis and interpretation of literature for oral reading; encourages a deeper, richer experience of prose, poetry and drama; enables sharing the love of literature in the oral tradition. Prerequisite: ENGL 51 or 51L or satisfactory score on English Placement Examination. Not open for credit to student with credit in SPECH 2.

### ENGL 20LR—Newspaper Production (3 or 4 units) CSU

- Production of Yuba College newspaper; become familiar with all phases of newspaper production, including reporting, writing, editing, photographing, advertisement marketing, and desktop publishing. Editor positions assigned to those demonstrating initiative, leadership, and superior writing skills. Corequisite: ENGL 19 or MCOMM 19 or MCOMM 8 or prior completion of one of these classes. (L) (Repeatable: May be taken four times only.)

### ENGL 25R Multimedia Collaboration (3 units) CSU

- Principles and practice of designing and writing multimedia projects including newsletters, booklets, academic documents, presentations, reports, flyers, press releases, posters, and web pages. Emphasis on applying art theory and writing techniques to individual and group projects.

### ENGL 30B—Introduction to American Literature II (3 units) CSU/UC

- Survey of American Literature from 1865 through the Twentieth Century; writers include, among others, Clemens, James, Wharton, Frost, Faulkner, Hughes, Lowell, Warren, Walker, Brooks, Wright, and Rich; special attention is paid to the major literature genres, themes, and historical backgrounds. (L)

### ENGL 32R—Film Studies: Focus on ... (3 units) CSU/UC

- Study of a particular director/artist, genre, or national cinema. Students view and discuss full-length feature films; topic to be specified in class schedule. (Same as HUMAN 32R, THART 32R) (Repeatable: May be taken four times only.)

### ENGL 33—History of Film (3 units) CSU/UC

- Chronological survey of the motion picture; traces the development of the art, technology, and social importance of film during the last 100 years; screenings of significant and representative narrative, documentary, and experimental films from the silent to the modern era. Not open for credit to student with credit in HUMAN 33 or THART 33. (L)

### ENGL 34—Introduction to Film (3 units) CSU/UC

- Study of film as art and its influence on society including interpretation, criticism, and technical developments; view and discuss full-length feature films. Not open for credit with credit in HUMAN 34 or THART 34. (L)

### ENGL 36—Many Voices: 20th Century American Lit (3 units) CSU/UC

- Survey of Twentieth Century American ethnic writers, including works by authors of African, European, Native American, Latin, and Middle Eastern descent, focusing on how these writings fit in the dialogue of American voices and how they both reflect and shape a definition of American culture. (L)

### ENGL 37—Literature by Women (3 units) CSU/UC

- Survey of women writers from ancient Greece to modern times, focusing mainly upon the contemporary period. Not open to student with credit in WOMEN 37. (L)

### ENGL 39—Children’s Literature (3 units) CSU

- Introduction to children’s literature: history, elements, and types of books of interest to children from birth through eight years old. Students will read, share, and plan activities around classical, cultural, and award-winning books. Methods of selecting and evaluating books will be applied. Not open for credit to student with credit in ECE 39. (L)

### ENGL 43R—Shakespearean Festival (1 or 2 units) CSU

- Study of literature through reviewing, analyzing, and viewing selected plays of Shakespeare and other major playwrights offered at the Ashland Shakespearean Festival. Students are responsible for transportation, lodging, and other expenses. (L) (Repeatable: May be taken four times only.)
ENGL 46B—Introduction to English Literature II (3 units)
(CAN ENGL SEQ B = ENGL 46A + 46B) CSU/UC
Survey of British Literature from the end of the Eighteenth Century to the present; writers will include, among others, Blake, Wordsworth, Coleridge, Tennyson, Arnold, Joyce, Yeats, and Eliot; special attention paid to major literary genres. (L)

ENGL 51—Preparatory Composition and Reading (4 units)
Improving reading skills and writing pre-college level essays; includes basic writing elements, rhetorical modes, and a review of sentence structure and mechanics. Corequisite: None; READ 70 recommended. Prerequisite: ENGL 105R, 105LR, 106R, or ESL 105LR with a grade of “C” or better, or satisfactory score on Placement Examination and appropriate skills and knowledge. (L)

ENGL 52—Principles of Vocabulary (1 unit)
A study of vocabulary: word histories, word parts, words from common sources, and dictionary use. (L)

ENGL 105R—Pre-Collegiate Composition (4 units)
Stresses the development of students’ writing skills by practicing writing at the sentence, paragraph, and essay levels and by reading and analyzing short essays that serve as models for writing. Prerequisite: ENGL 110BLR or 110BR, or ESL 110BLR or 110BR with a grade of “C” or better; or satisfactory score on Placement Examination and appropriate skills and knowledge. (Repeatable: May be taken four times only.)

ENGL 110ALR—Fundamentals of Composition 1 (4 or 4.5 units)
Emphasizes basic grammar and mechanics, simple and compound sentences, paragraphs and the writing process. Concurrent enrollment in READ 110A, 110B, or 105 is highly recommended. Prerequisite: Satisfactory score on Placement Examination. (Repeatable: May be taken four times only.)

ENGL 110BLR—Fundamentals of Composition 2 (4 or 4.5 units)
Emphasizes varied sentence types, use of phrases and clauses, grammar and mechanics, paragraphs, short essays, and the writing process. Concurrent enrollment in READ 110A, 110B, or 105 highly recommended. Prerequisite: ENGL 110ALR or 110AR, or ESL 110ALR or 110AR with a grade of “C” or better, or satisfactory score on Placement Examination. (Repeatable: May be taken four times only.)

ENGL 111R—Sentence Problem Workshop (0.5 unit)
Improvement of the writing of essays for pre-college and college-level English courses. Designed to help by using a small group workshop setting with such writing problems as comma splices, run-on sentences, fragments, agreement problems, verb tenses, etc. Concurrent enrollment in a composition course recommended. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 40B—English Grammar, 2 (3 units) CSU/UC UC-Unit Limit
Continues study of English tense system; introduces syntactic features at the sentence level, such as conditionals and reported vs. direct speech. Concurrent enrollment in ESL Reading and ESL Composition highly recommended. Prerequisite: ESL 40A or equivalent. (Second of two courses.)

ESL 176ER—English for Early Childhood Education (3 units)
Development and improvement of language skills needed for Early Childhood Education courses. Prepares non-native English speakers (with at least high-intermediate English proficiency) to succeed in first-semester Early Childhood Education courses, specifically ECE 1A, 3 and 11. Emphasizes development of vocabulary and writing skills essential for communicating about child development, child observation and preschool teaching. Also, develops reading skills needed to comprehend textbooks as well as listening comprehension skills for lectures. Concurrent enrollment in ESL 40A, 40B, or 40C and ESL 241R is recommended. (Repeatable: May be taken four times only.)

ESL 215R—Integrated ESL Skills, Level 1 (2 or 3 or 5 units)
Basic language development for beginning English speakers. Concentration on all language skills—listening, speaking, reading, writing, and grammar—while focusing on everyday life skills. Preparation for ESL 210A/211A. (First in a series of four courses.) Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 225R—Integrated ESL Skills, Level 2 (2 or 3 or 6 units)
Language development for low-intermediate limited English speakers; concentration on all language skills—listening, speaking, reading, writing, and grammar—while focusing on everyday life skills. Prepares student for other Level 2 courses. Prerequisite: Completion of ESL 215R or equivalent. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 226LR—English As a Second Language Lab, I (.5 or 1 unit)
Supplements English as a Second Language classes by providing additional practice in grammar, vocabulary, listening comprehension, etc., in a laboratory setting. Students pursue individualized objectives under supervision. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 231A—Intermediate Reading, Part 1 (4 units)
Development of reading and writing skills related to life skills and vocational goals. Concurrent enrollment in ESL 230A highly recommended. Prerequisite: ESL 221B or 281B or equivalent. Not open for credit to student with credit in ESL 291A. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 233A—Intermediate Grammar 1 (3 units)
Grammar for intermediate ESL, part 1. Helps build understanding of basic structure of English. Prerequisite: Completion of ESL 223B or equivalent. Concurrent enrollment in ESL 232A, 237A, and 238A is highly recommended. Grades are CR/NC.

ESL 234R—English Conversation, Level 3 (2 units)
Pair, small, and large group discussion for limited English proficient students; vocabular personal history, likes and dislikes, future plans, and other subjects of interest; new relevant vocabulary introduced. Third in a series of four courses. Grades are CR/NC. (Repeatable: May be taken four times only.)
ESL 235R—Integrated ESL Skills, Level 3  
(2 or 3 or 5 units)
Language development for intermediate limited English speakers; concentration on all language skills—listening, speaking, reading, writing, and grammar—while focusing on everyday life skills. Prepares student for other Level 3 courses. Prerequisite: ESL 225R or equivalent. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 238A—Intermediate Writing 1  (4 units)
Writing for Intermediate ESL, part 1. Develops ability to write long paragraphs with proper grammar and spelling. Prerequisite: Completion of ESL 228B or equivalent. Concurrent enrollment in ESL 232A, 233A, and 237A is highly recommended. Grades are CR/NC.

ESL 241R—Reading and Vocabulary Development  
(3 units)
Development of reading and vocabulary skills with a progression from short, modified readings to longer selections in literature and science. Preparation for READ 105 or other appropriate reading courses. Concurrent enrollment in ESL Grammar and/or ESL composition highly recommended. Prerequisite: Completion of ESL 230B or 290B or equivalent. (Formerly ESL 61R.) (Repeatable: May be taken four times only.)

ESL 242LR—Fundamentals of Composition  (4 units)
Introduction to basic writing skills for limited English speakers, including composition of sentences and basic punctuation. Preparation for ESL 105 or other appropriate composition course. Concurrent enrollment in ESL 40A or 40B and ESL 241A highly recommended. (Repeatable: May be taken four times only.)

ESL 242R—Fundamentals of Composition  (3 units)
Introduction to basic writing skills for limited English speakers, including composition of sentences and basic punctuation. Preparation for ESL 105 or other appropriate composition course. Concurrent enrollment in ESL 40A or 40B and ESL 241A highly recommended. Prerequisite: Completion of ESL 231B or equivalent. (Formerly ESL 62R). (Repeatable: May be taken four times only.)

ESL 244R—English Conversation, Level 4  (2 units)
Pair, small, and large group discussion for limited English proficient; includes hypothetical situations, jobs and careers, and explaining a process; new relevant vocabulary introduced. Last in a series of four courses. Grades are CR/NC. (Repeatable: May be taken four times only.)

ESL 245R—Integrated ESL Skills, Level 4  (2 or 3 or 5 units)
Language development for limited English speakers; concentration on all language skills—listening, speaking, reading, writing, and grammar. Prepares student to continue college course work. Last in a series of four courses. Prerequisite: ESL 235R or equivalent. Grades are CR/NC. (Repeatable: May be taken four times only.)

ENVIRONMENTAL HORTICULTURE (see Agriculture)

Ethnic Studies

African-American Studies

AFRO 16A—African-American History  (3 units)  
CSU/UC UC-Unit Limit
Survey of Afro-American history from pre-Colonial period to the Civil War. Not open for credit to student with credit in HIST 16A. (L)

AFRO 16B—African-American History  (3 units)  
CSU/UC UC-Unit Limit
Survey of Afro-American history from Civil War to present. Not open for credit to student with credit in HIST 16B. (L)

Asian-American Studies

ASIAN 14—Asian-American History  (3 units)  
CSU/UC
Chronological study of Asian-Americans from early immigrants to recent arrivals. Emphasis on Chinese, East Indian, Japanese, Korean, Filipino Americans, and the boat people (Cambodians, Lao, and Vietnamese). Not open for credit to student with credit in HIST 14. (L)

La Raza Studies

LARAZ 1—Introduction to Chicano Studies  
(3 units)  
CSU/UC
Interdisciplinary analysis of Chicano population, focusing on contemporary Chicano culture and issues. (L)

LARAZ 15—Mexican-American History  (3 units)  
CSU/UC
Historical development of Mexican-Americans from Mexican origins, settlement in the United States, to the present time. Emphasis is given to the pre-Columbian setting, the indigenous heritage, European conquest and legacy, distinctive colonial institutions, and the growth of independence movements in the United States and Mexico. Major political, social, economic, and cultural factors will be presented, focusing on the roles played by diverse peoples and cultures who shared in the development of the United States and Mexico. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both LaRaza 15 and POLSCI 1 are completed. Not open for credit to student with credit in HIST 15. (L)

Native American Studies

NATAM 7—Indians of North America  (3 units)  
CSU/UC
Survey history of Indians of United States and Canada from pre-Columbian societies through European conquest to modern day. Not open for credit to student with credit in HIST 7. (L)
**Family and Consumer Science**

**FCS 9—Nutrition and Weight Management (3 units)**

Nutrition, exercise, and behavioral techniques for weight control that allow the individual to gain or lose weight safely. Not open for credit to student with credit in CONED 9. (L)

**FCS 10—Principles of Nutrition (3 units)**

Functions of nutrients in the human body; nutritional needs of individuals through their life cycle, food choice determinants, effects of cooking and processing, role and safety of food additives, and meal planning guidelines. (L)

**FCS 11—Nutrition and Life Fitness (3 units)**

Analysis and evaluation of current practices and theories regarding nutrition and exercise and their relationship to weight control and physical fitness; individualized physical assessment, exercise prescription, and nutritional analysis completed by each student. Not open for credit to student with credit in HLTH 13. (L)

**FCS 31—Child, Family, and Community (3 units)**

Study of the environmental influences on growth and development of the child in the family, including social class, ethnicity, disability or risk conditions, education, interaction of family members, and awareness of community resources. Not open for credit to student with credit in ECE 31. (L)

**FCS 56R—Effective Parenting (1 unit)**

Development of effective parent-child relationships, including behavior, emotions, encouragement, and communication. Grades are CR/NC. (L) (Repeatable: May be taken four times only.)

---

**Fire Technology**

**FIRE FIGHTER I ACADEMY**

The Fire Fighter I Academy is an intensive training program which academically prepares students for entry-level jobs in the fire fighting field. The California State Fire Fighter I curriculum and Emergency Medical Technician guidelines are followed throughout the program and cover the basic skills and knowledge needed to work in the fire service field. While students who are not yet 18 years of age may enroll in the academy, they must be 18 years of age or older to complete the EMT portion of the class and successfully complete the academy. Students must also provide a physician’s approval to participate in the physical training portion of the academy.

Students who successfully complete the academy may be certified by the State of California after completing either one year as a volunteer fire fighter or six months as a paid fire fighter with a California fire department. To assist graduates of the academy in obtaining the required experience at a California fire department, Yuba College also offers the Fire Technology Practicum.

**FIRE FIGHTER I**

(Certificate of Achievement)

<table>

Certificates of Training that students may earn within the Fire Fighter I Academy include the following:

- **BASIC INCIDENT COMMAND SYSTEM - ICS 200** (Certificate of Training)

- **EMERGENCY MEDICAL TECHNICIAN I** (Certificate of Training)

**FIRTC 64—Firefighter I Academy (26 units)**

Provide students with basic skills and knowledge to work in fire service. California State Firefighter I curriculum and emergency medical technician (EMT) guidelines will be followed. Provides training in basic concepts including fire department organization, fire control, equipment operation, prevention, protection, hose, nozzles, and breathing apparatus. Includes physical training. Prerequisite: Must be 18 years of age or older to complete the EMT portion of the class and successfully complete academy. Assessment exam and Physician’s release is required. (L)
GENERAL BUSINESS
(see Business)

General Education
(Liberal Arts and Science)

The General Education major at WCC is approved by the California Community College Chancellor’s Office and is designed to provide students with the opportunity to earn an Associate in Arts or Associate in Science degree in a broad area of study. Students who wish to transfer to a four-year college or university should consult with a counselor prior to beginning this major for appropriate courses.

General Major: This major is NOT printed on the diploma.

General Studies

GENST 251—Academic Evaluation (0.5 unit)
Designed for students who wish to better understand their individual spectrum of learning aptitudes including current achievement levels. Eligibility for academic accommodations may be considered based on testing information using step-by-step guidelines mandated by the California Community College system. Grades are CR/NC.

Geography

GEOG 1—Physical Geography (3 units) (CAN GEOG 2) CSU/UC
A spatial study of Earth’s dynamic physical systems and processes. Topics include maps, Earth-sun relations, weather, climate, water, landforms, soils, and the biosphere. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. (L)

Geology

GEOL 10—Introduction to Geology (3 units) CSU/UC UC-Unit Limit
Earth, its materials, structures, and the processes that have and are shaping it; includes an overview of landforms, oceans, and plate tectonics, and their relationships. Not open for credit with credit in GEOL 10L. (L)

GEOL 10L—Physical Geology (4 units) (CAN GEOG 2) CSU/UC UC-Unit Limit
Earth, its materials, structures, and the processes that have and are shaping it; includes overview of landforms, oceans, plate tectonics, and their relationships. Includes laboratory experience. Not open for credit to student with credit in GEOL 10. (L)

Health Education

HLTH 1—Health and Life Style Choices (3 units) CSU/UC
Issues include wellness, functioning optimally, and promoting healthy behavior changes; topics will explore diet, exercise, stress, CVD, cancer, substance abuse, sexually transmitted diseases, mental health, aging and analysis of available health information. (L)

HLTH 13—Nutrition and Life Fitness (3 units) CSU/UC UC-Unit Limit
Analysis and evaluation of current practices and theories regarding nutrition and exercise and their relationship to weight control and physical fitness; individualized physical assessment, exercise prescription, and nutritional analysis completed by each student. Not open for credit to student with credit in FCS 11. (L)

Total units required for degree major: 18
HIST 4A—Western Civilizations (3 units) (CAN HIST 2)  
CSU/UC UC-Unit Limit  
Broad historical study of the major elements of the western tradition from earliest times to the Eighteenth Century; introduction of ideas, values, and institutions basic to western civilizations. (L)

HIST 4B—Western Civilization (3 units) (CAN HIST 4)  
CSU/UC UC-Unit Limit  
Historical study of the major elements of the western experience from the Eighteenth Century to the present, including major political and social developments that have revolutionized the modern mode of human existence. (L)

(NOTE: CAN HIST SEQ A = HIST 4A + 4B)

HIST 5A—World Civilizations (3 units)  
CSU/UC UC-Unit Limit  
Survey of the experience of all peoples with vastly different cultures inhabiting a single globe; emphasizes the interaction of humans with the environment based on experience, knowledge, and technology; includes economic, social, religious, and political systems to 15th Century. (L)

HIST 5B—World Civilizations (3 units)  
CSU/UC UC-Unit Limit  
The experience of all the world’s people from the early modern era to the present; emphasis on the interaction of people with the environment based on the development of technology; conflict with traditional systems and new(er) orders. (L)

HIST 6—History of Race and Ethnicity in America (3 units)  
CSU  
Covers social, cultural, and economic interaction between various racial and ethnic groups in America from the fifteenth century to present. Topics include immigration, discrimination, group identity, and multiculturalism. (L)

HIST 7—Indians of North America (3 units)  
CSU/UC  
Survey history of Indians of United States and Canada from pre-Columbian societies through European conquest to modern day. Not open for credit to student with credit in NATAM 7. (L)

HIST 8—California History (3 units)  
CSU/UC  
Survey history of California from Native American cultures through Spanish, Mexican, and American periods to present; includes California government; some emphasis on local history. (L)

HIST 11—The World in the 20th Century (3 units)  
CSU/UC  
Survey of the major political, social, economic, and cultural developments in the world during the 20th Century. (L)

HIST 14—Asian-American History (3 units)  
CSU/UC  
Chronological study of Asian-Americans from early immigrants to recent arrivals. Emphasis on Chinese, East Indian, Japanese, Korean, Filipino Americans, and the boat people (Cambodians, Lao, and Vietnamese). Not open for credit to student with credit in ASIAN 14. (L)

HIST 15—Mexican-American History (3 units)  
CSU/UC  
Historical development of Mexican-Americans from Mexican origins, settlement in the United States, to the present time. Emphasis is given to the pre-Columbian setting, the indigenous heritage, European conquest and legacy, distinctive colonial institutions, and the growth of independence movements in the United States and Mexico. Major political, social, economic, and cultural factors will be presented, focusing on the roles played by diverse peoples and cultures who shared in the development of the United States and Mexico. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both HIST 15 and POLSCI 1 are completed. Not open for credit to student with credit in LARAZ 15. (L)

HIST 16A—Afro-American History (3 units)  
CSU/UC UC-Unit Limit  
Survey of Afro-American history from pre-Colonial period to the Civil War. Not open for credit to student with credit in AFRO 16A. (L)

HIST 16B—Afro-American History (3 units)  
CSU/UC UC-Unit Limit  
Survey of Afro-American history from Civil War to present. Not open for credit to student with credit in AFRO 16B. (L)

HIST 17A—United States History (3 units)  
(CAN HIST 8)  
CSU/UC UC-Unit Limit  
Survey of U.S. history tracing the political, social, economic, and cultural development of American ideals and actions from the Pre-Revolutionary Period through the Civil War Era. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both HIST 17A and POLSCI 1 or HIST 17B are completed. (L)

HIST 17B—United States History (3 units)  
(CAN HIST 10)  
CSU/UC UC-Unit Limit  
Political, social, economic, and cultural history of the United States from the Industrial Revolution to the present. Focuses on the ideals, decisions, forces, institutions, individuals, events, and processes that affected the continuity and change during this time. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both HIST 17B and POLSCI 1 or HIST 17A are completed. (L)

HIST 29—Women in American History (3 units)  
CSU/UC  
General introduction to the history of women in America from colonial times to the present. Emphasis on the changing political, economic, social, and ethnic history. Not open for credit to student with credit in WOMEN 29. (L)
Human Services

The two-year Human Services program is designed to meet an increasing need for paraprofessional and volunteer human services generalists. The program is specifically designed to prepare students for employment as Human Service paraprofessional counselors, workers, and aids in areas of welfare, vocational rehabilitation, mental health, and chemical dependency. The program also provides additional training and skills to paraprofessionals and volunteer human service workers currently employed, enabling them to more effectively meet human service needs.

The 255 practicum hours count toward further internship requirements.

### SUBSTANCE ABUSE COUNSELOR – Information (not a degree)

Certification is by the California Certification Board of Alcohol and Drug Counselors. Extensive internships beyond the Yuba College Chemical Dependency Counselor Program are required for State Certification. The value of the Yuba College program of instruction is to:

1. Qualify for additional internships; and
2. Qualify for entry-level non-certified employment.

The required internships defined below are usually completed during employment and do accept 255 hours of the Yuba College practicum toward completion.

**HUSEV 10—Introduction to Human Services (3 units) CSU**

Survey of human services and social work; exploration of helping skills applied to such human problems as poverty, parenting, education, substance abuse, illness, and mental health. (L)

**HUSEV 11—Understanding Diverse Racial & Ethnic Cultures (3 units) CSU**

An understanding of human dynamics and differences between people of diverse racial, ethnic and gender backgrounds will be discussed. Designed to generate sensitivity and appreciation of differences, eliminate barriers that get in way of working with diverse populations and create a healthier and safer environment. (L)
HUSEV 20—Introduction to Chemical Dependency Studies (3 units) CSU
Overview of major topics in the study of drug abuse and dependency, i.e., history, drugs of abuse, models of prevention, addiction and treatment, and local and national policy. (L)

HUSEV 21—Intro. to Physiological/Psychological Effects of Drugs of Abuse (3 units) CSU
Introduction and overview focused on drug action and disposition of the major drugs of abuse; ethanol, marijuana, cocaine, amphetamines, PCP, LSD, and designer drugs. Drug testing and the National Institute of Drug Abuse guidelines will be discussed. (L)

HUSEV 22—Introduction to Development/Progression of Addictive Patterns of Behavior (3 units) CSU
Introduction to the causes and development of addiction and co-dependency; exploration of the process of denial, use of defense mechanisms, and the influences on the family. (L)

HUSEV 23—Basic Law/Ethics for Chemical Dependency Counselors (3 units) CSU
Introduction to the legal/ethical responsibilities of the chemical dependency counselor, with emphasis on confidentiality and the legal concept of privilege. All federal/state laws regarding the counselor/client relationship, client's rights, child abuse reporting, etc., will be discussed; emphasis will be on the obligation of the counselors to the clients, their families, and society. (L)

HUSEV 24—Introduction to Case Management (3 units) CSU
Introduction to mental health problems which affect substance abuse. Focus on the techniques of interviewing, case conceptualization, treatment planning, case management, and relapse control in chemical dependency counseling; familiarization with DSM IV-R and system of diagnosis approved by the American Psychiatric Association, including differential diagnosis, prognosis, and associated features. (L)

HUSEV 25—Basic Chemical Dependency Counseling (3 units) CSU
Broad overview of the counseling methods used in the treatment of alcohol/drug dependency. An introduction to counseling theories and techniques used in the treatment; i.e., psychodynamic, behavioral, cognitive-behavioral, multimodal, client centered, couples and family counseling. Case histories and specific theories will be analyzed. (L)

HUSEV 26A—Supervised Field Work Practicum (2 units) CSU
Supervised field work practice in a variety of settings that will introduce students to the various aspects of the field, and will afford students the opportunity to develop and refine their knowledge and skills in chemical dependency counseling. Meets California Association of Alcoholism and Drug Abuse Counselors requirements. Prerequisite: HUSEV 23 and 24. (L)

HUSEV 26B—Supervised Field Work Practicum (5 units) CSU
Supervised field work practice in a variety of settings that will introduce students to the various aspects of the field and will afford students the opportunity to develop and refine their knowledge and skills in chemical dependency counseling. Meets California Association of Alcoholism and Drug Abuse Counselor requirements. Prerequisite: HUSEV 25 and 26A. (L)

HUSEV 30—Adult Children of Alcoholics (1 unit) CSU
Exploration of techniques, concepts, and behavioral guidelines for identifying the consequences of parental alcoholism/addiction; principles of modeling, shaping, reinforcement, and extinction of dysfunctional behavioral patterns learned in childhood will be described. (L)

HUSEV 31—Family Treatment Approaches (1 unit) CSU
Examination of the systems approach in chemical dependency counseling as it relates to dysfunctional, addictive families. (L)

HUSEV 32—Relationship Addiction/Co-dependency (1 unit) CSU
Identification of co-dependent behavior and the effects of these behaviors on relationships; assessment of healthy vs. unhealthy relationships on a continuum. (L)

HUSEV 33—Self Awareness: Key to Non-Addictive Behavior (1 unit) CSU
Emphasis on techniques to build a healthy relationship with oneself as fundamental for releasing addictive behavior patterns. Grades are CR/NC. (L)

HUSEV 34—Gender Differences Related to Substance Abuse (1 unit) CSU
Exploration of the socialization process for females and males as it relates to the development of addictive behavior; the differences in societal views and treatment issues. (L)

HUSEV 35—Addiction and Domestic Violence (1 unit) CSU
Overview of factors contributing to and eliciting explosive behavior responses in adults and children where substance abuse occurs in the home. Grades are CR/NC. (L)

HUSEV 36—Chemical Dependency Prevention in School (1 unit) CSU
Discussion of how parents, students, school systems, and communities can achieve a drug-free community; activities at the elementary and secondary level; appropriate for all concerned about chemical dependency in schools; explores implementation of current models of prevention, and prevention strategies as applied to the school system. (L)

HUSEV 37—Drug-Free Workplace: Employee Assistance Programs (1 unit) CSU
Awareness and understanding of chemical dependency in the workplace; principles that staff can use in dealing with chemical dependency and job performance. (L)
Humanities

Humanities is the study of making connections, a quest to understand “life in all of its manifestations.” Art, sculpture, architecture, myth, religion, music, philosophy, and literature all provide a mirror to reflect the characteristics of a culture, its values, themes, and visions. Each is part of the web of life, giving insight into the totality.

Humanities seeks to explore the vital creativity and instinct of artists who brought about new insights in emerging cultures, the creative geniuses that helped to forge innovative ideas and modes of understanding, the creation and focus of religions that tapped the depths of the human spirit, philosophies and modes of thinking that shaped the consciousness of humankind, and the architecture that brought new ideas to form.

HUMAN 3—Music Appreciation (3 units) CSU/UC
Study of music in relation to the humanities; music and composers of the Western World from Medieval through the 20th Century. Not open for credit to student with credit in MUSIC 3. (L)

HUMAN 5—Art Appreciation (3 units) CSU/UC
Introduction to art appreciation with an emphasis on basic 2D, 3D, and film mediums and their relationships to humanities. Historical and contemporary work with a multicultural focus will be emphasized. Not open for credit to student with credit in ART 5. (L)

HUMAN 10—Introduction to Western Humanities (3 units) CSU/UC
Learning the habit of making connections through thinking, feeling, sensing, and intuition, integration of the arts, architecture, music, philosophy, and history from pre-history through Renaissance. (L)

HUMAN 11—Art, Literature, and Music in Humanities (3 units) CSU/UC
Art, literature, and music in the humanities, from the Renaissance through the 20th Century. (L)

HUMAN 12—Jazz Appreciation (3 units) CSU/UC
General survey of jazz from its original and early development to present day; extensive listening to both recorded and live performances supports the lecture material. Not open for credit to student with credit in MUSIC 12. (L)

HUMAN 15—Popular Music in the United States (3 units) CSU/UC
Survey of popular music in the United States from about 1850 to present; covers American Civil War songs, ragtime, blues, jazz, song writing, musical theater, country music, Latin music styles, rock, and current trends. Not open for credit to student with credit in MUSIC 15. (L)

HUMAN 16—World Music (3 units) CSU/UC
Introduction to music as experienced through various world cultures including, but not limited to, Asia, India, the Middle East, Africa, Australia, and South America. Subcultures, such as Native American music and Ethnic North American music are also studied. Not open for credit to student with credit in MUSIC 16. (L)

HUMAN 32R—Film Studies: Focus on ... (3 units) CSU/UC
Study of a particular director/artist, genre, or national cinema. Students view and discuss full-length feature films; topic to be specified in class schedule. (Same as ENGL 32R, THART 32R) (Repeatable: May be taken four times only.)

HUMAN 33—History of Film (3 units) CSU/UC
Chronological survey of the motion picture; traces the development of the art, technology, and social importance of film during the last 100 years; screenings of significant and representative narrative, documentary, and experimental films from the silent to the modern era. Not open for credit to student with credit in ENGL 33 or THART 33. (L)

HUMAN 34—Introduction to Film (3 units) CSU/UC
Study of film as art and its influence on society, including interpretation, criticism, and technical developments; view and discuss full-length feature films. Not open for credit to student with credit in ENGL 34 or THART 34. (L)

INFORMATION TECHNOLOGY (see Business)

Internship

INTRN 46R—Internship (v1-8 units) CSU
Cooperative effort between the College and the professional community to provide real-world experience in the student’s major field. A maximum of 16 units can be earned with an 8-unit maximum in any one semester. Maximum of 4 enrollments or 16 units can be earned in any combination of Work Experience (Occupational/General) and Internship enrollment. Those enrolling in this class are not eligible for work experience classes or other internship classes during the same semester. (L) Grades are CR/NC.

LA RAZA STUDIES
(see Ethnic Studies)

LEARNING ASSISTANT
(see General Studies)

LEARNING SKILLS
(see General Studies)

MANAGEMENT AND SUPERVISION
(see Business)
Library Science
LIBSC 1 -- Basic Research Skills (1 unit) CSU
This course will help students acquire beginning information literacy skills necessary to conduct academic or personal research. It provides a step-by-step guide to the research process that is applicable to term papers, course work, and life-long learning. It emphasizes developing effective search strategies, selecting information tools, locating and retrieving information sources, analyzing and critically evaluating information, and using information. (L)

Mass Communications

MCOMM 2—Introduction to Mass Communications (3 units) CSU/UC
Survey of the principles, functions, and services of media in an information and communication oriented society; emphasis on history, economics, technologies, and the process of communication, as well as the social impact of print media, broadcasting, and motion pictures. (L)

MCOMM 4—Studio Video Production (3 units) CSU
Semi-technical operation and creative use of television studio equipment; techniques of production, use of cameras, lighting, sound, titling, and video recording. Not open to student with credit in MCOMM 14A. (L)

MCOMM 5—Electronic Movie Making (3 units) CSU/UC
Introduction to electronic movie making; use of visual communication and personal experience to invoke emotion, to share ideas, and to construct persuasive visions of reality through electronic movie making. (L)

MCOMM 14R—Advanced Studio Video Production (3 units) CSU
Advanced-technical operation and creative use of television studio equipment. Techniques of production, use of cameras, lighting, sound, titling, video recording, and video toaster effects. Prerequisite: MCOMM 4 or 14A. (Repeatable: May be taken four times only.)

MCOMM 15R—Field Video Production (3 units) CSU
Advanced creative use of studio and electronic field video production. Includes scriptwriting, producing, directing, reporting, videography, and non-linear postproduction using industry level software. Corequisite: MCOMM 4 or 5, which may be taken prior to the current semester. (Repeatable: May be taken four times only.)

MCOMM 20LR—Newspaper Production (3 or 4 units) CSU
Production of the Yuba College newspaper; become familiar with all phases of newspaper production, including reporting, writing, editing, photography, advertisement marketing, and desktop publishing. Editor positions assigned to those demonstrating initiative, leadership, and superior writing skills. Corequisite: ENGL 19 or MCOMM 19 or MCOMM 8 or prior completion of one of these classes. (L) (Repeatable: May be taken four times only.)

Mathematics

MATH 1A—First Year Calculus (4 units) (CAN MATH 18) CSU/UC UC-Unit Limit
Introduction to differential and integral calculus with applications. Prerequisite: MATH 21 or equivalent with a grade of "C" or better. MATH 7 is recommended. (LM)

MATH 1B—First Year Calculus (4 units) (CAN MATH 20) CSU/UC
Continuation of MATH 1A, including transcendental functions, techniques of integration, indeterminate forms, improper integrals, sequences and series, and numerical methods. Prerequisite: MATH 1A with a grade of "C" or better. (LM)

(MATH 7—Pre-Calculus (4 units) (CAN MATH 34) CSU/UC UC-Unit Limit
Calculation-oriented coverage of geometry, algebra, and trigonometry, including elementary transcendental functions, conics, systems of equations, and mathematical induction; designed to prepare for MATH 1A. Prerequisite: MATH 52 and 21 with a grade of "C" or better. (LM)

MATH 2A—Second Year Calculus (4 units) (CAN MATH 22) CSU/UC
Emphasis on the calculus of two and three variables, including topics from vector analysis, conics and polar coordinates. Prerequisite: MATH 1B with a grade of "C" or better. (LM) (Note: CAN Math Seq C=Math 1A+1B+2A)

MATH 2B—Differential Equations (3 units) (CAN MATH 24) CSU/UC
Topics in ordinary differential equations; various solutions to elementary differential equations; required for most Engineering majors. MATH 2A is recommended. Prerequisite: MATH 1B with a grade of "C" or better. (LM)

MATH 21—Plane Trigonometry (3 units) (CAN MATH 8) CSU
Trigonometric functions, fundamental formulas, identities, solution of triangles, and complex numbers. Prerequisite: MATH 52 or equivalent with a grade of "C" or better. (LM)

MATH 50—Elementary Algebra (4 units) (CAN MATH 11) CSU/UC
Introductory algebra; topics include signed numbers, graphing, linear equations, quadratic equations, and systems of linear equations in two variables. Prerequisite: MATH 111 with a grade of "C" or better or qualifying score on Placement Examination. (L)
MATH-50A Elementary Algebra First Half (3 Units)
Introductory algebra; topics include signed numbers, graphing, linear equations, and introduction to functions. Designed for a wide variety of students, including those who have been unsuccessful in MATH 50, are math anxious, or desire a slower paced, year-long version of MATH 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them, is the first half of Elementary Algebra and, together with MATH 50B, is equivalent to MATH 50 for courses that require MATH 50 as a prerequisite. Prerequisite: Qualifying score on Placement Examination, or MATH 111 with a grade of "C" or better. (L)

MATH-50B Elementary Algebra Second Half (3 Units)
Introductory algebra; topics include quadratic equations, absolute value equations, systems of linear equations in two variables, compound inequalities, factorization of polynomials. Designed for a wide variety of students, including those who have been unsuccessful in Math 50, are math anxious, or desire a slower paced, year-long version of Math 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them, is the second half of Elementary Algebra and, together with Math 50A, is equivalent to Math 50 for courses that require Math 50 as a prerequisite. Math 50B is also suitable for students who desire to review the latter part of Math 50 before taking Math 52. Prerequisite: MATH 50A with a grade of "C" or better. (L)

MATH 52—Intermediate Algebra (3 or 4 units)
Fundamental operations of algebra, linear and quadratic equations and inequalities; exponents and polynomials; rational expressions; radicals and fractional exponents; graph of a straight line; linear and quadratic system of equations; conic sections; exponential and logarithmic functions. Prerequisite: MATH 50 or equivalent with a grade of "C" or better. (L)

MATH 58—Quantitative Reasoning (3 units)
Interpretation of and reasoning with quantitative information. Coverage of logic; units analysis; uses and abuses of percentages, ratios, and indices; financial management; and statistics. This course satisfies the associate degree requirement but does not satisfy the prerequisite for a transferable math course. Prerequisite: MATH 50 or equivalent with a grade of "C" or better. (LM)

MATH 110—Arithmetic for College Students (3 units)
Whole numbers, fractions, mixed numbers, and decimals; concepts of prime and composite numbers and prime factorization; ratio, proportion, percent; rounding and estimating sums, differences, products, and quotients; applications and the reasonableness of answers are stressed; concepts, language usage, and reasoning skills are emphasized.

MATH 111—Prealgebra (3 units)
Seeks to develop algebraic thinking. Topics include: operations on the rational numbers; exponents; the order of operations; the real numbers and their decimal number representation; the field axioms; introduction to algebra; graphing in two dimensions; percent, ratio, proportion; basic geometry; conversion of units; and problem solving using equations.

Music

MUSIC 3—Music Appreciation (3 units) CSU/UC
Study of music in relation to the humanities; music and composers of the Western world from Medieval through the 20th Century. Not open for credit to student with credit in HUMAN 3. (L)

MUSIC 12—Jazz Appreciation (3 units) CSU/UC
General survey of jazz from its original and early development to present day; extensive listening to both recorded and live performances supports the lecture material. Not open for credit with credit in HUMAN 12. (L)

MUSIC 15—Popular Music in the United States (3 units) CSU/UC
Survey of popular music in the United States from about 1850 to present; covers American Civil War songs, ragtime, blues, jazz, songwriting, musical theater, country music, Latin music styles, rock, and current trends. Not open for credit to student with credit in HUMAN 15. (L)

MUSIC 16—World Music (3 units) CSU/UC
Introduction to music as experienced through various world cultures including, but not limited to, Asia, India, the Middle East, Africa, Australia, and South America. Subcultures, such as Native American music and Ethnic North American music are also studied. Not open for credit to student with credit in HUMAN 16. (L)

MUSIC 35R—Beginning Guitar (.5 or 1 unit) CSU/UC
Basic guitar technique with an emphasis on melody and chording. Grades are CR/NC. (Repeatable: May be taken four times only.)

NATIVE AMERICAN STUDIES (see Ethnic Studies)
Nursing

GENERAL INFORMATION. Nursing is a blend of science, technology, and compassion that allows the practitioner to provide health care in a wide variety of settings. It includes caring for the sick, helping people return to and maintain health, and prevention of disease. Examples of practice settings include acute care hospitals, extended care facilities, home health care, clinics, offices, schools, military service, occupational settings, and more. Yuba College offers a Vocational Nursing program leading to licensure as an LVN and an Associate Degree Nursing program leading to licensure as an RN. A career ladder program, for LVN’s wishing to advance to the RN level is also available. California is currently experiencing a nursing shortage, which is predicted to continue well into the twenty-first century. As a result, graduates, after passing the National Council of State Boards of Nursing Licensing Examination, are very likely to have a variety of employment opportunities.

Yuba College Nursing Programs offer clinical experiences in a variety of health care settings including acute care hospitals, extended care facilities, offices, and clinics. Most lectures are broadcast via interactive TV to Yuba College in Marysville, Woodland Community College and Clear Lake Campus. Skill labs, in Marysville and Woodland, are staffed with R.N. Instructional Assistants, to provide additional support to students. Media, including videotapes and computer-assisted instructional programs, resource books, and professional journals are available at all three campuses.

COSTS. In addition to the expenses of regularly enrolled students (living costs, activity fees, books, tuition, etc.), Nursing students have the additional expenses of uniforms, licensing, health examination, and others. Nursing students are eligible for grants and loans available to any Yuba College student meeting the criteria. In addition, a limited number of community agency sponsored loans and grants are available to those needing short-term or supplemental assistance. Upon completion of the Program, the graduate, unless otherwise disqualified by the licensing board, is eligible to take the National Council of State Boards of Nursing Licensing Examination.

DRUG POLICY. All students enrolled in nursing and allied health programs are subject to the department drug policy and procedure which is a part of the Student Code of Conduct. Violation of this policy and procedure may result in denial of admission or dismissal from the program. The policy may be reviewed at the Nursing department. It is also in the Student Handbook to be purchased by the Nursing students. Also, The Nursing Student Handbook can be found on the reserve shelves in the libraries.

COMPUTER USE. Students are required to complete some assignments and testing using computers. In addition, hospital records are computerized. It is strongly recommended that students entering nursing be computer literate.

RECOMMENDED COURSES

The following courses are not required but may facilitate learning if taken prior to formal admission into the nursing programs.

REGISTERED NURSING PROGRAM

ASSOCIATE DEGREE IN NURSING. Yuba College offers an Associate Degree Nursing Program designed to prepare the individual to take the National Council of State Boards Nursing Licensing Examination leading to licensure as a registered nurse.

ADMISSION CRITERIA.

A. Application. All applications are obtained and filed with the Math & Science Department at the Yuba College campus in Marysville.

B. Eligibility. Students are eligible for consideration as a Nursing major if the following have been met:
   1. Submitted a Yuba College Associate Degree Nursing Application
   2. High school graduation or equivalent

C. Students are limited to two enrollments in nursing courses (withdrawals do count as an enrollment for nursing).

D. Prerequisites must be completed prior to applying to the program. Nursing 26 (Pharmacology) may be completed after applying. It must be completed before enrolling in Nursing 30 in the first semester of the program.

Should the number of qualified applicants exceed the number of available spaces in the class, a wait list process will be used to establish priority. For more specific information telephone the Nursing Office at 530-741-6784.

PROGRAM PROGRESSION AND REQUIREMENT. The program is a full-time course of study which can be completed in two years or extended by completing the General Education, Science, and other requirements prior to admission into the Nursing sequence. The latter is the suggested format. Some classes will be taught at the Yuba College campus in Marysville and some at the Woodland Community College campus. Lectures are broadcast via interactive TV and can be viewed at the Marysville, Woodland, and Clear Lake campuses. Agencies in all three counties are used for the clinical portions of the program, and some travel will be required for all students.
NOTE: To progress through the Associate Degree in Nursing Program, all courses must be passed with a “C” (70%) or better.

LVN TO RN CAREER MOBILITY PROGRAMS

OPTION ONE - LVN to ADN (RN plus degree). Consists of both general education and nursing major core courses. Successful completion of the Program qualifies the student to graduate from the College with an Associate in Science Degree and to apply for the National Council of State Boards of Nursing Licensing Examination in preparation for licensure as a Registered Nurse. Students who qualify will be admitted each fall to the third semester of the ADN Program on a space-available basis. Telephone the Nursing Office to obtain procedures for admission.

ADMISSION CRITERIA

A. Application. All applications are obtained and filed with the Nursing Office at Yuba College campus in Marysville. Applicants will be admitted on a space-available basis by date of receipt of completed application packet. Since enrollment is limited, and the number of applicants traditionally outnumber available spaces, an applicant seeking admission to the ADN program who is already an LVN has two options:

1. Apply for the two-year ADN program the same as any other student and, if admitted, must go through the entire program.
2. Complete all prerequisite courses (see RN Program requirements) and apply to the Nursing Department to enter the program in the third semester on a space-available basis. Students who have completed all requirements will be admitted based on the date their completed application is received by the Nursing Department.

Contact the Nursing Department at 530-741-6784 for more detailed information.

B. Eligibility. Students are eligible for consideration as a Nursing major if the following have been met:

1. Graduation from an accredited high school or the equivalent.
2. Current California Vocational Nurse License. Recent Vocational Nursing graduates must submit proof of licensure prior to the first day of class.
3. Completion of the following courses with a 2.5 GPA or better: BIOL 4, 5, 6; ENGL 1A. Completion of the following courses with a “C” or higher grade: Chemistry, FCS 10; MATH 50 (or higher); NURS 36, 37; and PSYCH 1A.
4. I.V. Therapy certification or completion of Nursing 224 IV Therapy.
PROGRAM PROGRESSION AND REQUIREMENTS:

NURSING MAJOR REQUIREMENTS

Support Courses Units
SOCIL 1 Introduction to Sociology or 2 Social Problems ........................... 3
SPEECH 1 Public Speaking or 6 Group Discussion .................................. 3
Humanities elective ................................................................................. 3
Nursing Courses (must be taken prior to admission)
NURS 36 Pathophysiology ..................................................................... 3
NURS 37 Nursing Bridge Course ......................................................... 2

Fall Semester
NURS 34 Medical-Surgical Nursing I .................................................. 9
Nursing 55R Nursing Skills Lab (optional) ............................................. 1

Spring Semester
NURS 33 Mental Health/Psychiatric Nursing ........................................ 4
NURS 35 Medical-Surgical Nursing III ................................................ 5
Nursing 55R Nursing Skills Lab (optional) ............................................. 1

OPTION TWO - LVN to RN only (30-Unit Option), Meets California State Regulation 1429, and those completing this track are eligible to apply for the National Council of State Boards of Nursing Licensing Examination in preparation for licensure as a Registered Nurse. This is a non-degree option. States other than California may not grant Registered Nurse (RN) licensure based on completion of this option. Career ladders to a higher level such as Bachelor of Science in Nursing may be limited by this option as well. It is recommended the applicant call the Nursing Department for more information. Students who qualify will be admitted each fall semester on a space-available basis.

ADMISSION CRITERIA.

A. Application. All applications are obtained and filed with the Nursing Office at the Yuba College main campus in Marysville. Applicants will be admitted on a space-available basis by date of receipt of completed application packet. Contact the Nursing Office for admission procedures and information.

B. Eligibility. Minimum qualifications for admission to this track are:

1. Current California Vocational Nurse License. Recent V.N. graduates must submit proof of licensure prior to the first day of class.
2. Graduation from an accredited high school or the equivalent.
3. Graduation from an accredited vocational school of nursing or demonstrated mastery of course content by Challenge Examination.

4. Completion of the following courses with a 2.5 GPA or higher: BIOL 5 Physiology, BIOL 6 Microbiology; Completion of the following with a “C” or higher: NURS 36 Pathophysiology, and NURS 37 Nursing Bridge Course
5. Strongly recommend: IV Therapy certification or completion of Nursing 224 IV Therapy.

PROGRAM PROGRESSION/REQUIREMENTS:

NURSING MAJOR REQUIREMENTS

Fall Semester
NURS 34 Medical-Surgical Nursing II .................................................. 9
Nursing 55R Nursing Skills Lab ............................................................. 1

Spring Semester
NURS 33 Mental Health/Psychiatric Nursing ........................................ 4
NURS 35 Medical-Surgical Nursing III ................................................ 5
Nursing 55R Nursing Skills Lab ............................................................. 1

NURS 26—Pharmacology (3 units) CSU
Basic principles of pharmacology with focus on pharmacokinetics, pharmacodynamics, and related therapeutic implications for major drug categories; for Nursing and non-Nursing students. Prerequisite: None; Anatomy and Physiology highly recommended. (LM)

NURS 30—Fundamentals of Nursing (8 units) CSU
Introduction of concepts and skills basic to the practice of nursing; provides theoretical foundation for nursing practice, integrating a life-span approach, and incorporating concepts and skills to meet the basic needs of the hospitalized patient; learning experiences in the lab and health care setting allow students to gain proficiency in the application of skills and concepts introduced in the classroom. Prerequisite: BIOL 1 or 15, BIOL 4, 5, and 6; CHEM 10 or higher; ENGL 1A; MATH 50; and NURS 26.

NURS 31—Maternal-Child Nursing (5 units) CSU
Focuses on concepts, theory, and skills related to women’s health, pregnancy, birth, the postpartum period, and the care of the newborn, children, and their families; application of concepts, theory, and skills is provided by selected patient care experiences in a variety of health care settings. Prerequisite: NURS 30 and NURS 32, or concurrent enrollment.

NURS 32—Medical-Surgical Nursing I (8 units) CSU
Focuses on development and psycho-social needs across the life span, and nursing skills related to teaching, health assessment, medication administration, and wound care; emphasizes the special needs of patients having surgery, experiencing sensory alterations, and/or pain; application of concepts and skills is provided by selected patient care experiences. Prerequisite: NURS 30 and NURS 26. (LM)

NURS 33—Mental Health and Psychiatric Nursing (4 units) CSU
Eclectic approach to mental health and psychiatric nursing, including psychodynamics of human behavior and psycho-pharmacology; emphasis on concepts of therapeutic communication, assessment of behavioral states, investigation into specific symptomatologies, and related psychotherapies; learning experiences include one-on-one interactions with clients, participation in group process, staff conferences, and various treatment modalities. Prerequisite: NURS 30 and NURS 26. (LM)
NURS 34—Medical-Surgical Nursing II (9 units) CSU
Provides in-depth exploration of the nursing process as it focuses on clients who are acutely ill; consideration of health care needs in bio-physical and psycho-social domains, across the life span; acute and chronic disorders are studied, as well as health care needs of those attempting to achieve and maintain wellness; application of concepts and skills provided by selected patient care experiences. Prerequisite: NURS 32. (LM)

NURS 35—Medical-Surgical Nursing III (5 units) CSU
Focuses on advanced concepts and principles of nursing practice as well as in-depth theory related to bio-physical and psycho-social needs; emphasis is on care of acutely and critically ill clients as well as the management and leadership role of the nurse; application of concepts and skills is provided by selected patient care experiences; assignments to work individually with an RN preceptor in clinical agencies. Prerequisite: NURS 34. (LM)

NURS 36—Pathophysiology: Understanding Disease (3 units) CSU
The study of disease pathology in the human body, with a focus on the study of abnormal physiological function of body systems at the cellular level, with correlation to the disease etiology, and biological and physical manifestations produced by the abnormal physiology. Prerequisite: BIOL 4 and BIOL 5. (L)

NURS 37—Nursing Bridge Course (2 units) CSU
Designed to facilitate role transition for Licensed Vocational Nurse seeking to upgrade to Registered Nurse licensure; provides an introduction to Associate Degree Nursing Program by reviewing philosophy, conceptual framework, curriculum, and policies; critical concepts and topics presented in the first year of the program are reviewed; vocational nursing skills will be validated. Prerequisite: Licensure as LVN. (LM)

NURS 51—Medical Terminology (3 units) CSU
Intended to assist those studying in the fields of medicine and health care by learning a word-building system for defining, using, spelling and pronouncing medical words. It is designed for those preparing for a health career such as nursing, medical secretary, ward secretary, emergency medical technician, medical technologist, respiratory therapist, or other fields that require a medical vocabulary. (L)

NURS 55R—Nursing Skills (1 unit)
Designed for nursing students to remediate or update nursing skills; learn to access health care information via the internet, obtain help with writing skills specific to nursing department requirements and remediate or update math skills relating to calculation of dosages and solutions. Grades are CR/NC. (Repeatable: May be taken four times only.)

NURS 56R—Advanced Nursing Skills Lab (1 unit)
Designed for nursing students in the advanced 2nd year level of instruction to practice and/or remediate in advanced nursing skills. Areas of practice include advanced procedures, technological equipment experience, help with advanced analysis of assessment findings, diagnostics, and multiple system acute pathologies, activities to promote critical thinking, and developing complex nursing care plans. Grades are CR/NC. (Repeatable: May be taken four times only.)

NURS 224—Intravenous Therapy/Blood Withdrawal (2 units)
Designed to prepare the licensed vocational nurse to initiate and monitor intravenous therapy and perform blood withdrawals; update the registered nurse in new theories, products, and techniques of intravenous therapy. Grades are CR/NC.

NURS 227—Basic ECG Interpretation (2 units)
Designed to prepare unlicensed participants for work as an electrocardiogram monitor technician. Designed for the licensed nurse as continuing education in Basic ECG interpretations. Designed as an adjunct to the curriculum for pre-licensure A.D.N.’s. Basic dysrhythmias will be taught and will require measuring and identification. Grades are CR/NC. (L)

Licensed Vocational Nurse

VOCATIONAL NURSING PROGRAM

The Vocational Nursing Program is a four-semester program which includes individual and group instruction in the campus classroom and laboratory setting, and supervised clinical instruction in various hospital/community agencies. All students will be required to travel during portions of the program. Enrollment is limited; therefore, students are selected on the basis of a special application process.

NOTE: Termination of student enrollment for any reason after first two weeks of program will require submission of petition to be considered for readmission into the program. Contact Nursing Coordinator through the Nursing Department office for further details.

Students will be admitted to the Program every fall semester. For an application, call 530-741-6786.

All support courses and nursing major courses must be completed with a grade of “C” or better to progress through the curriculum. In addition, students must satisfactorily complete both of the concurrent nursing lecture and laboratory courses scheduled for a particular semester.

Failure to satisfactorily complete either will necessitate re-enrollment in both should the student later be readmitted. Demonstration of mastery of course content and clinical performance skills in the current semester is required as evidence that the student has achieved the necessary knowledge base and is able to perform safely.

Students are limited to two enrollments in nursing courses. Withdrawals do count as an enrollment in nursing.
PROGRAM REQUIREMENTS:

The following courses must be completed with a “C” or better prior to admission into the Vocational Nursing Program: Elementary Algebra, one year of high school or a semester of college; ENGL 1A OR ENGL 51.

First Semester
NURSV 51 Orientation to Nursing .................................................. 10
NURSV 61 Orientation to Nursing Lab .............................................. 5

Second Semester
NURSV 52 Medical Surgical Nursing I .......................................... 8
NURSV 62 Medical Surgical Nursing I Lab ..................................... 5

Third Semester
NURSV 53 Nursing the Family in Health/Illness ............................ 8
NURSV 63 Nursing the Family in Health and Illness Lab ............... 5

Fourth Semester
NURSV 54 Medical Surgical Nursing II ........................................ 8
NURSV 64 Medical Surgical Nursing II Lab ................................... 5

Minimum units to total ............................................................... 54

In addition to the expenses as regularly enrolled students (living costs, activity fees, books, and tuition), Vocational Nursing students have the expense of uniforms, licensing, health examination, and others. Vocational Nursing students are eligible for grants and loans available to any Yuba College student meeting criteria. In addition, a limited number of community agency-sponsored loans and grants are available to those needing short-term or supplemental assistance.

Upon successful completion of the course, the graduate, unless otherwise disqualified by the licensing board, is eligible to write the National Council of State Boards of Nursing Licensing Examination for Practical Nurses (NCLEX-PN).

Students successfully completing the program may earn an Associate in Science Degree if they complete the General Education and other degree requirements.

NURSV 51—Orientation to Nursing (10 units)
Introduction to nursing, including basic precepts and principles underlying safe and ethical practice; explores roles, responsibilities, and specific functions of the Licensed Vocational Nurse as a member of the health care team. Corequisite: NURSV 61. Prerequisite: Acceptance in vocational nursing program; completion with a “C” or better -- English 51 and Math 50. (LM)

NURSV 52—Medical Surgical Nursing I (8 units)
Focuses on nursing related to basic physiological and psycho-social needs of patients of all ages with specific medical-surgical diseases and conditions. Corequisite: NURSV 62. Prerequisite: NURSV 51 and 61; admission to program. (LM)

NURSV 53—Nursing the Family in Health and Illness (8 units)
Nursing care of individual and family during childbearing cycle, including pregnancy and maternity, newborn, child, adolescent, and adult in the inpatient and outpatient setting. Corequisite: NURSV 63. Prerequisite: Acceptance in nursing program, NURSV 52 and 62. (LM)

NURSV 54—Medical Surgical Nursing II (8 units)
Focuses on the basic physiological and psychosocial needs of patients of all ages with specific medical-surgical diseases and conditions; explores legal, ethical, and professional aspects of the licensed vocational nurse. Corequisite: NURSV 64. Prerequisite: Admission to nursing program; NURSV 53 and 63. (LM)

NURSV 56—Orientation to Nursing Lab (5 units)
Supervised experience in nursing skills lab and in convalescent and/or acute care hospitals. Focus is on the application of basic nursing care principles in the care of the mature adult. Corequisite: NURSV 51. Prerequisite: Acceptance in nursing program; completion of English 51 and Math 50 with a grade of “C” or better. Grades are CR/NC. (LM)

NURSV 62—Medical-Surgical Nursing I Lab (5 units)
Assigned clinical learning experiences in the acute care hospitals and outpatient facilities. Focuses on the nursing process applied to the needs of patients with specific medical-surgical conditions. Corequisite: NURSV 52. Prerequisite: Acceptance in nursing program; NURSV 51 and 61. Grades are CR/NC. (LM)

NURSV 63—Nursing the Family in Health and Illness Lab (5 units)
Focuses on care of maternity, neonatal, pediatric, adolescent, and adult patients in acute care and outpatient settings. Nursing care is taught through the application of the nursing process and through nursing skill labs. Corequisite: NURSV 53. Prerequisite: Acceptance in nursing program, NURSV 52 and 62. Grades are CR/NC. (LM)

NURSV 64—Medical Surgical Nursing II Lab (5 units)
Application of the nursing process in meeting basic nursing care needs of patients of all ages with medical/surgical conditions. Preparation of the student for licensure and employment. Corequisite: NURSV 54. Prerequisite: Acceptance in nursing program, NURSV 53 and 63. Grades are CR/NC. (LM)

OFFICE ADMINISTRATION
(see Business)

Philosophy

The word “philosophy” literally means the “love of wisdom.” Philosophy courses are designed to cultivate wisdom by critically questioning fundamental beliefs about reality, self-identity, knowledge, religion, and ethics. The core courses that make up the curriculum include Introduction to Philosophy, Critical Thinking, Ethics, Philosophy of Religion, and World Religions.

PHIL 1—Introduction to Philosophy (3 units) (CAN PHIL 2) CSU/UC
A multi-cultural survey of basic philosophical issues and problems, including the nature and practice of philosophic inquiry, theories of reality and knowledge, human nature and self identity, ethics and the good life, religion and ultimate reality, and the meaning and possibility of human freedom. Each topic will be explored from significant Western and non-Western perspectives. (L)
PHIL 2—Ethics (3 units) CSU/UC
Introduction to ethics emphasizing the relevance of ethics to everyday decision making; includes the human context of moral reasoning, relativism, subjectivism, religion and ethics, conscience and moral development, ethical egoism, utilitarianism, the ethics of duty, rights ethics, virtue ethics and the good life, and case studies in moral reasoning. (L)

PHIL 3—Philosophy of Religion (3 units) CSU/UC
Philosophical exploration of religious belief and practice, with an emphasis on understanding how the world's major religious traditions -- Eastern and Western -- respond to fundamental issues concerning the ultimate nature of reality. Topics include religion and philosophy, world views and religion, metaphysics without God, metaphysics with God, arguments for God's existence, the problem of evil, incarnation and God, God and gender, life after death, religious experience, science and religion, prudential arguments for religious belief, faith and justification, love and the meaning of life. (L)

PHIL 6—Political Philosophy (3 units) CSU
This is an introduction to the major authors and types of political thought and the central issues involved in political thinking (e.g. democracy, fascism, justice, rights, law liberty, political authority, political principles, consequences, etc.), as presented through classical or contemporary reading selections. Not open for credit to student with credit in POLS 6. (L)

PHIL 12—Critical Thinking (3 units) CSU/UC
Critical thinking skills emphasizing their application to everyday decision making, including definitions of critical thinking, language and meaning, claims and reasons, argument and inference, argument identification and reconstruction, inductive and deductive reasoning, underlying assumptions, evaluating assumptions, assumptions and evidence, world views as a context for critical thought, evaluating arguments, sound and fallacious reasoning, informal fallacies, causal inference, and scientific method. (L)

PHIL 20—World Religions (3 units) CSU/UC
Survey of the beliefs and practices of Eastern and Western religious traditions. Emphasis given to the origin and development of each tradition, its major forms of expression, and the various ways in which each tradition addresses the most fundamental questions of human existence. (L)

PHOTOGRAPHY (see Art)

Physical Education

PE 1.21R—Aerobic Exercise (.5 or 1 or 1.5 units) CSU/UC UC-Unit Limit
Aerobic exercise designed to develop and/or maintain cardiovascular endurance, muscular strength, flexibility, and coordination through the use of continuous vigorous movements. (Repeatable: May be taken four times only.)

PE 1.26R—Body Toning (.5 or 1 or 1.5 units) CSU/UC UC-Unit Limit
Anaerobic exercise program designed to develop muscle tone throughout the body. Muscle endurance and flexibility is also developed. (Repeatable: May be taken four times only.)

PE 1.27R—Fitness Walking/Jogging (.5 or 1 or 1.5 units) CSU/UC UC-Unit Limit
Individualized walking/jogging program designed to improve cardiovascular endurance and muscular strength; emphasis on lifetime fitness, including the principles of nutrition, fitness, and safety. (Repeatable: May be taken four times only.)

PE 1.28R Zumba Fitness (1.5 units) CSU
Zumba is a fusion of Latin and International music-dance themes creating a dynamic, exciting, effective fitness system. The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. Zumba utilizes the principles of fitness interval training and resistance training to maximize caloric output, fat burning and total body toning. It is a mixture of body sculpting movements with easy to follow dance steps. (Repeatable: May be taken four times only.)

PE-1.36R Yoga (1 unit) CSU
Development of basic yoga postures, breathing practices, stretching, and relaxation techniques as a method to improve flexibility, decrease stress and improve physical and mental well being. (Repeatable: May be taken four times only.)

PE 1.59R—Aerobic Weight Training (.5 or 1 or 1.5 units) CSU/UC UC-Unit Limit
Weight training methods and techniques to improve aerobic fitness, cardiovascular fitness, and muscular endurance. (Repeatable: May be taken four times only.)

PE 5—Physical Activities for Young Children (1 unit) CSU
Designed to give adults working with preschool and school-age children a variety of hands-on activities useful in creating stimulating outdoor environments; practice using equipment like bean bags and hula hoops, as well as become familiar with games from diverse ethnic groups. Not open for credit to student with credit in ECE 5. (L)

Physical Science

PHYS 10A—Earth Science (3 units) CSU/UC UC-Unit Limit
Survey course with topics chosen principally from oceanography, geology, physical geography, meteorology, and astronomy. Topics are presented within a theme of understanding the earth. (L)

PHYS 10B—Physical Science - Physics and Chemistry (3 units) CSU/UC UC-Unit Limit
Basic concepts in physics and chemistry: motion, force, energy, electricity, atomic theory, matter, chemical and physical changes, gas laws, radioactivity, and an introduction to modern physics. (L)

PHYS 10C—Physical Science - Physics and Chemistry (1 unit) CSU/UC
Laboratory experiments in physics and chemistry to reinforce and complement the materials presented in PHYS 10B. Prerequisite: PHYS 10B which may be taken concurrently. (L)
Physics

PHYS 2A—General Physics (3 units) (CAN PHYS 2 = PHYS 2A + 3A)
Comprehensive survey of physics, including mechanics, hydrostatics, thermodynamics, and wave motion; qualitative understanding and quantitative problem solving; primarily for life science major. Prerequisite: MATH 21, or equivalent, which may be taken concurrently, PHYS 10 or CHEM 2A is recommended. (LM)

PHYS 2B—General Physics (3 units) (CAN PHYS 4 = PHYS 2B + 3B)
Comprehensive study of physics, including electricity and magnetism, optics, atomic and nuclear physics, and relativity; equal emphasis placed on qualitative understanding and quantitative problem solving. Primarily for Life Science majors. Prerequisite: PHYS 2A. (LM)

PHYS 3A—General Physics Lab (1 unit) (CAN PHYS 2 = PHYS 2A + 3A)
Performance of lab experiments to verify the important concepts of PHYS 2A. Not open for credit to student with credit in the PHYS 4 series, or equivalent. Prerequisite: PHYS 2A which may be taken concurrently. (LM)

PHYS 3B—General Physics Lab (1 unit) (CAN PHYS 4 = PHYS 2B + 3B)
Performance of lab experiments to verify the important concepts of PHYS 2B. Not open for credit to student with credit in the PHYS 4 series. Prerequisite: PHYS 2B, which may be taken concurrently, and PHYS 3A. (LM)

(Note: CAN PHYS SEQ A = PHYS 2A + 3A + 2B + 3B; CAN PHYS SEQ B = PHYS 4A + 4B + 4C)

PHYS 10L—Basic Concepts in Physics (4 units) CSU/UC-Unit Limit
A general Physics course for non-science majors. Scientific skills and understanding of the basic concepts of Physics will be studied using the discovery or inquiry approach. Direct hands-on experience will be an integral part of the course through many interactive activities. There will be an emphasis on both conceptual and quantitative understanding of the physical world about us. Not open for credit to student with credit in PHYSC 10. (LM)

PLANT SCIENCE (see Agriculture)

Political Science

POLSC 1—Introduction to American Government (3 units) CSU/UC
A critical survey and assessment of American government and politics. Political institutions, such as the Political ideologies and Congress, the presidency, the courts, and the federal bureaucracy are analyzed in regards to power and ideology and their role in the American political system. Political ideologies and philosophies, as well as political parties and private interest groups, are also examined and analyzed. State and local government is included. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both POLSC 1 and HIST 15 or LA RAZA 15 or HIST 17A or HIST 17B are completed. (L)
PSYCH 12—Human Sexuality and Sexual Behavior (3 units) CSU/UC
Psychological and biological aspects of human sexuality, including developmental issues, variations in sexual behavior/orientation, structure and function of the reproductive systems, sexual response, and sexually transmitted diseases. (L)

PSYCH 22—Social Psychology (3 units) CSU/UC
Introduction to the study of human interaction with a focus on the individual within a social context, including topics of social perception and cognition, interpersonal attraction, pro-social behavior and aggression, attitude change, conformity and obedience, prejudice and discrimination, and the psychology of groups. (L)

PSYCH 30A—Consciousness Studies (1 unit) CSU
Focuses primarily on transpersonal approaches to consciousness. Other perspectives will include psychodynamic, behavioral, cognitive, biological, evolutionary, humanistic and existential. (L)

PSYCH 30C—Advanced Consciousness Studies (1 unit) CSU
Historical development and research regarding consciousness studies in psychology. (L)

PSYCH 30D—History of Consciousness (1 unit) CSU
Historical development and research regarding consciousness studies in psychology. (L)

PSYCH 31—Gender and Behavior: Feminine and Masculine Behavior (3 units) CSU/UC
Systematic analysis of psychological principles related to gender, including biological, social, and cultural perspectives. (L)

PSYCH 33—Personal and Social Adjustment (3 units) CSU/UC
Principles of personality development with emphasis on self-theories and social interaction theories. (L)

PSYCH 41—Lifespan Development (3 units) CSU/UC
Introduction to the scientific study of human development from conception to death; examines the interplay of the biological, psychological, social, and cultural influences on the developing human being. (L)

PSYCH 46—Abnormal Psychology (3 units) CSU/UC
Introduction to the field of abnormal psychology; exploration of the models, diagnosis, and classification of abnormal behavior. (L)

READ 105—Pre-Collegiate Reading Skills (3 units)
Emphasis on paragraph and passage comprehension, vocabulary development, and basic study reading techniques. Concurrent enrollment in ENGL 105L or 106 recommended. Not open for credit to student with credit in READ 90 or 105L. Prerequisite: READ 108 with a passing grade, or satisfactory score on Placement Examination and appropriate skills and knowledge.

READ 110A—Reading Assistance (4 units)
Small group and whole class work to strengthen basic reading skills; emphasis on vocabulary development. Individual help during laboratory time as needed.

READ 110B—Reading Assistance (4 units)
Small group and whole class work to strengthen basic reading skills and to make inferences and to read critically; individual help during laboratory time as needed. Prerequisite: Satisfactory score on Placement Examination and appropriate skills and knowledge, or READ 110A.

Sign Language

SIGN 1—Sign Language Studies 1 (3 units) CSU/UC
Introduction to the visual-gestural processes of sign language; provides instructional activities for people who wish to become competent in communication with deaf people; emphasis on nonverbal communication. (L)

SIGN 2—Sign Language Studies 2 (3 units) CSU/UC
Non-verbal communication skills using syntactical and finger spelling of multi-syllable words. Prerequisite: SIGN 1.

SIGN 3—Sign Language Studies 3 (3 units) CSU/UC
Continuation of ASL comprehension skills and advanced grammatical structure; continues to place emphasis on expressive skills and deaf culture. Prerequisite: SIGN 2.

SIGN 61R—Basic Vocabulary and Finger Spelling (2 units)
The art of communicating with the deaf by means of finger spelling and basic signing. (L) (Repeatable: May be taken two times only.)

Social Science

SOCIAL SCIENCE (Associate in Arts)

Required Units
ANTHR 1 Physical Anthropology .......................... 3
OR 2 Cultural Anthropology ................................. 3
ECON 1A Elementary Economics-Macro ................. 3
GEOG 1 Physical Geography OR GEOG 2 Cultural Geography 3
POLS 1 Introduction to Political Science ................. 3
PSYCH 1A General Psychology
OR SOCIL 1 Introduction to Sociology .................. 3
Any History Class ............................................. 3
Total units required for degree major ...................... 18

Reading

READ 70—Analytical Reading (3 units)
Specific comprehension and reasoning skills for reading textbooks and other college materials. Concurrent enrollment in ENGL 51L or 51 is recommended. Prerequisite: READ 105 with a grade of “C” or better, or qualifying Placement Examination score.
Spanish

SPAN 1—Elementary Spanish, Part 1 (4 units)  
CSU/UC UC-Unit Limit  
Development of four basic language skills: speaking, listening, reading, and writing. Students will learn to initiate, sustain, and close basic communication tasks. This course is equivalent to one year of high school Spanish.  

SPAN 2—Elementary Spanish, Part 2 (4 units)  
CSU/UC UC-Unit Limit  
A continuation of Spanish 1. Emphasis on control of the material in Spanish 1 and introduction of the present perfect, the conditional, the future and the subjunctive verb cases. This course is equivalent to two years of high school Spanish.  

SPAN 3—Intermediate Spanish, Part 1 (4 units)  
CSU/UC UC-Unit Limit  
A third semester course which completes the presentation of basic Spanish grammar and development of all language skills (listening, reading, speaking, and writing) in a cultural context with special emphasis in communications. Equivalent to three years of high school Spanish.  

Sociology

SOCIL 1—Introduction to Sociology (3 units)  
(CAN SOC 2)  
Basic principles and concepts of sociology, including culture, personality, organization, institutions, stratification, population, collective behavior, and social change.  

SOCIL 2—Social Problems (3 units)  
Survey of social problems in present-day American culture and application of sociological theory and analysis to issues such as poverty, minorities, crime, medicine, the environment, and technology.  

SOCIL 5—Ethnic Relations in the United States (3 units)  
Examines the dynamics of multi-ethnic relations in the United States, focusing on social, historical, political, and economic factors; emphasis on inter-group and intra-group relations in terms of prejudice, discrimination, immigration, assimilation, demographic shifts, and exclusion/inclusion.  

SOCIL 10—Sociology of Marriage (3 units)  
Sociological analysis of marriage, including history, cultural comparison, gender roles, love, sexuality, singlehood, parenthood, process, conflict, conflict resolution, divorce, remarriage, and the future of marriage and the family.  

SOCIL 35—Women in Contemporary Society (3 units)  
Focuses on the unique position of women in contemporary United States society; emphasis given to the concept of gender as it relates to socialization, social control, history, multi-culturalism, and current issues. Not open for credit to student with credit in WOMEN 35.  

Speech

COMMUNICATION STUDIES

( Associate in Science)

Required Courses  
Units

MCOMM 2 Introduction to Mass Communications ................................. 3
SPECH 1 Public Speaking ........................................................................ 3
SPECH 2 Oral Interpretation of Literature ............................................. 3
SPECH 6 Group Communication .......................................................... 3
SPECH 7 Interpersonal Communication ............................................... 3

Plus 3 units selected from the following: SPECH 8, THART 11A; ........  

Total units required for degree major ............................................. 21

SPECH 1—Public Speaking (3 units)  
(CAN SPCH 4)  
Principles of effective oral communication applied to several public speaking assignments which emphasize management of stage fright, development of support and organization of ideas, audience analysis, and clear communication of thought and feeling; attention given to effective listening and feedback skills, and nonverbal communication. Prerequisite: ENGL 51 or qualifying score on English Placement Examination and appropriate skills and knowledge.  

SPECH 2—Oral Interpretation of Literature (3 units)  
Examination of analysis and interpretation of literature for oral reading; encourages a deeper, richer experience of prose, poetry and drama; enables sharing the love of literature in the oral tradition. Prerequisite: ENGL 51 or 51L or qualifying score on English Placement Examination and appropriate skills and knowledge. Not open for credit to student with credit in ENGL 2.  

SPAN 10—Introduction to Spanish (3 units)  
Study of elementary Spanish with an emphasis in proficiency, including grammar, vocabulary, pronunciation, and communication.  

SPAN 20A—Spanish for the Spanish Speaking  
Student (3 units)  
Intensive review of grammar, composition, translation, cultural and literary readings. Designed for those who are effective in oral communication in Spanish, but who need training in written forms of the Spanish language. Emphasis on increasing vocabulary, reading, and writing skills through short stories, essays, and guided composition.  

SPAN 20B—Spanish for the Spanish Speaking  
Student (3 units)  
Designed for bilingual students who are effective in oral communication, but who need more training in the written forms of the language; intensive review of grammar; composition and translation; linguistic ability in both English and Spanish is used as a basis for increasing vocabulary and increasing writing and reading skills. Prerequisite: SPAN 20A or 2.  

SPAN 51R—Conversational Spanish (1 or 2 or 3 units)  
Development of oral skills in Spanish with an emphasis on practical phrases for communication in job or social situations; vocabulary development appropriate for basic interaction as well as for law enforcement, welfare, and other public agencies. Grades are CR/NC. (Repeatable: May be taken four times only.)
SPECH 3—Argumentation (3 units) CSU/UC
General approach to rational decision making and argumentative analysis including the improvement of reasoning skills, identification of logical fallacies, and evaluation of arguments. (CAN SPCH 6) (L)

SPECH 6—Group Communications (3 units) CSU/UC
Study of communication in small group situations; emphasis placed on researching, organizing, and delivering oral presentations, including panel discussions and symposia; the role of communication in various group processes, including problem-solving, leadership, and decision-making. (L)

SPECH 7—Interpersonal Communication (3 units) CSU/UC
Study of interpersonal relationships, including gender, intercultural, professional, and intimate communication; required to research, organize, and deliver oral presentations about concepts, dynamics, and contexts of interpersonal communication. (L)

SPECH 8—Intercultural Communications (3 units) CSU/UC
Study of intercultural communication theory relative to perception, context, language, verbal, nonverbal messages, and adaptation; emphasis will be placed on developing effective intercultural communication skills; students will demonstrate effective intercultural communications skills by oral presentations and group and interpersonal interactions. (L)

Statistics

STAT 1—Introduction to Statistical Methods (4 units) (CAN STAT 2) CSU/UC
Descriptive statistics; measures of central tendency, variation, correlation, probability, sampling, sampling distributions, estimation, and tests of statistical hypotheses. For majors in natural science, social science, and business. Prerequisites: MATH 52 or equivalent with a grade of “C” or better. (LM)

Theatre Arts

THART 11A—Introduction to Acting (3 units) CSU/UC
Basics of acting for the stage will be explored and developed, including voice and diction, movement, improvisational technique, characterization, and scene study. Several monologues and scenes will be developed and presented in the class.

THART 29R—College Theatre (2 or 3 units) CSU/UC
Fundamentals of theatrical performance in all areas of theater (acting, directing, design, technical) culminating in a theater production; plays to be selected from various periods and styles. (L) (Repeatable: May be taken four times only.)

THART 32R—Film Studies: Focus on ... (3 units) CSU/UC
Study of a particular director/artist, genre, or national cinema; view and discuss full-length feature films; topic to be specified in class schedule. (Same as ENGL 32R; HUMAN 32R) (Repeatable: May be taken four times only.)

THART 33—History of Film (3 units) CSU/UC
Chronological survey of the motion picture; traces the development of the art, technology, and social importance of film during the last 100 years; screenings of significant and representative narrative, documentary, and experimental films from the silent to the modern era. Not open for credit to student with credit in HUMAN 33 or ENGL 33. (L)

THART 34—Introduction to Film (3 units) CSU/UC
Study of film as art and its influence on society, including interpretation, criticism, and technical developments; view and discuss full-length feature films. Not open for credit with credit in ENGL 34 or HUMAN 34. (L)

THART 45A—Production and Technical Theatre (3 units) CSU/UC
Practices, terminology, and organization of contemporary theatre technology; exercises in construction and implementation of all technical aspects of production (sets, lighting, sound, costumes, properties, stage management). Integrated with Yuba College Theatre productions. Corequisite: THART 29R or 26R. (L)

THART 45B—Production and Technical Theatre (3 units) CSU/UC
Practices, terminology, and organization of contemporary theatre technology; exercises in construction and implementation of all technical aspects of production (sets, lighting, sound, costumes, properties, stage management). Integrated with Yuba College Theatre productions. Corequisite: THART 26R or 29R. Prerequisite: THART 45A.

VOCATIONAL NURSING (see Nursing)

Women’s Studies

WOMEN 29—Women in American History (3 units) CSU/UC
General introduction to the history of women in America from colonial times to the present; emphasis on the changing political, economic, social, and ethnic history. (L)

WOMEN 31—Gender and Behavior: Feminine and Masculine Behavior (3 units) CSU/UC
Systematic analysis of psychological principles related to gender, including biological, social, and cultural perspectives. (L)

WOMEN 35—Women in Contemporary Society (3 units) CSU/UC
Focuses on the unique position of women in contemporary United States society; emphasis is given to the concept of gender as it relates to socialization, social control, history, multi-culturalism, and current issues. Not open for credit to student with credit in SOCIL 35. (L)

WOMEN 37—Literature by Women (3 units) CSU/UC
Survey of women writers from ancient Greece to modern times, focusing mainly upon the contemporary period. Not open for credit to student with credit in ENGL 37. (L)
Notes
